AJMER: DATE 30/11/2007

**ORDER**

**Sub:- Regarding rebate in tariff @ 10% to Domestic connection in Rural areas. Guidelines for billing the Domestic consumers getting round the clock supply in rural areas consequent to FRP.**

In pursuance to Tariff Order dated 17.12.04 issued by the Rajasthan Electricity Regulatory Commission, an order No. AVVNL/CE (Comml.)/XEN-I/F./2004/D-5033 dated 31.12.04 was issued prescribing various provisions and tariff for supply of electricity to all categories of consumers. It was made effective w.e.f. 1st January 2005.

In the said Commission's Tariff Order dated 17.12.04, at item No. 105, it was prescribed that "in rural areas where round the clock supply of electricity is provided, 10% rebate in energy charges shall not be available". This provision was also incorporated at Note-2 under "Domestic Service (Schedule DS/LT-I)" of the order No. 5033 dated 31.12.04, "Tariff for supply of Electricity-2004", issued by Ajmer Discom.

The work of FRP has been completed on many rural feeders and a large number of domestic supply consumers have started getting round the clock supply. Obviously the rebate @ 10% is not admissible to them.

Therefore, according to the provisions of Tariff for supply of Electricity-2004, the rebate of 10% as detailed above shall have to be discontinued. For this purpose following guidelines are issued:-

**Guidelines**

The Zonal Chief Engineer concerned shall issue order for discontinuing the rebate of 10% in energy charges being allowed to Domestic supply connections in rural area after ascertaining the following:-

1. Certificate from the AEN (O&M) concerned that losses on the feeder are less than 15%.
2. Certificate from AEN (O&M) concerned that round the clock supply had been made available to the feeder / village.
3. Certificate from feeder manager concerned that round the clock supply to the feeder has actually been made available.
4. Certificate from Sarpanch Gram Panchayat of the area that the feeder / village is getting round the clock supply.

By Order,

  
(K.C. Modi)
