Order

Sub: Regarding relaxation in applicability of Supply Voltage.

Presently, there is a provision in Supply Code and Connected matters Regulation-2004 at clause -4 note (iv) and also in TCOS-2004 that Nigam may allow supply to a consumer at a voltage level one stage higher or lower in exceptional circumstances.

The matter was discussed in 181th Co-ordination Committee meeting held on 5th June 2015 and it was decided that Discom should use the discretion given in the Supply Code sparingly in the rarest of the rare cases.
