It is the sole responsibility of the contractor to get his workmen insured under workman compensation Act. & Rules, while at work, as required by relevant rules and workmen compensation and pay compensation, as per act and provision/rules made there under. The work is to be carried out by you hence all precautionary measures shall be required to be taken at your end for the purpose of insurance. The department shall not be responsible for any accident, mishappening, theft of material etc. in any way. In case of any loss/theft/accident the same may be recovered or born by the contractor.

14. PAYMENTS:
The payment shall be arranged by the Accounts Officers (T&C-JPR CITY) Jaipur City, RVPN, Heerapura through RTGS/NEFT for running and final bill (as submitted by you) after deduction of 10% security deposit and statutory deductions as per rule on receipt of running/final bill duly verified by the AEN-II(T&C-JPR City)- In-Charge of the work duly counter signed by
the Executive Engineer (T&C-JPR CITY-Jaipur City) ,RVPN, Heerapura.

Security deducted from running and final bill will be refunded only after completion of six months from the date of completion of the work to the satisfaction of the Assistant Engineer in charge / Executive Engineer (T&C-JPR CITY)Jaipur City, RVPN, Heerapura, unless otherwise specifically required to be detained/forfeited by Nigam.

15. PRESENTATION OF BILL:

Running bill of the work carried out shall be submitted in triplicate to the concern Assistant Engineer In-Charge of the work and after verification it by the AEN-II(T&C-JPR City) - In-Charge then submitted to the Executive Engineer (T&C-JPR CITY)Jaipur City, RVPN, Heerapura for the counter signature. The Executive Engineer (T&C-JPR CITY)Jaipur City, RVPN, Heerapura shall forward the same to the Accounts Officer (T&C-JPR CITY) Jaipur City, RVPN, Heerapura for payment after deducting the amount of statutory deduction as applicable.

16. PENALTY:

In case any delay in completion of the work a penalty @ 1/2 % per week or part thereof subject to maximum 10% value of delayed / unexecuted work shall be imposed and recovered from you. In case unsatisfactory progress the work shall be got done from any other agency at your risk and cost. In the event of failure of the Contractor to execute the work in the scheduled time and/or the work is not executed properly as per the specification, the RVPN at its discretion can execute the work departmentally on your risk and cost. Thereby penalty equivalent to 10 % and 15% supervision charges of unexecuted work may be imposed on you.

17. AGREEMENT:

You will have to sign an agreement as per Nigam’s standard Performa’s on Non Judicial stamp paper as per stamp duty applicable of Govt. of Rajasthan in prescribed Performa within 15 days from the receipt of this work order or before start of the work whichever is earlier.

18. ERECTION INSURANCE:

The contractor shall take suitable storage cum erection insurance policy for entire project at his own cost, the estimated cost of project for the purpose of insurance will be intimated by the In-charge of work.

The contractor shall also ensure the following :

I) Contractor shall take storage cum erection insurance policies for entire project. However the insurance premium could be paid on installment basis, but it will be the responsibility of the contractor that the installments are paid well within the time. In case the insurance is on
installment basis, the receipt of payment of each installment shall be submitted to SE (T&C-JPR CITY Jaipur City)-work In-charge and A.O. (T&C-JPR CITY Jaipur City) by the contractor.

II) Deductible franchise should be minimum as per insurance rules. In case of any loss to the extent of deductible franchise, the same shall be borne by the contractor.

III) However insurance may be arranged by the contractor prior to issue of material to him and shall remain valid up to 30 days from the date of handing over of the work to the Engineer-incharge. However responsibility for any loss/damages will be to the contractor's account.

IV) A policy indicating discount on account of "EXCESS" is not to be accepted.

V) Insurance policy shall be drawn in favour of the project indicating the full name of work.

VI) Insurance policy shall be taken from Jaipur based office of nationalized insurance companies, however for the contractor whose office is situated outside the Rajasthan, the insurance policy may be taken from place where such office is situated.

VII) Insurance policy shall be in combined name of RRVPN and contractor.

