	Date of opening of Technical bid	<b>TN- 2548 to 2558</b> <b>1.12.18 at 3.00 PM</b>

**2. Eligibility Criteria**  
**For TN-2548 Elect.**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 2796318.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same / similar i.e. Experience of maintenance of electrical equipments like HT/LT motors, Switchgear, transformer & heaters in any of the thermal power plant(s) /gas power plant(s) / any process industries during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each  
or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each  
or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence.

**For TN-2549 Elect.**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 4342486.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for the same work as mentioned above / similar work i.e. maintenance of electrical equipments like HT/LT motors/ transformers. The bidder must furnish proof of execution of contract for maintenance / overhauling of at least one HT equipments in any of the thermal power plant(s) /gas power plant(s) / any process industries / any electrical utility/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
  - or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
  - or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence and class A electrical licence (if required).

**For TN-2550 Elect.**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 3958013.50.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same / similar i.e. Experience of O & M of 33/11KV sub-stations , 11/0.4 KV sub station & their network or experience of O&M of distribution network/ GSS in any of the thermal power plant(s) /gas power plant(s) / any process industries / any electrical utility/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
  - or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
  - or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence.

**For TN-2551 CA**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as On date of bid opening should not be less than Rs. 659010.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same / similar nature of work such as removal & transportation of ash / silt/

sludge from canal /de-silting chamber /ash pond /sludge pond /trenches /drainage in any govt./ semi govt./ govt. undertaking department/ any industries during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

or

b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

or

c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

**For TN-2552 TM**

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs 1941211.00.

(ii) The bidder must have an experience of having successfully executed / completed the contract for same / similar work i.e. Mtc. of Boiler Feed pump/ Condensate Extraction Pump/Condenser Vacuum Pump/ Oil pumps in Turbine area/ Coal Mills /ID Fan, FD Fan & PA Fans in Boiler area / main Turbine in any thermal power plant having at least one unit of 110 MW or more capacity during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a.Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

or

b.Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

or

c.One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

**For TN-2553 TM**

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs 642105.00.

(ii) The bidder must have an experience of having successfully executed / completed the contract for same/similar work i.e. Operation & maintenance of EOT Cranes of capacity 100 MT or more in any thermal power plant/ any industries during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a.Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

or

b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

or

c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and must have electrical license.

**For TN-2554 BM**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.2432034.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same/similar work i.e. Maintenance/Overhauling/ Erection of ID/FD&PA Fans /APH in any of the thermal power plant(s) during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost eachor
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost eachor
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

**For TN-2555 BM**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.3368808.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same/similar work i.e. Maintenance/Overhauling/ Erection of ID/FD&PA Fans /APH in any of the thermal power plant(s) during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost eachor
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost eachor
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

**For TN-2556 CHP**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.15933385.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same/similar nature work i.e. work of loading /unloading of coal / minerals from railway wagons through conveyor system during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
- a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
  - or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
  - or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

**For TN-2557 CHP**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.3615048.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same/similar nature work i.e. Operation/ Maintenance work in coal handling plant/ cleaning of railway wagons in any thermal power plant /Organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
- a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
  - or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
  - or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

**For TN-2558 CHP**

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.6623655.

- (ii) The bidder must have an experience of having successfully executed / completed the contract for same/similar nature work i.e. providing of retired railway/ qualified experienced personnel of private railway siding for assistance in railway operation during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
- a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
  - or
  - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
  - or
  - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).
3. The bidder will have to register themselves on website <http://www.eproc.rajasthan.gov.in> for participating in this tender. For this purpose Digital Signature Certificate (DSC) have to be obtained from any agency approved by CCA. This DSC will be used to sign the bids submitted online by the bidder. Unsigned tenders will not be entertained and will be rejected outrightly.
  4. The tender for works shall remain open for acceptance for the period of 120 days from the date of opening of pre-qualification/ technical bid or up to such period as detailed out in tender document.
  5. If any tenderer withdraws his tender prior to expiry of validity period as mentioned at S. No. 6 or mutually extended period or makes modifications in the rates, terms and conditions of the tender within the said validity period, which are not acceptable to the department, or fails to commence the work in the specified period/ fails to execute the agreement, the department shall without prejudice to any other right or remedy be at liberty to forfeit the amount of earnest money given in any form absolutely. If any contractor, who having submitted a tender does not execute the agreement or start the work or does not complete the work and the work has to be put to re-tendering, he shall stand debarred from participating in such re-tendering in addition to forfeiture of earnest money/ security deposit and other action under agreement. If there is strong justification of believing that the tenderer or his authorized has been guilty of mal-practices such as submission of forged documents, influencing individually or politically, his offer will be liable to rejection and in such case his earnest money shall be forfeited.
  6. All tenders, in which any of the prescribed conditions are not fulfilled or which have been vitiated by errors in calculations, totaling or discrepancies in figures or words or other discrepancies, will be liable to rejection.
  7. No conditional tenders shall be accepted and will be rejected summarily forthwith.
  8. The department will not be responsible for any delay on account of late submission of tender due to online submission.
  9. **Physical submission of bids is not allowed.**
  10. The bidder shall ensure that scanned copy of all the schedules as asked in tender document have been filled up and attached with the bid submitted in electronic format.
  11. The acceptance of the tender will rest with the competent authority who does not bind itself to accept the lowest tender, and reserves to itself the authority to reject any or all the tenders received without assigning any reason.
  12. No refund of tender fee/e tender processing fee is claimable for tenders not accepted or forms not submitted.
  13. All other conditions shall be prevailing as detailed out in the departmental tender document (in the respective sections/ volumes).
