SECTION-I

INSTRUCTIONS TO BIDDERS

1.00 SCOPE:

The OPEN bids are invited for award of Labour Contract basis for execution of following types of works:

Name of Work:- Dismantling and ETC of 02 Nos Alstom Make (Type GL 316 )

420 KV , SF6 Gas Circuit Breaker installed at 400 KV GSS Heerapura RVPNl Jaipur.

Unless specifically mentioned otherwise;

i) All the material / equipment, including nuts & bolts, etc. required for the work shall be supplied by RVPN.

ii) All T&P shall be arranged by the Contractor.

iii) All consumables & other material shall be arranged by the Contractor as mentioned in these specifications.

1.01 INTRODUCTION:

The bidder, in his own interest, is requested to read very carefully these instructions and the terms and conditions as incorporated in all Sections before filling the bid form. If he has any doubt as to the meaning of this specification or any portion thereof, he shall, before submitting the bid, refer the same to this office in writing at least SEVEN days before the specified date of opening of the bid so that such doubts may be clarified. Submission of the bid shall be deemed to be the conclusive proof of the fact that the bidder has acquainted himself and is in agreement with all the instructions, terms and conditions governing the specification, unless otherwise specifically indicated / commented by him in his bid.

1.02 FILLING OF BIDS:

a) The bids shall be submitted in sealed envelope and all blanks in the bid and the schedule to the specification shall be duly filled in. The completed forms and schedule(s) shall be considered as part of the contract documents in the case of successful bidder(s).

b) No alteration should be made to the form of the bid specification and schedules. The bidder must comply entirely with specification. Alternative proposals, if any, shall be clearly stated in the covering letter and shall accompany each copy of the bid.

c) The bid and all accompanying documents shall be in Hindi / English Language and shall be signed by a responsible and authorized person. The name, designation and authority of the signatory shall be stated in the bid.

d) Bid should be filled in only with ink or typed. No bid filled in by pencil or otherwise shall be considered.

e) All additions, alterations, and over writings in the bid must be clearly initialed by the Signatory to the bid.

f) The bidder shall quote the rate in the enclosed price schedule. The same offer will be applicable as per rates in Bid Specifications for items not mentioned in Price Schedule and required to be carried out for completion of work. The rates / prices shall be entered in words as well as in figures. These must not contain any additions, alterations, over writings, cuttings or corrections and any other marking which leave any room for doubt.

g) The NIGAM will not be responsible to accept any cost involved in the preparation or submission of bids.

h) Bids and accompanying documents / correspondence shall be addressed to Superintending Engineer (T&C-Jaipur City), RVPN, Jaipur at the address given above.

i) The bidder should sign the bid form at each page at the end.

j) Telegraphic quotation or quotations sent by fax or email will not be considered.

However, provident fund, GST , ESI & other deductions etc. will be deducted from the bills as per rules by the AO(T&C-JPR City)RVPN Heerapura Jaipur.

5. **GST:-**
   The firm Has been quoted the prices inclusive of applicable GST. Any liability towards GST, if arises/applicable, inclusive of cost of material to be supplied, shall be to the bidder’s account. The bidder shall give GST registration number. Any statutory variations in GST will be to the service provider’s/ firm account.

   The contractor shall have to give an undertaking with each bill that due GST shall be deposited by them regularly.

   The contractor will submit the documentary proof of quarterly deposit of GST and also give an undertaking that if the GST deposited is refunded on any ground by Excise/Commercial tax Department, the same shall be deposited in RVPNL.

   If firm has not been deposited the GST or’ not submit the documentary proofs on GST, than GST amount shall not be paid to firm and same shall be deposited by RVPNL to Excise/Commercial tax Department on reverse payment option of GST Rule basis in view of statutory liability.

6. **PERFORMANCE SECURITY :-** In order to secure / assure the fulfillment of the contract, you have to be deposited the performance security deposit amounting to equivalent to 10% (ten percent) of the contract value in cash or by crossed Bank Draft in the Office of the Accounts Officer (T&C-JPR City) RVPN Heerapura Jaipur or by submitting the under taking with contract agreement to deduct the 10 % amount from each running bill.

7. **WARANTEE :-** Warranee for job undertaken by contractor shall be 12 months from date of commissioning of equipment. Any defect observed due to poor workmanship, inferior/ non-standard practices should be attended by contractor without any financial implication to RVPNL.
8. **T&P and Labour (Manpower):** All T&P, Crane, tractor, lifter etc. and labour required for this aforesaid work shall be arranged by the contractor at his own cost.