VIII) Computerized and stamped insurance policy shall be furnished by the contractor to the SE (T&C-JPR CITY ) RVPN, Jaipur City for its Acceptance.

IX) A copy of Computerized and stamped insurance policy shall also be furnished by the contractor to the incharge who on receipt of its acceptance issued by SE (T&C-JPR CITY ) RVPN, Jaipur City, shall issue the material.

If work is not completed within the schedule completion time, the extension of insurance policy shall be arranged by the contractor. A part of the premium paid to the Insurance company for this extension, corresponding to the delay on the part of RVPN, shall be reimbursed to the contractor on finalization of time extension case. However part of the premium corresponding to the delay on the part of the contractor shall be borne by the contractor.

Deviation to this clause will not be acceptable. It is in the interest of contractor to take insurance policy for a longer period.

19. Labour cess.

You will have to require registration of workers under the Building and other construction workers under the Act. Deduction of the cess at source will be made as per provisions of the said Act in force from time to time which will be deducted from the each running/final bill.

20. QUALITY:

The work is to be carried out as per Drawing and proper work quality with material shall be ensured and checked by the work in-charge strictly as per specification of G-Schedule/BSR etc. and record a certificate to this effect in the MB
21. **P.F.:**

You should have to submit a certificate every month that your establishment cover under the Employees Provident Fund and Misc. provision Act, 1952 and is having a separate code no. with the provident fund commissioner and also that the provident fund contribution in respect of all the employees employed by you along with employer’s share of contribution etc. is being deposited with the Provident Fund authorities and shall also submit charges in respect of all the employees engaged by you for the said work with RVPN along with details of the employees, their wages and the amount contribution as per RVPN CPF Rules every month. In case of failure RVPN shall be entitled to deduct 16% of the amount of your bill.

22. **DISPUTES:** All disputes, differences, questions, whatsoever arising between the NIGAM and Contractor upon or in relation to or in connection with the contract shall be deemed to have arisen at JAIPUR (RAJASTHAN) only and no courts other than courts in Jaipur shall have jurisdiction to entertain the same.

The RVPN has constituted the centralized standing committee for settlement of disputed claims under conditions of contract relating to RVPN

23. **CONTRACTORS RESPONSIBILITY:**

i) Supervision and control of the work/ job will be contractor’s responsibility.

ii) Contractor shall be solely responsible to obtain and abide by all necessary licenses/permissions from the concerned authorities as provided under the various Labour laws, legislations including Labour licenses from the competent authority under the contract labour (regulation and abolishment) Act.1970.

iii) Supervision, control and regulation of condition of the workmen engaged by the contractor shall be his responsibility and RVPN will have no direct connection with the workers of the contractor.

iv) The work / job shall be executed exclusively in accordance with details, instructions as specified by the Engineer-In charge.

vi) Contractor shall ensure and will be solely responsible for payment of wages and other dues. The RVPN shall not be responsible in any manner for any Act. Or omission of the worker engaged by the contractor. No claim in this regard shall be entertained by RVPN. If by virtue of any law in force, RVPN is made to pay any amount by way of penalty / damage / fine etc., RVPN shall recover the amount so paid along with other expenses incurred by RVPN to defend such cases.

24. INDIAN ELECTRICITY ACT:

All the works covered by the Contract shall be in accordance with the Indian Electricity Act, 1910 with the latest amendments and the Electricity rules made there under.

i) The contractor shall have PF no. from the concerned PF commissioner. He shall have to get himself registered within due course of time.

ii) Contractors should ensure that no permanent liability is created on the RVPN. All liabilities relating to his persons shall be contractor’s liability

25. MEDICAL SUPERVISION & CARE:

The contractor shall be fully responsible for providing safety equipment first aid and emergency medical treatment to his employees. Necessary arrangement for this purpose shall be made by the contractor.

