3.01 SCOPE

This specification covers the manufacture, testing before dispatch and delivery of safety belts at our stores.

3.02 SCHEDULE OF REQUIREMENT

S.No.	Particulars	Qty. Required
1.	Safety Belts	8026 Nos.

The quantity indicated above is only provisional and the purchaser reserves the right to revise the same at the time of deciding the tender case.

3.03 SCHEDULE OF TECHNICAL SPECIFICATION

3.03.1 Safety belts shall be manufactured and tested in accordance with the following specification/standard.

(A) REQUIREMENT

The lineman's safety belt shall strictly conform to the requirement of class P of IS: 3521/1999 with latest amendments. This belt shall consist of shoulder strips, thigh strips and waist belt, the waist belt should have two lateral D-rings attached at both ends for the provision of life line to be attached for provision of the user at the pole. The belt shall be made from nylon /polyester or other synthetic material which shall not break with a minimum tensile load of 2000 KG (=19.6 KN).

Marking shall be as per IS with addition of word "JdVVNL".

(B) MATERIAL**i) Webbing**

The belt and harnesses shall be made from nylon or other synthetic material, such as polyester. The material of belt shall have a uniform thickness and uniform width. The waist belt, shoulder strips, thigh strips, Pole straps and the safety belt and harness shall be made from nylon/polyester webbing which shall not break under a minimum tensile load of 2000KG(19.6 KN). The test specimen shall be of entire cross section whose minimum width should be 40 mm confirming to IS 3521: 1999 or latest amendment thereof.

ii) Lanyard.

The lanyard shall not break under a minimum tensile load of 2000 Kg.(19.6 KN). The minimum diameter of test specimen should be 12 mm.

iii) Threads for sewing.

Threading (nylon/polyester) for sewing load bearing components shall have similar physical and chemical properties to the materials being sewn. The perfect stitching shall be done for jointing various sections so that it can bear the load as per Indian Standards.

iv) Stitching

All joints of safety belts shall be stitched perfectly with standard thread so that the safety belt may bear the load as per IS specification.

v) Life line/safety line

Only nylon or polyester or synthetic fiber shall be used. It shall not break under a minimum tensile load of 2000 KG(19.6 KN).

vi) Metal components

All metal components shall be solid or forged in such a manner that the joints are not visible and the jointed part of the metal does not impair the strength or quality. The surface shall be smooth finish and free from any manufacturing defect, burrs of uneven surface. In order to protect all metal fittings against corrosion and /or other chemical reaction, it is necessary that all the fittings should be chromium plated or any other protective coating and the coating of the chromium shall be as per IS specification to provide use /store of the safety belt for a minimum period of 3 years. Care should also be taken that the part of metal fittings mating with the webbing shall be smoothly finish, rounded and designed to prevent damage to the webbing etc.

vii) Hooks

Hooks, clamps or other fastenings and holding devices shall be of similar quality and properly treated or plated. The design of the hooks shall be self closing type and care shall be taken to ensure that if pressure is exerted accidentally on the tongue or latch, they shall not disengage.

viii) Springs

If any springs are used, then they shall be so arranged and loaded that when the hooks are closed, the springs rest in position and are free from any movement until pressure is applied to release or to engage.

(C) TESTS

i) Strength

Hooks and main load bearing metal parts and fittings shall not break under the test load of 2000KG (19.6KN). The load shall be applied as closely as practicable in a manner in which the component is stress in service.

ii) For all safety belts

Aluminum, magnesium or titanium metals or alloys thereof shall not be used. All the material used in the production of safety belts including webbing and rope shall pass the flammability resistance test as given in Annexure-A of IS-3521(1999).

iii) Performance tests :

The attachment of metal parts and load bearing components and the making of splices and joints shall be such that finished assembly shall pass the performance test as given in Annexure-B of ISS.

(Note: The complete assembled safety belts, when subjected to performance test, shall be destroyed to avoid its reuse.)

(D) PACKING AND MARKING

i) Packing: The safety belts and straps shall be suitable packed as agreed between the purchase and the supplier.

ii) Marking on belts and Hardness.
Safety belts and hardness shall be clearly and indelibly marked or permanently labels by any suitable method not having a harmful effect the following information.

Schedule-II**QUALIFICATION REQUIREMENT**

The bidder should fulfill following qualifying requirements for successful participation in the tender along with relevant documentary evidence supporting each qualifying requirement without which the offer shall be considered nonresponsive & rejected.

