**Sub:- Regarding power factor for the purpose of billing
power factor incentive and/or surcharge.**

In pursuance to clarification issued by Hon'ble Rajasthan Electricity Regulatory Commission, an order No. 200 dt. 13.4.07 (Comml AJ-290) was issued. The procedure was prescribed for the purpose of considering power factor for the purpose of billing power factor incentive and/or surcharge. Now the Hon'ble RERC has reviewed its earlier clarification and revised clarification has been issued on 19.5.06. The matter was discussed in the Coordination Committee in its 106th meeting held on 21.6.07 and it has been decided that clarification now issued by RERC vide its letter No. 164 dt. 19.5.07 be followed. The Hon'ble Commission has issued the following clarification:-

"The clarification given by the Commission vide letter No. RERC/Secy/IS(T) /F.298/D. 1532 dated 26.12.06 has been reconsidered by the Commission and it is clarified that 1% step as one percentage point is required to be crossed over for allowing the incentive for power factor above 95% as also for the levy of surcharge for the power factor going below 90% as one percentage point".

It is enjoined upon all the concerned officers/official that henceforth the power factor for the purpose of calculating power factor incentive/surcharge may be taken as clarified herein above. For this purposes, the following examples will further clarify the matter so that it may be applied uniformly throughout the Ajmer Discom:-

Example:

Power factor 0.899 to 0.891 to be considered as 0.90

Power factor 0.869 to 0.861 to be considered as 0.87

Power factor 0.971 to 0.979 to be considered as 0.97

Power factor 0.941 to 0.949 to be considered as 0.94

The Coordination Committee also decided that this clarification shall be applied with effect from the billing month of **May-2005** onwards for making recovery of extra incentive paid/refunding extra surcharge charged. The earlier order No. 200 dt. 13.4.07 (Comml AJ-290) shall stand withdrawn. All concerned officers are also requested to immediately start recasting of bills on account of clarification now issued by RERC and necessary adjustment may be done accordingly.
