

**AJMER VIDYUT VITRAN NIGAM LIMITED**

HATHI BHATA, CITY POWER HOUSE, AJMER-305001

No. AVVNL/CAO(R&C)/AAO (Rule)/F- 81 /OO/D. 4/20 Dated 7.2.2012

ORDER

The progress of various projects/ works being executed under R-APDRP (Part-B), GPVVY and other ST works (new 33 KV sub-stations and allied works) etc., was reviewed and deliberated at length. The difficulties regarding non-availability of requisite and matching material resulting incompletion of project/ works beyond their schedule completion period was appraised. It was also stated that desired quality/ proper standard are not achieved when high value works are got done on C.L.R.C. from local registered contractors. All high value projects/ works need deep technical know-how, tool & plant and resources for timely execution of works/ project to reap the envisaged benefits, which can hardly be achieved through the present ongoing model of Central Labour Rate Contract (CLRC) as per past experience. Moreover, in C.L.R.C. system, contractor draws the material for various works and uses it, as per his convenience, due to lack of monitoring and control of field officers. Wherever material is to be retrieved under C.L.R.C. system, it could not safeguarded against pilferage/ theft and misuse of material. In most cases record of retrieved material was not found maintained/ available.

In view of the above shortcomings, a conscious policy decision has been taken that following works will be undertaken on Turnkey System basis:-

- (1) 33 KV sub-station line works.
- (2) R-APDRP part-B works valuing Rs. 5 Cr. and more.
- (3) Other sub-transmission works valuing Rs. 1.5 Cr. and more.
the works in vicinity may be clubbed for better work management and control.

Note: This will also facilitate consolidation of works & expeditious details scheme-wise so as to take proper claims from Financial Institutions/ Banks.

It is further stated that if any of the above referred works is to be done on urgent basis in the interest of Nigam and for which material arrangement to meet urgency is not a bottleneck, such works could be undertaken under C.L.R.C. system with prior approval of WTDs.

By Order,
(M.K. Jain)Chief Accounts Officer (R&C)
AVVNL, Ajmer

Office order (Rules)
