- (1) Techno-commercial qualifications of the bidders shall be evaluated on the basis of pre-qualifying requirement specified in Schedule -I of the specification for various criteria of qualifications.
- (2) Bidders who have fulfilled minimum achievement norms may be considered to have technically qualified.
- (3) The bidders who qualified in the technical evaluation shall be informed in writing about the date, time and place of opening of their financial bids.

1.18 CORRECTION OF ERRORS IN FINANCIAL BIDS-

Provided that a financial bid is substantially responsive, the procuring entity will correct arithmetical errors during evaluation of financial bids, on the following basis: -

- a) if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the procuring entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to clause (a) and (b) above.
- d) If there is a discrepancy occurred due to inappropriate quotation of applicable rates of taxes & duties, in price schedule by the bidder(s) then any liability arising thereon shall be borne by the bidder(s) in the manner below:
 - (i) For evaluation of the financial bid:

(1) In case the bidder quotes the taxes & duties higher than the prevailing rates, the evaluation of bid shall be done considering the applicable rates of taxes & duties keeping the ex-works price same as quoted by the bidder.

(2) In case the bidder quotes the taxes & duties lower than the prevailing rates, unless it is specifically indicated with supporting document that lower taxes and duties are applicable to them as concessional rates, the evaluation of bid shall be done considering the applicable rates of taxes & duties and the ex-works price shall be reduced accordingly keeping the FORD prices same as quoted by the bidder.

In above cases, the Purchase/ Work Order(s) shall be awarded to the successful bidder(s) on the basis of adjusted price with applicable rates of taxes & duties.

(ii) In case any successful bidder quotes the prices with concessional rates of taxes & duties applicable to it, the Purchase/ Work Order shall be awarded with quoted concessional rates of taxes & duties. During currency of the contract, the variation in concessional taxes & duties up to the maximum rates shall be absorbed by the bidder.

If the bidder that submitted the lowest evaluated bid does not accept the correction of errors, its bid shall be disqualified and its bid security shall be forfeited or its bid securing declaration shall be executed.

1.19 EVALUATION OF FINANCIAL BIDS-

Subject to the provisions of section 27 of RTPP Act, 2012, the procuring entity shall take following actions for evaluation of financial bids:-

- (a) in case of single part bid system where bid is received in single cover along with requisite bid security, processing fee or user charges and price of bidding documents within specified time, it shall be considered for financial evaluation by the purchaser.
- (b) in case of two part bid system the financial bids of the bidders who qualified in technical evaluation shall be opened at the notified time, date and place by the purchaser in the presence of the bidders or their representatives who choose to be present;

registered in the State of Rajasthan) in comparison to bids received from enterprises outside the State, by evaluating the prices quoted as follows:

- (a) Price preference to the Micro, Small and Medium Enterprises situated in Rajasthan shall be given as per notification/ guidelines notified by the Rajasthan State Government before actual date of opening of technical Bid.
- (b) in case, the prices of the local bids are not found competitive even after grant of price preference, and the bidding enterprise from outside the State is adjudged lowest, then purchase preference to local enterprises shall be given in the following manner, subject to fulfillment of all required specifications and conditions of the bid:-
 - (i) opportunity shall be given to local enterprises to supply 80% of the Bid quantity (with 20% order to be given to the original lowest bid enterprise). Out of this 80%, minimum of 60% would be required to be purchased from the local micro & small enterprises, in case they have also bid, and within this 60%, 4% shall be earmarked for procurement from local micro and small enterprises owned by member of Scheduled Caste or Scheduled Tribe. The remaining quantity, out of the above mentioned 80% and to the maximum limit of 20%, shall be procured from the local medium enterprises in case they have also bid.
 - (ii) to exercise this option of Purchase Preference for 80% of the bid quantity, in such a situation, a counter offer would be given to the local enterprise, which has quoted the minimum rate among the local bidder enterprises, to match the overall lowest (L-1) rate received. In such case, price preference stated in clause (a) above shall no longer be applicable and net lowest price (L-1 price) would be required to be matched.
 - (iii) in case, the lowest local enterprise does not agree to the counter offer as per sub clause (ii) above, or does not have the capacity to provide the entire bid quantity, the same counter offer shall be made to the next lowest bidder of the eligible local bidder enterprises, in that order till the quantity to be supplied is met. The contract for supply of goods to the enterprises included in the category of the micro, small and medium enterprises classified under subsection (1) of section 7 of the Micro, Small and Medium Enterprises Development Act, 2006 and situated in Rajasthan and recognized by the Industries Department may be given to the extent of their capacity by breaking the order in part for procurement of goods, in the manner provided in Clause No 1.21.2 of ITB.
 - (iv) in case, a bidder offering to supply the goods is a dealer located in Rajasthan and the bid prices are equal to the rates offered by local enterprises of Rajasthan and the quality and specifications of the goods are the same, the local enterprises shall be given Purchase Preference over such dealer.

