

AJMER VIDYUT VITRAN NIGAM LIMITED
(COMMERCIAL WING)

No. AVVNL/Dy.CE(Comml.)/XEN-II/F-57(F)/2012/D. 508 Ajmer, Dt 21/5/2012

ORDER

Sub.: Regarding release of HT-LIP connection(s) for an Induction Furnace/Arc Furnace Units.

As per erstwhile RSEB Order No. 11722 dated 16.07.1990 the powers were delegated to accord the sanction of load for releasing of various categories of consumers to the officers on the basis of connected load/Contract Demand. Erstwhile RSEB vide order No. D.2919 dated 04.10.1997 has prescribed to send the cases of Arc/induction furnace to Corporate office for sanction/approval of Chairman.

The matter was reviewed in the 35th Discom Co-ordination Forum meeting held on 30.03.2012 wherein to arrange early sanction it was decided that the sanction of load for releasing new connections as well as load extension/reduction in case of Induction/Arc furnace cases be accorded by the officer authorized as per Delegation of powers issued vide order No. D.11722 dated 16.07.1990 and SCO be issued with the condition that connection would be released after providing/installation of harmonic filter devices to avoid undue disturbance to other industries due to harmonics so generated by them according to nature of load. The M&P Wing Officers while releasing of new HT-LIP connection to Induction/Arc Furnace unit will also ensure the installation of harmonic filter devices and record the same in JIR.

However, in case of load extension the concerned XEN (O&M) prior to sending such cases of load extension to Commercial Wing will ensure installation of requisite harmonic filters for the load already sanctioned and record certificate for the same and will ensure the same prior to signing service connection order for extended load and same will also be checked by concerned M&P Wing officer accordingly and record the same in JIR.

It is enjoined upon all concerned to ensure the strict compliance.

This order is issued in supersession to all previous orders and shall come into force with immediate effect.

By Order,

(G.R. Choudhary)
Dy. Chief Engineer (Comml.)
