**11. Capital Cost & Estt. charges etc :**

The capital cost howsoever calculated shall not take into consideration.

- (i) Any charges on account of establishment and tools and plants as were actually charged direct to the work in cases in which the residence was constructed by the Board or (2) in other cases, the estimated amount of such charges.

## **12. Calculation of standard rent:**

The standard rent of a residence shall be determined as follows:

- (1) In the case of a leased residence the standard rent shall be the sum paid to the lessor, plus an addition of 1½ per cent for both ordinary and special repairs and such charges for capital expenditure. On addition or alterations as may be a charge on the Board and for the interest on such capital expenditure as also for Municipal and other taxes in the nature of house or property tax payable by the Board in respect of the residence.
- (2) In the case of residence owned by the Board the standard rent shall be calculated on the capital cost of the residence, and shall either be:
  - (i) A percentage of such capital cost equal to such rate of interest as may from time to time be fixed by the Board plus in addition for Municipal and other taxes in the nature of house or property tax payable by the Board in respect of residence and for repairs both ordinary and special, a sum equal to-
    - (a) 1½ percent of the capital cost of the building excluding the sanitary, water supply installations and 1½ percent for annual repairs for heating and electrical installations; and
    - (b) 1 percent for annual repairs 3½ percent for special repairs for sanitary and water supply installations and 1½ percent for annual repairs for heating and electrical installations; or
  - (ii) 6 percent per annum of such capital cost whichever is less.
- (3) Municipal Taxes which local rules or customs are levied on the occupant will be payable by the occupant in addition to the rent payable to the Board under these regulations.
- (4) In both cases standard rent shall be expressed as standard for a calendar month and shall be equal to one-twelfth of the annual rent as calculated above, subject to the provision that, in special localities or in respect of special classes of residence, the Board may fix a standard rent to cover a period greater than one month but not greater than one year.
- (5) The occupant of the Board accommodation when vacating the same shall obtain “No dues certificate” from both the Rajasthan State Electricity Board and the Water Works Department failing which the out standing charges as reported by these two departments shall be recovered from his salary.

**13. Period of standard rent and its variation:**

- (a) The rent calculated under Regulation 12 will remain in force for a period of 5 years and will not be varied unless certain additions and alterations are done, which add to the accommodation or involve replacement of the existing type of work by the work of more expensive character. In such cases cost of such work shall be added to the capital cost and the rent revised accordingly, irrespective of the fact whether the period of 5 years has expired or not. The recalculated standard rent will be effective from 1st April next following;
- (b) “The same principles will be observed when instead of an increase in the capital cost of a residence there is a decrease in it due to writing off, of a portion of it.”

**14. Standard rent and additions and alterations:**

When the standard rent of a residence has been calculated minor additions and alterations may be made without the rent of the residence being increased subject to the following conditions namely:

- (a) The total cost of such additions and alterations during a period of five years, from the day the standard rent was last calculated shall not exceed 5% of the capital cost, last calculated.
- (b) When the cost of such additions and alterations exceeds 5% of the capital cost, on which the rent was last calculated the standard rent will be recalculated with effect from 1st April next following or from the date upon which a new tenant became liable for the payment of rent whichever is earlier.
- (c) Subject to the provisions of clause (b) the standard rent of a residence shall be recalculated on the expiry of five years from the date of the last calculations and the recalculation shall take effect from the 1st of April, next following or from such other dates as the Board may direct.
- (d) When the portion of capital cost of a residence is written off under the orders of a competent authority, the rent should be recalculated forthwith.
- (e) Timely notice will be given by Executive Engineer (Civil) to the Allotting Authority who is Incharge of the allotment of that particular residence, who in turn will give due and timely notice to the tenant. Omission, however on the part of Executive Engineer (Civil) or the Allotting Authority to give such notice in any case, will not constitute a reason for enhancement of rent taking effect from any later date,
- (f) Executive Engineer (Civil) will maintain separate ledger of the capital expenditure incurred on the additions and alterations of each residence. In the

case of substantial additions and alterations to a residential building, its rent should be fixed by the Executive Engineer (Civil) concerned and recovery of rent from the tenant should be effected at the increased rate.

