The objectives of this Committee are to:

- monitor previously unrecognized adverse drug reactions (ADR) or changes in the pattern of known ADR.
- determine the risks and benefits of use of medicines and to implement necessary actions for their safe usage.
- Provide information to stakeholders to optimize safe and effective use of medicines.
- The Committee shall assist in the formulation of broad professional polices regarding the evaluation, appraisal, selection, procurement, storage, distribution, use, safety procedures and all other matters relating to drug usage in the hospital.
- Preparation and maintenance of hospital formulary.
- Bring out hospital drug bulletin.
- Suggest measures to reduce ADR.
- Promote & suggest usage of least ADR Drugs.
