No. AVVNL/ CE(COMML)/XEN(C-II) /F./2016-17/D. 758 Ajmer Dated 23 5 16

Order

Sub: - Shifting of electric lines (HT/ LT overhead) and other structures which are hazardous to human life & property during the compaign of 'Surakshit Bijli Abhiyan'

In accordance with the order. No. AVVNL/CE(CTM)/XEN-I/F 57(F) /2008/D. 2991 dt 18.09.2008 (Comml Aj 376) electric lines & other structures which may prove hazardous to human life & property can be shifted from one place to another place by recovering only 50% (fifty percent) of the total cost of estimates for shifting from person/ agency desiring such shifting. The balance 50% (fifty percent) cost would be borne by Ajmer Discom.

Subsequently, looking to the financial constraints / problems in depositing the 50% amount by the Govt. School authorities and for safety of students, an order No. AVVNL/CE(Comml)/XEN-II/F-57(F) /2012-13/D.4828 Ajmer dt 11.02.2013 (Comml Aj – 515) issued vide which it was considered to relax the condition of depositing 50% of the cost of estimate for shifting of hazardous line passing over Govt. School buildings and in such cases total amount of the estimate shall be borne by the Nigam.

Recently, during Video Conferencing held on dated 07.05.2016, Hon'ble State Energy Minister, GoR directed for shifting of all hazardous over head lines and other support structures passing over / near the buildings to avoid the electrocution incidents during "Surakshit Bijli Abhiyan" being launched for the period 16.05.2016 to 15.06.2016.

Therefore in order to avoid electrocution incidents at the places of public gathering it is decided that LT /HT lines passing over Govt. schools & Govt Hospitals may be shifted on Discom's cost during the compaign period.

Further in order to expedite the sanction of the total estimates for shifting of hazardous overhead lines, following revised powers are delegated, to accord administrative approval as well as technical sanction for HT/LT line shifting estimates exclusively for the campaign period i.e.16.05.2016 to 15.06.2016.

AEN	-	Upto Rs. 5 Lacs.
XEN	-	Upto Rs. 10 Lacs.
SE	-	Upto Rs. 25 Lacs
CE/ZCE	-	Full powers.

The work against sanctions issued during campaign period should be executed within 15 days from sanction positively.

It is also advised that the field officers should ensure that no new structure is created under the overhead line and also ensure timely intimation / issuance of notice to the concerned.