1.0 STATUS OF BIDDER:-

a) The bidder should be manufacturer and/ or authorized distributor / sole selling agent/dealer of offered items.

b) Old/ New suppliers:- Any bidder located within or outside the state of Rajasthan has participated for the first time in a particular Discom & meeting minimum qualification requirement and has supplied the tendered material/or of higher rating in other utility shall be treated as an old supplier. Rajasthan's firms although supplied in past but not meeting minimum quantity supplied criterion including altogether new units which have not supplied any quantity but having adequate & required manufacturing and testing facility and technical know-how of the tendered material shall be considered as new firms and would be eligible for trial order only. In case of supply made to the licensed power utility outside India, the C.A. certificate furnished by firm shall be considered.

2.0 PAST SUPPLY & PERFORMANCE CRITERIA:-

The bidder shall meet both past supply and performance criteria as detailed below for opening of tenders:-

2.01 PAST SUPPLY:-

2.01.1 The bidder is required to quote for minimum **10%** of tendered quantity failing which their offer may be considered Non-Responsive.

2.01.2 The bidder should have designed, manufactured / fabricated, tested and supplied to utility / Discoms / Govt. Departments at least 2 X QQ (QQ being the quoted quantity) of similar item / higher rating of tendered material / equipment in last 3 financial years from the date of opening of technical commercial bid.

Note: Requirement of quantity manufactured, minimum quantity to be offered and amount of Bank Guarantee to be furnished in absence of test certificate shall be reduced to 25% for Rajasthan based units.

2.01.3 In support of fulfillment of the past supply criteria, the bidder shall furnish documentary evidence in the form of certificate from Chartered Accountant in the enclosed prescribed proforma only. This prescribed proforma should be furnished either in original or copy duly attested by Notary. The bidder shall also sign and affix seal on the C.A. Certificate. The certificate should have membership number with the name & address

of the chartered accountant. Certificate should clearly indicate the quantity supplied, period of supply, voltage Class, Rating of the Transformer etc . in the format prescribed, any deviation to format or information diverted format, will not be considered and rejected.

Note:-The material supplied and accepted for same/higher rating for Turnkey projects to a licensed power utility/Govt. shall be considered for the purpose of evaluating criteria. The certificate given by C.A. shall indicate above quantity separately.

2.02 PERFORMANCE CRITERIA:-

- 2.02.1 i) If a bidder has supplied up to 50% of ordered quantity in previous tender up to date of opening of subsequent tender and scheduled delivery period expired, the bid of such bidder will not be opened in the Discom for that item.
- ii) However, if the supplies have been completed for a quantity more than 50% but not completed up to date of opening of subsequent tender and scheduled delivery period expired, the quantity equal to the quantity pending in previous tender for that item shall be reduced from the subsequent tender quantity to be allocated to the bidder.

3.0 POOR RECORD OF PERFORMANCE AND DELIVERY:

The bidders who have been black listed in any of the state Discom or with whom business relations have been severed in Jodhpur Discom shall not be considered. Severment of business relations will be done in case of following circumstances for the period and with the recovery mentioned against each:

i) When vendor does not accept order awarded on its accepted price and terms and conditions or does not comply with contractual formalities.	Forfeiture of EMD/cancellation of vendor registration to recover amount of EMD along with severment of business relations for three years from the date of issue of order.
ii) When vendor complies with contractual formalities but does not commence supplies.	Levy of maximum recovery on account of delay in delivery along with severment of relations for a period of 2 years from the date of issue of order or in next two bids whichever is later.

4.0 (A) Black listing of a firm:

After having given Show Cause Notice of 30 days, and having established & cogent reasons for blacklisting of the firm as given below, the firm should immediately be blacklisted for a period of 5 years indicating reasons of doing so, in the letter itself, and a copy of such blacklisting should be given to the firm, with the approval of CLPC:-

- (i) There are sufficient and strong reasons to believe that the supplier or his employee has been guilty of malpractices such as manhandling/misbehavior with Government official by supplier or his partner/employee, bribery, corruption or abatement of such a offence in a position where he could corrupt Nigam’s official, fraud, vitiating fair tender process

including substitution of or interpolation in tender, misrepresentation, pilfer-aging or unauthorized use or disposal of Nigam's material issued for specific work etc.

(ii) Where a supplier or his partner or his representative has been convicted by a court of Law for offences involving moral turpitude in relation to the business dealing or where security considerations including suspected disloyalty to the Nigam/state so warrant the blacklisting.