**15. Occupation of building before closure of accounts of expenditure:**

If a building is actually occupied, prior to the closing of the accounts of expenditure on its construction or acquisition or equipment, rent is chargeable from the date of occupation and should be fixed provisionally by the Executive Engineer (Civil) which will be revised with retrospective effect, when the accounts are closed.

**16. Rent of separate sets of quarters:**

In case of residence comprising separate complete sets of quarters for occupation by different tenants, the standard rent for each set must be calculated separately and the expenditure and accounts of each set must be booked and kept separately.

**17. Allotment of House and Recovery of Rent:**

The allotment of residential houses owned or taken on lease by the Board shall be made as per Annexure 'A' to these Regulations, subject to such modifications as the Chairman, may hereafter, from time to time make therein and payment of rent will be made as provided in these Regulations.

Provided that for any unauthorised occupation of the residence, without the order of the competent allotting authority or its retention beyond the date fixed for vacation, the rent will be recovered at four times the standard rent in addition to any such disciplinary action as may be considered necessary by the Appointing authority. 9(3) If any employee takes occupation of the residence without the orders of the Allotting Authority or continues to occupy such accommodation against the orders of Allotting Authority, four times the standard rent shall be charged from the occupant concerned. **(Words substituted vide order No. 62 dated 28.11.1988)**

9(4) Contravention of these regulations shall be viewed as a breach of the RSEB conduct Regulations or other rules/Regulations applicable to a particular class of employee and shall make the employee concerned to be proceeded with accordingly.

10 (i) Chief Engineer, Addl. Chief Engineer, Deputy Chief Engineer, Controller of Accounts having their families residing with them are entitled to out of turn allotment of residence.

10 (ii) The Allotting Authority may make temporary allotments of any class of accommodation to the following:—

- (i) To Officers newly posted there,
- (ii) To Officers required to move for accommodation pending allotment of permanent accommodation.

10 (iii) As far as possible subject to availability the Allotting Authority will earmark residential building for the following by designation according to which they might be entitled.

- (1) Chief Engineer/Addl. Chief Engineer, Incharge of the Project, under construction.
- (2) Deputy Chief Engineer/Superintending 'Engineer Incharge of the Operation and Maintenance.
- (3) Executive Engineer/Assistant Engineer Incharge of Grid Sub-Station, Generating Station, Operation & Maintenance.
- (4) Employees, entitled to get rent free accommodation, as declared by the Board from time to time.
- (5) Any other employee by name or by designation as may be declared by Chairman.

11 (i) Those employees for whom residential accommodation is reserved by designation should occupy the accommodation thus reserved within a period of one month of their taking charge of such post, failing which rent will be recovered from them according to Regulations, even if the house is not occupied. As soon as an earmarked house is occupied by the employee concerned, he should intimate the date of taking over charge of his post as also that of occupying the house, within a week to the allotting Authority concerned, S. E. (Civil—O&M), Officer In-charge of supply of electricity, water, telephone etc. in that area. Failure in sending this information to the above noted Officers will make the employee liable for payment of full standard rent or the rent payable by the employee whichever is higher, from the last date by which the information was due to be sent and from employees entitled to rent free accommodation, standard rent or rent payable, whichever is less, will be charged.

11 (ii) As soon as a house has been allotted the allottee should on receipt of allotment order, send a letter of acceptance of the allotment, within five days of the date of the allotment order to the Allotting Authority and should occupy the allotted house, within eight clear days after the date of allotment. He should also intimate the actual date of occupation of the house to the (1) Allotting Authority (2) Superintending Engineer (Civil-O&M), (3) Officer Incharge of the supply of water, (4) Electricity in the area. Failure in sending the above information to the Officers noted above immediately after occupation will make the allottee liable for the payment of full standard rent or rent payable by him, as the case may be, whichever is higher, from the last date by which the intimation was due to be sent.