Any further notification in respect of Price and/or purchase preference if notified by the Rajasthan State Government before actual date of opening of technical Bid shall be considered in the evaluation of bids and award of contract.

In order to seek price preference or purchase preference or both, an application, as prescribed at Form A at Appendix -X, shall be submitted by the local enterprise to the General Manager, District Industries Centre of the district concerned, or to the officer nominated by Industries Department, who, after due diligent examination, shall issue verification certificate for the same:

Provided that, in case of any grievance in this regard, an appeal on plain paper may be filed by the aggrieved applicant to the Commissioner, Industries Department or to an officer nominated by him for the purpose.

1.23 DELIVERY AND TIME FOR COMPLETION:

- (a) The part of delivery as mentioned in the purchase order should be strictly adhered to by the supplier. The date for the purpose of reckoning the delivery to the consignees in case of despatch by Railway shall be the date of R/R. In case however, if the despatches are effected by way of road transport, the date of GTR shall be reckoned as date of delivery for the purpose of calculation of penalty for delay in delivery provided that the material is received within 10 days from the date of GTR in respect of despatches made from outside the State and within 3 days from the date of GTR in respect of despatches made from within the State. Beyond this period, the date of receipt of the material by the Consignee at his Stores shall be the date of delivery. Any equipment is considered to have been delivered only when all the components are also delivered in full. If certain parts are omitted to be delivered in time so as to make the unit not fit for being put into use the whole unit of the equipment will be considered as delayed till the time missing parts are also delivered.
- (b) The purchaser reserves the right to defer the delivery period as indicated in the purchase order. However the material already manufactured should be accepted. The period during which the supplies have been so deferred shall not be reckoned as delay in delivery in terms of clause 'Delay in Delivery'.

1.24 DELAY IN DELIVERY:

- (a) The time for and date of delivery specified shall be deemed to be the essence of the contract and supplies shall have to be completed not later than the date (s) specified. Should the supplier failed to deliver the material/ equipment or any part thereof within the specific delivery period, the Purchase Officer shall be entitled for the following:
- (i) To effect recovery in case of orders placed by Procurement Wing or project related orders placed by Contract Wing for delay in delivery/ execution @ $\frac{1}{2}$ % per week or part thereof for first 4 weeks and thereafter 1 % per week or part thereof subject to a maximum of 10%. In case of orders placed by other Wings of RVPN, recovery shall be effected for delay in delivery/execution @ $\frac{1}{2}$ % per week or part thereof subject to a maximum of 10% of delayed / un executed supply/works. The amount of recoveries will be worked out on the basis of applicable ex-works price. The above recoveries will be recovered with applicable GST. In cases where Ex-works prices have not been indicated, then the recovery shall be worked out on the basis of prices as shown in the purchase order. The extent of delay beyond 15 days' notice for inspection shall be to the purchaser's account.
- (ii) In case the supplier fails to deliver the material/ equipment or any part thereof even after 6 months of expiry of schedule delivery period for the total ordered quantity, the order will be cancelled with levy of the maximum penalty as per contract and business relations severed for a period of two years.
- (b) The adjustment in regard to the amount recoverable, if any, in terms of para 1.24(a) shall be made from the cash deposits/dues of the firm or by operating the Bank Guarantees as may be available with the Nigam and/or in any other manner as may be deemed appropriate by the purchaser.
- (c) Any financial liability i.e. increase in rate of GST, cost of raw material, freight charges, Insurance tariff etc. arising consequent upon failure of the supplier to adhere to the stipulated delivery schedule shall be to his (Supplier's) account.

1.25 FORCE MAJEURE CONDITIONS:

If at any time during the currency of the contract the performance in whole or in part be prevented or delayed by reason of any war hostility acts of public enemy, civil commotion, sabotage, fire, floods, explosion, epidemics, quarantine restrictions, strikes, lockouts or acts of God (hereinafter referred to as 'Events') then provided Notice and adequate proof of the production/ despatch having suffered on account of these events, is given within 21 days from the date of occurrence thereof the provision of sub paras (a), (b) and (c) of clause 1.24 shall not

be invoked by the purchaser provided further that the deliveries under the contract shall be resumed, as soon as practicable after such event (s) has ceased to exist and the decision of the purchaser as to whether the deliveries have been so resumed or not shall be final and conclusive provided further that in case the strike / lockout prolongs beyond a period of thirty days, the supplier shall immediately inform about to the purchaser in which case the purchaser reserves the right to procure the material /equipment on order or part thereof from any other source at the risk and cost of the supplier.

1.26 SUSPENSION OF WORKS:

The purchaser shall not be liable to pay the contractor any compensation whatsoever arising from suspension or for idle labour.

