(COMMERCIAL WING)

No. : AVVNL/CE (Comml.)/XEN-I/F. /D. 320/ AJMER Date : 01-12-06

ORDER

Sub. : Release of connection under NDS category to various Organization/ Commercial entities requiring large number of electric connections at various locations in the area of Ajmer Discom.

It has been represented by M/s Bharti Hexacom Ltd., (Brand Name "Airtel") that there is considerable delay in release of NDS connections to them. They are in the process of rapid expansion plan to establish world class telecom infrastructure in the remotest & smallest towns of Rajasthan. For this purpose they require large number of electric connections expeditiously at various locations in the area of Ajmer Discom.

The matter was put-up before the Co-ordination Committee in its 97th meeting held on 28.9.2006. The Committee has decided that in cases where the companies/parties require a large number of power connections under NDS category at different locations in the area of Ajmer Discom, the following procedure be adopted for release of connections expeditiously in line with the procedure being followed in Jodhpur Discom :

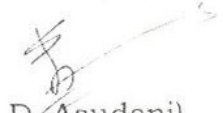

1. The Firms/Commercial Entities desiring power connections is requested to deposit Rs. 1 Lacs per connection as interest free advance with the Discom.
2. The Firm/Commercial Entity shall deposit the application form along with the prescribed application fee in the office of concerned Assistant Engineer. The Assistant Engineer of Discom would be competent to accord technical & financial sanction for such cell site connection.
3. The demand notice shall also be issued as per priority. However, the demand notice shall be considered as deposited on the date of issue of Demand notice shall be considered as deposited on the date of issue of Demand Notice as advance amount would be deposited with Ajmer Discom by Airtel.
4. The Assistant Engineer will not be required to wait for deposit of DN amount and sundry job order would be issued by him.
5. On receipt of "L" form by Airtel, sundry job order be executed & line/sub-station work completed and connections released.
6. The Consolidated information of release of such connections shall be regularly sent by the Assistant Engineers to the Circle Superintending Engineer who will send consolidated information of his circle to Chief Engineer (Comml.) at the Nigam Office.

(R. K. Verma)
Chief Engineer (Comml.)
