The work to be executed shall be under guarantee period of 12 months from the completion of work and accepted by the Engineer In-charge of the work.
- 2.23 **SAFETY MEASURES:**  
As the lighting work involves working in the live switchyard, therefore, the Contractor shall follow all safety methods of working so that there is no damage to Nigam's properties and also no injury to any of the workman working in the yard. The Contractor shall be fully responsible for the safety of his worker as well as any other workman working in the switchyard and RVPNL shall not be responsible for any type of accident (Minor or fatal) at the work site and Insurance charges of his staff and employees etc. shall be borne by the Contractor. The Contractor shall take up all the work in the yard only after taking written permission to do work from the Shift In-charge and shall work in the presence of RVPNL Representative.

  
Superintending Engineer (T&C)  
RRVNL, Kota.

### **SECTION - III**

Terms and conditions/ Specification for yard light work:

1. **SCOPE:**  
The scope of work covers the providing & fixing of ordered and specified light/ luminaries in the yard of the GSS as indicated by the In-charge of the GSS.
2. **MATERIAL:**  
All yard light material shall be arranged by the Contractor as his own cost. The Contractor will have to deposit all the material of specified make with the In-charge of the work and In-charge will issue the same to the Contractor for yard lighting after checking the same make & specification of the Items.
3. **APPLICATION:**  
No material shall be fixed/ installed by the Contractor without quality approval of the In-charge of the work.
4. **WORKING T&P:**

All sorts of T&P which are required for this yard light work shall have to be arranged by the Contractor.

5. **SAFETY MEASURES:**

The Contractor shall provide and make all necessary arrangement for safety of staff and labor at site of works. The Nigam will not in any way be responsible for any accident, minor or fatal to any person at the site of work or for any damages arising there during yard light which shall be Contractor's sole responsibility. The staff insurances charges, if any, shall be borne by the Contractor.

Since the work is to be carried out in the charged electrical yard at the GSS, therefore, the Contractor shall have to work under the guidance/ permission of the Engineer In-charge of the work. No person of the Contractor should be allowed by the Contractor to climb on the structure for yard light work except for which the shut down/ clearance is given by the In-charge of the work in writing to the Contractor. Violation of the said procedure may cause accident and responsibility shall be of the Contractor. The Contractor shall have to follow the rules of Electricity Act – 2003.

For yard light work, the skilled labor having experience of yard light work up to height of 25 Mtrs. (Approx.) should be engaged.