26. LIABILITY FOR DAMAGES:

i) If due to contractor negligence and / or non-observance of safety and other precautions, any accident/injury occurs to any other person/public the contractor shall have to pay necessary compensation & expenses, if so decided by the statutory authorities under labour laws and / or rules made there in force from time to time.

ii) If due to contractor carelessness, negligence of non-observance of safety precaution damage to RVPN property and personals should occur, the same will be recovered from the running bills of the contractor and / or from his security deposit.
27. REGARDING PERSONNEL OF CONTRACTOR :-

i) The Engineer-in-charge shall be at liberty to object to the supervisor or any person employed by the contractor in the execution of the work who commits misconduct or be incompetent, or negligent and the contractor shall remove the person so objected by Engineer-in-charge or on receipt of notice in writing requiring him to do so and shall provide in his place competent supervisor/person at the contractor’s expenses for the work.

ii) Contractor/his representative/Supervisor shall abide by all general rules and regulations in force on the site and to any special conditions imposed by the local administration. The general discipline of the plant shall be maintained.

28. PENALTY FOR DELAY IN EXECUTION OF WORK.

The contractor has to discharge the duties timely as per terms & conditions laid down in the contract. In case of any default or delay on the part of the contractor for not completing the work in time as per requirement of work, recovery shall be made from his running bills as described in clause 10.

29. ACTION FOR NEGLIGENCE AND DEFAULTS OF THE CONTRACTOR:

i) If the contractor fails to discharge the duties as per terms and conditions laid in the contract or causes delay in carrying out a piece of work, the order placing authority or the concerned Engineer in charge at his discretion will be entitled to effect, the deduction from the contractor’s bills as described in bid specification.

ii) If it is found that the lapses on the part of the contractor are repeated every day and there is no improvement in the working inspite of informing the contractor by Engineer in charge verbally and / or in writing from time to time and also making deductions under aforesaid clauses of the contract, may after giving 7 days notice in writing to the contractor to terminate the contract beside getting the work done from other agency even during the notice period at cost and risk of the contractor and reserves the right to recover such from bills of the contractor and / or security deposit or otherwise.
30. TOOLS & PLANTS ETC. :-
All required general tools and plants for completing the specified work shall be provided by the contractor, however, the major special T&P shall be provided by the Nigam, if available for completion of work. Any damage to the Nigam’s tools and plant’s shall be recovered from the contractor.

31. SAFETY DEVICES :-
The contractor shall provide all the required safety appliances to the workers/staff as may be warranted for the safety of the workers during the course of the work. Safety devices like safety belt, safety Helmet, welding glass, welding gloves, Asbestos gloves etc shall be kept at site for use by workers.

32. DISPOSAL OF WASTE MATERIAL:
The contractor shall not leave any waste material at the site of work on completion of the job. The waste material should be removed and disposed to a place to be indicated by the Engineer in charge. The contractor's bills shall not be verified unless the work site has been completely cleared off all the waste material / debris.

33. WORK PERFORMANCE :-
The work performance shall be generally as per terms and condition laid down in specification and also to be the entire satisfaction of Engineer In charge. In case where any abnormality is observed on count of poor workmanship within the period of one month after completion of work, it shall be attended again at no extra cost. The work performance if still not found satisfactory then the work shall be got executed from other agency at the risk & cost of the contractor.

ANNEXURE-II
(Format for indemnity bond)

INDEMNITY BOND

Know all men by these presents that we …………………………………………………………….(herein after called ‘The Contractor’ which expression shall, where the context so admits include their, heirs, executors, administrators and legal representative as well as successors and permitted assignees) are hereby held and firmly bind to the Rajasthan Rajya Vidyut Prasaran Nigam Ltd. (herein after called ‘NIGAM’ which expression shall, where the context so admits include its successors and permitted assignees) to refund the full amount of owner supplied material made available by the Nigam under the terms and conditions of work order No. ……………………………………… for the work of……………………………………………... If any loss, damage or deterioration of what so ever nature occurs to such material which is held by us at our site stores at works site, in trust for and on behalf of the Nigam and or if any of such material or fabricated articles made there from are in inspection by any officer authorized by the Nigam in this behalf are found to be defective and rejected by such officer. We, hereby further bind ourselves that the amount of such refund may be deducted by the Nigam from any sum, which at any time thereafter may become due to us under said work order or any other contract entered into by us with the Nigam.