9. **TESTING AND COMMISSIONING:**
   
   The provisions of this Clause shall be applicable for aforesaid Sub Station Works:
   
   (a) After completion of the work as mentioned in Clause 1.0 “Scope” of Section-2, you will ensure that all works connected with the Sub Station have been completed correctly as per Indian Electricity Rules and procedures. Any extra cost involved due to incompleteness of work or bad workmanship found out subsequently shall be set right forthwith by you at your cost. You shall arrange to handover the complete Work.
   
   (b) **TAKING OVER:**
       
       When the whole of the work has been completed and has passed all the tests on completion prescribed in the contract to the satisfaction of the Engineer-In-Charge, shall issue to you a taking over certificate as proof of the final acceptance of the work executed. Such certificate shall not unreasonably be withheld nor will the Engineer-In-Charge delay the issuance thereof on account of minor omissions or defects which do not affect the commercial operation and / or cause any serious risk to the work or where failure of any equipment to pass prescribed tests cannot be attributed to you. Such certificate shall not relieve you of any of your obligation which otherwise become due by the terms and conditions of the contract. You shall give an undertaking to finish any outstanding work expeditiously.

10. **SUPERVISION OF WORK:** You shall have to execute the work as per instruction and supervision of the XEn(400 KV GSS Heerapura) and the AEn-M(400 KV GSS) Heerapura Jaipur for Dismantling and ETC of 02 Nos Alstom Make (Type GL 316) SF6 Gas Circuit Breaker at 400 KV GSS RVPN Heerapura as per detail of work described in price schedule.

11. **PENALTY FOR DELAY IN COMPLETION:**

    **A) 420 KV SF6 CB ERECTION & DISMANTLING WORKS:**

    - The time for and the date of completion specified in the work order shall be deemed to be the essence of the contract and the work shall have to be completed not later than the period specified therein. The time allowed for carrying out the work, as mutually agreed upon, shall be strictly observed by you and shall be reckoned from the 15th day after the written order to commence the work is given to you. The time allowed may be considered as the time given in the work order plus the time extended for justified reasons by the competent authority.
    - If you fails to complete the work or any part thereof within the specified completion period, the NIGAM shall be entitled at its option:
      - To recover from you at 0.5% (half percent) of the cost of the unexecuted work per week or part thereof for the remaining period of unjustified delay subject to a maximum of 10% (ten percent) of the cost of the unexecuted work.
      - To cancel the contract and, if so desired, to get completed the erection works through other agencies at your risk & cost.
      - Besides the above, appropriate action may be taken by the Engineer-In-Charge/competent authority to debar the Enlisted/Registered Contractors from taking part in future Bids for a specified period or blacklist him or take action against him under or as per the provisions of the RVPN Rules for Enlistment of Contractors for E&M Works, 2007 / Vendor Registration Scheme/Provisions of Purchase Manual.
      - All sums payable by you by way of compensation under any of these or other conditions shall be considered as reasonable compensation to be applied to the use of RVPN without reference to the actual loss or damage sustained and whether or not any damage shall have been sustained.

12. **ADVANCE TIME EXTENSION IN COMPLETION PERIOD:**

    i). In case, completion of the work is not possible within the specified completion period, you shall apply for time extension in completion period in
advance for which the Engineer In-charge will review the situation, record the reasons of delay activity wise either on part of Nigam or you as the case may be and initiate a case for grant of further extension in completion period (original or revised) without waiting for completion of the work, indicating revised target date of completion. Such case for time extension will be processed by the Engineer In-charge and submitted to XEN (T&C) before expiry of the stipulated completion period. The XEN (T&C) will examine the matter and submit his comments for obtaining time extension or cancellation of contract on the basis of fact / recorded reasons.

ii) The Accounts Officer (T&C) will ensure that, final bill is entertained only after grant of suitable time extension in completion period is received from the competent authority.

13. DISPUTE:- All dispute/differences and questions what so ever which may arise in connection with the contract shall always be deemed to have arisen in the court of Jaipur jurisdiction only.

14. CONTRACT AGREEMENT WITH DOCUMENTS :-

The contractor shall have to execute the contract agreement within 15 days from the date of receipt of detailed work order in triplicate in the prescribed Form on non judicial stamp paper as per stamp duty @ 0.25 % of contract value or as applicable in Govt. of Rajasthan along with seal & signed copy of work order and complete set of bid documents. It is advised that each and every page of relevant document is signed by authorized person with stamp.

14. ACCEPTANCE:- The acceptance of this contract shall be conveyed within 7 days after receipt of this order, otherwise it shall be presumed that all the terms and conditions of this order are accepted to you.

Encl.: Annexure-A & B.
