OFFICE OF THE DY. CHIEF ENGINEER COMMERCIAL

No. AVVNL/ Dy.CE/ (C)/ XEN-I/ F.57 (G) / 2009/ D. 3885 Ajmer,

Dated: 14-12-09

Clarification Order

Sub:- Release of connections under NDS category to various Organization/ Commercial entities requiring large number of electric connections at various locations in the area of Ajmer Discom.

Procedure was prescribed vide Order No. 3281 dt. 01.12.06 (Comml. AJ-268), for entertaining the files for release of connections expeditiously in respect of connections under NDS category to various organizations / Commercial entities requiring large number of electric connections. Reports have been received that in many sub-divisions, the orders are not being implemented in its right sprits.

Such applicants desiring power connections were required to deposit Rs. 1.0 lacs per connection as interest free advance with the Discom. The AEN concerned was to issue the demand notice as per priority and the demand note was to be considered as deposited on the date of issue of demand notice in lieu of depositing the advance amount.

In many cases the field officers are considering the advance amount of Rs. 1.0 lacs as over and above the amount of demand notice, which is not correct as per the prescribed norms. In order to allay all doubts it is clarified that the advance amount of Rs. 1.0 lacs be adjusted in the demand notice and if some is in excess of amount of demand note the same is to be refunded to the firm. However, if the amount of demand notice is more than 1.0 lacs the difference is to be recovered from the firm.

In a nut shell it is once again clarified that the advance amount of Rs. 1.0 lacs is not to be considered as amount over and above the amount of demand note. The amount of 1.0 lacs shall have to be adjusted accordingly in the demand note to be issued by AVVNL. In case the firm subsequently, requests for withdrawal of application or does not require any connection, the advance amount of Rs. 1.0 lac if deposited by the firm be accordingly refunded as per normal rules.
