Clarification-1

It is clarified that due to inadvertent typographical error the formula in the BOQ (Price bid "price schedule" under BN-9016002005) total FORD amount appearing at cell BB48 is not calculating correct value against the quoted rate at cell F48 of BOQ. Bidders are requested to ignore the values appearing for total FORD amount at BOQ cell BB48 and note that as per clause no 11.3 of ITB volume-I of the bid document and figure in cell F48 of BOQ for quoted % Excess/Less of the total estimated contract price of the lot shall be taken for evaluation of bids. Ignoring the values appearing in the BOQ cell BB48 (Quoted Rate in figure), cell BC48 (Total Amount in words) and row no. 49(Quoted rate in words).

Other terms and condition shall remain same.