(iii) If the State Bureau of Investigation or any other authorized investigating agency recommends for blacklisting after completing the investigation.

Note: - 1 If a supplier after having tendered for a supply or after negotiations gives application voluntarily vitiating the fair tendering process, it shall also tantamount to malpractice.

Note: - 2 A register containing the reasons for blacklisting the supplier as also the names of all the partner of the suppliers and the allied concerns coming within the effective influence of the blacklisted supplier will be maintained.

Note: - 3 A register of black listed supplier will be maintained which will not only include suppliers enlisted with the Enlisting Authority but also black listed suppliers in Nigam.

Note :-4 A Black listed supplier (i) shall not be entitled for registration in any of the Discom (ii) shall not be awarded any supply order in future in any Discom during the notified period.(iii) his registration if any shall stand cancelled immediately and his registration security /EMD/S.D. shall stand forfeited. (iv) In case of blacklisting of the firm by any one of Discom for the cogent prescribed reason(s) as stipulated above, the same shall be applicable to all the three Discoms and as a consequence of blacklisting, all the pending orders to that firm, will be cancelled in all three (3) Discoms with immediate effect. However in respect of completed/executed contract G.P. obligations as well as other liabilities shall be fulfilled by the supplier.

(B) Severment of Business relation:

(a) After having given Show Cause Notice of 30 days, and having established & cogent reasons for Severment of business relation as given below, the firm should immediately be severed the business relations for a period of 2 to 3 years indicating reasons of doing so, in the letter itself, and a copy of such severment should be given to the firm, with the approval of CLPC:-

(i) The supplier continuously refuses to pay Nigam dues without showing adequate reasons and where the purchasing authority is satisfied that no reasonable dispute attracting reference to Settlement Committee or Court of Law exists for the supplier's action of non-supply.

(ii) When vendor does not accept LOI/detailed purchase order awarded on its accepted prices and terms & conditions or does not comply with the contractual formalities.

(iii) When vendor/supplier who otherwise completed contractual formalities but does not commence supplies on the date of opening of technical bid of the fresh tender/completion of schedule delivery period whichever is later.

Note-1-In case supplier does not deposit outstanding dues towards Nigam, even after completion of severment period, the period of severment will continue.

2. Severment done purely/ mainly on account of non-deposition of dues against the supplier/vendor/contractor could be lifted by CLPC, if the dues are deposited prior to the expiry of such severment period.

3. Severment done by one Discom for non-supply of material and /or corresponding non-recovery of dues will not be effective in other Discoms except in respect of common purchase cases of three Discom.

4. On severment of business, the EMD/SD/vendor registration security will be forfeited.

5. The orders in execution satisfactorily will not be cancelled other than the order on which severment have been done.

(C) DEBARMENT

Reasons on which Debarment can be made:-

(i) The competent authority may debar the supplier on account of his performance or other disabilities, if it is no longer considered fit to remain under vendor registration as per his obligation under vendor registration.

(ii) If at any subsequent stage of inspection of firms after award of contract, it is found that firm does not have sufficient tech. staff or required/necessary technical equipments, the purchasing authority can debar the firm for one year or next tenders whichever is later. The debarment will be lifted only on re-inspection of firm's works; the defects noticed earlier are fully rectified to the satisfaction of Nigam.

(iii) When contract agreement executed and supplies commenced but could supply only up to 50% of ordered quantity and scheduled delivery period expired, then the firm can be debarred for one year or next tender whichever is later in that Discom only for that particular item/rating/ capacity/size etc.

(iv) The suppliers who have been awarded contract for supply of material is not adhering to the periodic delivery schedule, the contract awarding authority reserve the right to terminate the contract and may debar the firm in participating in tender for a period of 2 to 3 years.

Note:-1. On debarment, the EMD/ SD/Vendor Registration security shall be forfeited.

Note:- 2. If the firm is debarred in one Discom for any reasons then the same should not be applicable in other Discom subject to exception that in case of common Discoms purchases such debarment of a firm would be applicable to all three Discoms for that particular item and rating/capacity/size etc.

5.0 APPEALS AND APPLICATIONS:-

Appeal against the order of blacklisting, severment and debarment can be filed before BOD within a period of 3 months from the date of intimation. The letter of appeal will be addressed to the order placing authority. Who will process the case for placing the matter in B.O.D. within a period 60 days. The BOD may reduce or waive the penalty, if sufficient reasons/supporting documents are furnished by the supplier.
