**ORDER****Sub: Procedure for testing of more than one CTPT sets at manufacturer's works offered by empanelled vendors.**

For convenience of prospective consumers, the procedure for bulk inspection of 11 KV & 33 KV CTPT sets of class 0.5s offered by the empanelled vendors, are prescribed as under:

- i. The empanelled vendor, will offer to the SE(M&P), AVVNL, Ajmer a lot of CTPT sets of assorted rating and ratios which they intend to sale to prospective consumers along with charge for witnessing the testing of metering equipment at Manufacturer's Works as per TCOS.
- ii. The maximum lot size of each rating of CTPT set shall be upto 10 Nos.
- iii. On receipt of such request along with requisite fees, the S. E. (M&P), AVVNL, Ajmer shall nominate inspector, for inspecting the material as per existing technical specification.
- iv. The Inspector shall seal the CTPT sets, with 2 Nos of seals on diagonally opposite side of top cover, one on rating and diagram plate, one each on all clamps of bushing. The inspector shall submit the report to the S.E.(M&P). AVVNL, Ajmer who shall approve the report and clear the material for supply to the prospective consumer. The inspected lot cleared by the S.E.(M&P), Ajmer shall be kept ready by the firm for supply to the prospective consumers.
- v. The charges deposited by vendor for witnessing / testing shall not be refunded, even if material is failed under testing.
- vi. The prospective consumer may purchase the inspected CTPT sets from the vendor and deposit the CTPT set along with testing charges with the concerned sub divisional officer who will get the CTPT set tested in the Meter Lab before installation.
- vii. The inspected lot shall be valid for six months from the date of inspection.