We bind ourselves firmly by these presents dated …………………………… and whereas the contractor do hereby agree to be responsible for the safe custody and protection of the said material against all risks (excluding war risks) and against loss, damage and deterioration of whatsoever nature in respect of the said material while it remains in the custody and possession of the sub-contractor / contractor.

AND WHEREAS the said material shall at all time remains open for inspection by any officer authorized by the Nigam. Now the conditions of the above written bond are such that: -
1. The said contractor shall refund the full amount against the material as has been supplied by the Nigam to them in respect of which loss, damage or deterioration of whatsoever nature, except due to circumstances arising out of war has occurred.

2. The contractor shall keep the said material open at any time for inspection by the officers authorized by the Nigam till the said material is utilized by the contractor on the said works and balance / surplus material is deposited with In-charge of the works. If the material account is settled than the above written bond shall be void and of no effects, otherwise the same shall be and remain in full force.

IN WITNESS WHEREOF we the said have hereto signed at Jaipur in the presence of: -

Annexure –A: Compliance with The Code of Integrity and No Conflict of Interest

Any person participating in a procurement process shall –

(a) Not offer any bribe, reward or gift or any material benefit either directly or indirectly in exchange for an unfair advantage in procurement process or to otherwise influence the procurement process;

(b) Not misrepresent or omit that misleads or attempts to mislead so as to obtain a financial or other benefit or avoid an obligation;

(c) Not indulge in any collusion, Bid rigging or anti-competitive behavior to impair the transparency, fairness and progress of the procurement process;

(d) Not misuse any information shared between the procuring Entity and the Bidders with an intent to gain unfair advantage in the procurement process;

(e) Not indulge in any coercion including impairing or harming or threatening to do the same, directly or indirectly, to any party or to its property to influence the procurement process;

(f) Not obstruct any investigation or audit of a procurement process;

(g) Disclose conflict of interest, if any; and

(h) Disclose any previous transgressions with any Entity in India or any other country during the last three years or any debarment by any other procuring entity.

Conflict of Interest:-
The Bidder participating in a bidding process must not have a conflict of interest. A conflict of interest is considered to be a situation in which a party has interests that could improperly influence that party’s performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations.

i. A Bidder may be considered to be in conflict of interest with one or more parties in abiding process if, including but not limited to:
   a. have controlling partners/shareholders in common; or
b. receive or have received any direct or indirect subsidy from any of them; or

c. have the same legal representative for purposes of the Bid; or

d. have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the Bid of another Bidder, or influence the decisions of the Procuring Entity regarding the bidding process; or

e. the Bidder participates in more than one Bid in a bidding process. Participation by a Bidder in more than one Bid will result in the disqualification of all Bids in which the Bidders is involved. However, this does not limit the inclusion of the same subcontractor, not otherwise participating as a Bidder, in more than one Bid; or

f. the Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the Goods, Works or Services that are the subject of the Bid; or

g. Bidder or any of its affiliates has been hired (or is proposed to be hired) by the procurement Entity as engineer-in-charge/consultant for the contract.
Annexure –B: Declaration by the Bidder regarding Qualifications

Declaration by the Bidder

In relation to my/our Bid submitted to..............................................for Contract of..............................................in response to their Notice Inviting Bid No..................................Dated..................................I/we hereby declare under Section 7 of Rajasthan Transparency in Public Procurement Act, 2012 that:

1. I/we possess the necessary professional, technical, financial and managerial resources and competence required by the Bidding Document issued by the Procuring Entity;
2. I/we have fulfilled my/our obligation to pay such of the taxes payable to the union and the State Government or any local authority as specified in the Bidding Document;
3. I/we are not insolvent, in receivership, bankrupt or being wound up, not have my/our affairs administered by a court or a judicial officer, not have my/our business activities suspended and not the subject of the legal proceedings for any of the foregoing reasons;
4. I/we do not have, and our directors and officers not have, been convicted of any criminal offence related to my/our professional conduct or the making of false statements or misrepresentations as to my/our qualifications to enter into procurement contract within a period of three years preceding the commencement of this procurement process, or not have been otherwise disqualified pursuant to debarment proceedings;
5. I/we do not have a conflict of interest as specified in the Act, Rules and the Bidding Document, which materially affects fair competition;