11 (iii) If an employee fails to accept the allotment of a residence under these Regulations within 5 clear days after the date of allotment or fails to move into that residence within eight clear days after the date of allotment:—

- (a) He shall not be eligible for another allotment for a period of six months from the date of failure to accept the allotment. After the expiry of six months, his name may be placed at the bottom of the waiting list. His house rent allowance, if permissible in the area, will not be payable from the date of allotment of house, and
- (b) The residence in question will be re-allotted in accordance with these Regulations.
- (c) The occupant of the residence, while vacating the same shall obtain “No dues certificate” from the Officer Incharge of the supply of water and electricity in that area; failing which the outstanding dues, as reported by these two Departments shall be recovered from his salary.

12 (a) An allotment shall be effective from the date mentioned in allotment letter and accepted by the employee concerned and shall continue until:-

- (i) it is cancelled or is deemed to have been cancelled under these regulations, or
- (ii) it is surrendered by the employee concerned, or
- (iii) the employee concerned ceases to occupy the residence.

12 (b) If an employee proceeds on deputation or transfer out the place of his posting or on foreign service or on temporary transfer, he will vacate the residence allotted to him within a month from the date of handing over the charge at the place of his Posting. If the house is not vacated within a period of one month:

- (i) full standard rent or rent payable by him whichever is higher, will be payable by him for the second month.
- (ii) after the second month four times the rent calculated as per (1) above shall be charged from the occupant. **(Words substituted vide order No. 62 dated 28.11.1988)**

Provided that the Allotting Authority may require the house to be vacated at any earlier period after the date of handing over the charge. If the occupant refuses to vacate even after the second month, or earlier period, as mentioned above, he will be considered to be in unauthorized occupation of the house and liable to pay (1) four times the standard rent or double the rent payable, whichever is higher, with effect from the date, the house was required to be vacated, apart from any other action that the S. E. (Civil—O&M) or any person authorized in this behalf may take— **(Words substituted vide order No. 62 dated 28.11.1988)**

- (a) for eviction, and
- (b) for disobedience of orders.

12 (c) In the case of temporary transfer, if the employee is likely to be posted again at the same headquarters; Allotting Authority may permit an employee to continue to occupy the house and exempt him from payment of enhanced rent, provided it is satisfied that the transfer has been made in the interest of the Board, for a period not exceeding four months and the employee is likely to have his place of posting at the same place within this period. A certificate to his effect shall invariably be endorsed in the transfer order in such cases.

12(d) Where rent-free accommodation has been allotted the allotment in case of transfer shall be treated as cancelled with effect from the date of handing over the charge by the employee concerned. If the house is not vacated by the employee on due date he shall pay

rent for accommodation for the first month at full standard rent and thereafter at **four times the standard rent.** (Words substituted vide order No. 62 dated 28.11.1988)

13. Any Officer to whom a residence of appropriate class has been allotted under these Regulations, may apply for a change of allotment within the same class and preference will be given in order of date of allotment of previous accommodation save under special circumstances. If an employee fails to accept a change of residence offered to him within the time specified in the order, he shall not be eligible for a subsequent change of allotment under this regulation. No employee shall be allowed a change of allotment within the same class more than once under the regulation

14. An Officer may however, be allowed subsequent change of residence within the same class either on the death in that residence of his wife, child or other close relation residing with him or any untoward accident happening in the family provided he applied for a change within a month of such occurrence.

15. Employees to whom residences have been allotted, may with the prior approval of the Allotting Authority in writing exchange residences within the same class.

16. An employee may at any time surrender an allotment made to him under these regulations and if he does so:—

- (a) He will not retain any right on the particular residence allotted to him,
- (b) He will be entitled on a fresh application made in this behalf to another allotment according to his name on the waiting list.

