

Notice regarding Abolition of all posts of Outsourced GSS and revision of sanctioned posts of Cluster GSS (MOST URGENT)

Please note that vide order No. D. 1150 dated 23/11/2016, D. 548 dated 23/11/2016, D. 583 dated 09/12/2016 and D.1215 dated 09/12/2016 issued by Secretary(admin), RVPN, the staff of the outsourced GSS was deployed to various locations. Further vide order No. D. 1254 dated 21/12/2016 the salary of these abolished post of the outsourced stations, was authorized to be charged from their present place of deployment as shown in their respective orders.

But it has been noticed that the entries of deployment –relieving, deployment-joining and deployment-confirmation is still pending in SAP-ERP, due to which the posts of outsourced GSS cannot be abolished in compliance of the order dated 21.12.2016.

It is therefore advised to all concerned that all such pending entries must be completed by the payroll administrators by 20th Jan, 2016. After the due date employees still remaining on the outsourced locations shall be moved to dummy/default position and their salary will not be processed from this month onwards till they are moved to their respective salary charging locations.

The deployment orders have already been entered in the system. In case any problem the payroll administrators may contact the IT/Domain core team ..

Also, it is to inform that deployment confirmation action should be run after Deployment relieving and joining action and the date of deployment confirmation action must be 1.01.2017 irrespective of actual confirmation (which should be maintained in Deployment Confirmation Order details) to prevent cost center splitting issues so that issue of difference of Rs 1-2 and ease of payroll area tagging may be addressed.
