CLARIFICATION

Sub :- Clarification regarding release to Petrol Pumps in rural areas as circulated vide order No. AJ-394.

The Circular No. AVVNL/Dy. CE (C)/F. 57/D. 4224 dated 30.01.09 (AJ-394) was issued for releasing connections to Petrol Pumps in Rural areas (Both Abadi & Non Abadi) in the non-domestic categories. Various doubts have been raised by the field officers regarding implementation in releasing connections for Petrol Pumps beyond 5 KW load desiring 24 Hr. supply.

The matter has been considered and it has been decided that condition No. B(i) & (iv) of the said order No. AJ-394 may be substituted by following :-

B-Petrol Pump connections beyond 5 KW (24 hrs. supply).

- (i) "The connection can be released by extending line from the nearest 24 hrs. supply 11 KV feeder.
- (ii) "The metering may be allowed on LT side and in such cases 3% transformation losses may be added to the recorded consumption. However for such condition the concerned XEN should be competent to accord approval for the same".