Date:                                                                                                   Signature
of bidder                                                                                                   Name:
Place                                                                                                   Address:
Designation:

• Annexure –C: Grievance Redressal during Procurement process
The designation and address of the First Appellate Authority is as nominated vide order No.RVPN/AAO/F&R/F.98/D.53 dated 30.06.2016.

(1) **Filling an Appeal**

If any Bidder or prospective bidder is aggrieved that any decision, action or omission of the Procuring entity is in contravention to the provisions of the Act or the Rules or the Guidelines issued there under, he may file an appeal to First Appellate Authority, as specified in the Bidding Document within a period of ten days from the date of such decision or action, omissions, as the case may be, clearly giving the specific ground or grounds on which he feels aggrieved:

Provide that after the declaration of a Bidder as successful the appeal may be filed only by a Bidder who has participated in procurement proceedings:

Provided further that in case a Procuring Entity evaluates the Technical Bids before the opening of the Financial Bids, an appeal related to the matter of financial Bids may be filed only by a Bidder whose Technical Bid is found to be acceptable.

(2) The officer to whom an appeal is filled under para (1) shall deal with the appeal as expeditiously as possible and shall endeavour to dispose it of within thirty days from the date of appeal.

(3) If the officer designated under para (1) fails to dispose of the appeal filed within the period specified in para (2), or if the Bidder or prospective bidder or the procuring Entity is aggrieved by the order passed by the First Appellate Authority, the Bidder or prospective bidder or procuring Entity, as the case may be, may file a second appeal to Second Appellate Authority specified in the Biding Document in this behalf within fifteen days from the expiry of the period specified in para (2) or of the date of receipt of the order passed by the First Appellate Authority, as the case may be.

(4) **Appeal not to lie in certain cases**

No appeal shall lie against any decision of the Procuring Entity relating to the
following matters, namely:-
(a) determination of need of procurement;
(b) provisions limiting participation of Bidders in the Bid process;
(c) the decision of whether or not to enter into negotiations;
(d) cancellation of procurement process;
(e) applicability of the provisions of confidentiality.

(5) **Form of Appeal**
(a) An appeal under para (1) or (3) above shall be in the annexed form along with as many copies as there are respondents in the appeal.
(b) Every appeal shall be accompanied by an order appealed against, if any, affidavit verifying the facts stated in the appeal and proof of payment of fee.
(c) Every appeal may be presented to First Appellate Authority or Second Appellate Authority, as the case may be, in person or through registered post or authorised representative.

(6) **Fee of filing Appeal**
(a) Fee of first appeal shall be rupees two thousand five hundred and for second appeal shall be rupees ten thousand, which shall be non-refundable.
(b) The fee shall be paid in the form of bank demand draft or banker’s cheque of the Scheduled Bank in India payable in the name of Appellate Authority concerned.

(7) **Procedure for disposal of Appeal**
(a) The First Appellate Authority or Second Appellate Authority, as the case may be, upon filing of appeal, shall issue notice accompanied by copy of appeal, affidavit and documents, if any, to the respondents and fix date of hearing.
(b) On the date fixed for hearing, the First Appellate Authority or Second Appellate Authority, as the case may be, shall,-
   (i) hear all the parties to appeal present before him; and
   (ii) peruse or inspect documents, relevant records or copies thereof relating to the matter.
(c) After hearing the parties, perusal or inspection of documents and relevant records or copies thereof relating to the matter, the Appellate Authority concerned shall pass an order in writing and provide the copy of order to the parties to appeal free of cost.

(d) The order passed under sub-clause(c) above shall also be placed on the State Public Procurement Portal.
