ORDER

Sub:- Providing DO Fuse link / Horn Gap Fuse Set on transformers for protection.

Earlier order No. Comml. AJ 733 dated 21.03.2018 was issued for releasing AG connections after installation of proper GO/DO Fuse link on transformers for their protection. It is observed that the same is not followed in the field in right spirit.

It is therefore again enjoined that new connection of all categories shall be released after installation of proper DO Fuse link / Horn Gap Fuse Set on transformers for protection purpose. Also on the existing single phase and three phase transformers where DO Fuse link / Horn Gap Fuse Set are not provided earlier, now the same should be provided invariably.

The compliance of the above instructions shall be ensured by field officers strictly.

By Order,

Addl. Chief Engineer (HQ)
AVVNL Ajmer