Any employee surrendering an allotment should send a letter to the Allotting Authority. S. E. (Civil—O&M) and Accounts Officer concerned at least 15 days before the date of vacation of the residence. The allotment of residence shall be deemed to have been cancelled with effect from the 16th day of the day on which the letter is received by the Allotting Authority.

17. If the employee to whom a residence is allotted dies, the allotment shall be treated as cancelled with effect from two months after the date of the employee's death or with effect from any date after such death on which the residence is actually vacated, whichever is

earlier. The responsibility of intimating the death of an employee to the proper authorities will lie on the members of his family.

18. If an employee to whom a residence is allotted, retires or resigns or is dismissed or removed from service, the allotment shall be treated as cancelled with effect from two months after the date of retirement, resignation, dismissal, removal as the case may be or with effect from the date after such dismissal, removal, or retirement, on which the residence is actually vacated, whichever is earlier. If such employee does not vacate the house -within two months and continues to occupy the same, without any prior sanction from the Allotting Authority, he will be liable to pay four times the standard rent for the period of such an authorized occupation from the beginning of the third month. The responsibility of intimating the fact of such retirement, dismissal or removal from service to the proper authorities, will lie on the Government servant concerned. **(Words substituted vide order No. 62 dated 28.11.1988)**

## **RAJASTHAN STATE ELECTRICITY BOARD**

(Finance and Rules Section)

No. RSEB/F&R/F. Loose/D. 6

Jaipur, Dated 22nd Jan., 1982

### **ORDER**

References have been received soliciting clarifications with regard to various aspects relating to determination and recovery of rent of residential accommodation. The matter was examined in detail by a Committee constituted vide this office order No. RSEB/F&R/F. Loose/D. 545 dated 12th Oct. 1981. After considering suggestions made by the committee, the following instructions/clarifications are issued with regard to implementation of provisions of RSEB (Determination & Recovery of Rent of Residential Accommodation) Regulations 1980 for the guidance and compliance of all concerned.

(1) In terms of sub-regulation (a) of regulation 3 of the said regulations, the 'Superintending Engineer (O&M)' shall be the "Allotting Authority" for allotment of Board's residential accommodation in their respective jurisdiction.

(2) The Superintending Engineer (O&M) concerned shall prepare and send a list of such quarters, the rent of which has not been calculated after 1st April, 1981, to the Superintending Engineer (Civil), RSEB, Jaipur who will get the rent calculated under Regulation 13 of the said regulations and inform the respective Superintending Engineer (O&M) accordingly, to ensure recovery of rent as per revised assessment.

(3) The Superintending Engineer (O&M) concerned shall maintain an occupancy register and review the position of occupancy of Board's residential quarters. . In cases where it is found that the present occupants were eligible for allotment of Board's accommodation, the Superintending Engineer (O&M) shall issue a formal allotment order in the name of the present occupier under an intimation to respective Circle Accounts Officers who would ensure regular recovery of rent from occupants' as regards unauthorised occupants, the Superintending Engineer (Q&M) shall take immediate necessary action for their eviction. In such cases, apart from the eviction proceedings, till the quarter is finally vacated by the unauthorised occupants, action regarding recovery of rent at penal rates as prescribed under Regulations shall also be taken.

(4) The Superintending Engineer (Civil), RSEB, Jaipur shall advise his Executive Engineers and Assistant Engineers posted in various Circles/Offices to classify all the buildings of the Board, in accordance with revised categorisation and inform respective Superintending Engineers (O&M) accordingly to enable them to take further action in the matter.

The progress of implementation of these instructions shall be reviewed by the above said committee mentioned in para 1, by end of March, 1982.

It is, therefore, enjoined upon all concerned to take immediate necessary action in this regard and send progress report to this office latest by March 15 1982.
