Sub:- Regarding levy of Electricity Duty, Water Conservation Cess, and Urban Cess on the quantum of assessment for Civil Liability.

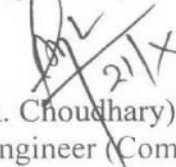

The RERC Notification No. RERC/Secy/Reg-49, in respect of RERC(Supply Code & Connected Matters) (Fourth Amendment) Regulations, 2006 (circulated vide order Comml.AJ 300 dt 18-06-2007) prescribes the formula at point (d) for Quantum of Provisional Assessment against Theft of Energy u/s 135 of Electricity Act-2003. The amount of civil liability shall be provisionally assessed twice the tariff charged as per tariff schedule in vogue during the period of assessment. Doubts have been raised regarding levy of Electricity Duty, Water Conservation Cess and Urban Cess on the quantum of provisional assessment resulting which different practices are being followed in the field.

To maintain similar policy under all the three Discoms, the matter of levy of Electricity Duty, Water Conservation Cess, and Urban Cess on the quantum of electricity for provisional Civil Liability was discussed in 54th Discom Coordination Forum meeting held on 26th August, 2013 wherein it was clarified that apart from the prescribed charging vide aforesaid notification, the Electricity Duty, Water Conservation Cess and Urban Cess are to be levied on the quantum of electricity provisionally assessed for civil liability.

Further it is also clarified that Electricity Duty, Water Conservation Cess and Urban Cess are to be levied at single rate on the quantum of electricity (Units).

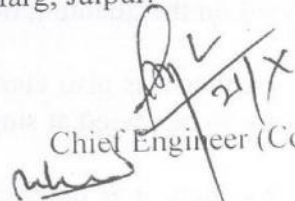

As such, it is hereby enjoined upon all the field officers to adhere the above instructions strictly.

By Order,