1.27 INSPECTION AND TESTING:

- 1.27.1 The Engineer and his duly authorised representative shall have at all reasonable times access to the contractors premises of works and shall have the power at all reasonable time to inspect drawing of any portion of the work or examine the materials and workmanship of the plant, if being manufactured on other premises, the contractor shall obtain for the Engineer and for his duly authorised representative permission to inspect it as if the plant was manufactured on the contractor's own premises.
- 1.27.2 The Engineer shall on giving seven days, notice in writing to the contractor setting out any grounds of objections which he may have in respect of the work, be at liberty to reject any drawing and all or any plant, or workmanship connected with such work which in his opinion are not in accordance with the contract or are in his opinion, defective for any reason whatsoever.
- 1.27.3 The bidder shall state in his bid the places of manufacture, testing and inspection of various equipment offered by him. Unless specifically provided otherwise, all tests shall be made at the contractor's works before shipment.
- 1.27.4 (A) The supplier shall intimate atleast 15 days in advance through notice(s) about the readiness of material for despatch, commensurate with specific delivery schedule so as to enable the purchaser to depute his representative for inspection, testing and checking of the material/equipment. For this purpose, the date of receipt of the letter in the office of the purchasing authority shall be deemed as the date of call for inspection and not the date mentioned in the letter and the date of despatch. In case, material/equipment is not found ready by the representative of the purchaser deputed for inspection to the extent of the quantity indicated in the inspection call with tolerance of (+/-) 10% or if the inspection is not got carried out by any reason(s) on account of the supplier, an amount of Rs.1500/- only with applicable GST for the supplier's work located in Rajasthan and an amount of Rs.5000/- only with applicable GST for the supplier's works located outside Rajasthan will become payable by the supplier on this account to the Accounts Officer (P&C-I), RVPN, Jaipur. The supplier will deposit the amount with the Accounts Officer (P&C-I), RVPN, Jaipur immediately under intimation to the purchasing authority, failing which the subsequent call for inspection shall not be entertained.
- 1.27.4 (B) The material/equipment shall be offered duly packed so as to enable the inspecting officer to seal.
- 1.27.5 In all cases where the contract provides for tests, whether at the premises of works of the contractor or any sub-contractor, test at site the contractor except where otherwise specified shall provide free of charge to the purchaser, such labour, materials, electricity, fuel, water, stores, apparatus and instruments as may reasonably be demanded to carry out efficiently such tests of the plant, in accordance with the contract and shall give facilities to the Engineer or his authorised representative to accomplish such testing.

- 1.27.6 The purchaser reserves to himself the right of having any inspection or special test of a reasonable nature at contractor's premises or at sites in addition to those prescribed in applicable standards and the enclosed technical specification.
- 1.27.7 When the tests have been satisfactorily completed at the contractor's or sub-contractor's works the Engineer shall issue a certificate to that effect but if the tests were not witnessed by the Engineer or his representative, the certificate would be issued after the receipt of test certificate by the Engineer. No plant shall be shipped before such a certificate has been issued. The satisfactory completion of these tests or the issue of this certificate, shall not bind the purchaser to accept the plant, should it on further tests after erection, be found not to comply with the contract.
- 1.27.8 The authorised representative of the purchaser shall have at all reasonable times access to the works and premises of the supplier and / or his associates if any, and shall be free to inspect the works, examine and test the product(s) including raw material used and the workmanship employed during / after manufacture.
- 1.27.9 The supplier shall also furnish the latest calibration certificate of the testing instruments / equipment used for the testing of the materials / equipments as covered in the purchase order to the inspecting officer. The testing instruments / machines should be got calibrated by the supplier from time to time from the manufacture of the testing instruments or any Govt. recognised testing laboratory. The calibration certificate should not in any case be older than one- year at the time of presenting the same to the Inspecting Officer. In case however, the supplier fails to comply with the conditions as aforesaid, a certificate in writing of the inspector / representative of the purchaser that the supplier has failed to provide the facilities shall be conclusive.
- 1.27.10 Unless the inspection is specifically waived no material shall be despatched without inspection and clearance for despatch by the purchaser's representative.
- 1.27.11 The purchaser reserves the right to reject all or any part of the material being manufactured or awaiting despatch, due to any defect or deviations from the standard specifications prescribed as observed during the Inspection. In case of any dispute / difference in this regard the decision of the Chief Engineer (Proc.) shall be final and binding.
- 1.27.12 The purchaser also reserves the right to get the material/equipment tested in any recognised Government Laboratory & claiming any compensation or rejecting the material/equipment, if not found in accordance with the specification. All charges consequent to such rejection and replacement / rectification shall be borne by the supplier.
- 1.28 TEST CERTIFICATE :**
- 1.28.1 Duly signed and sealed copies of the latest type test certificate from any NABL/ILAC-MRA accredited Laboratory, for all the type tests wherever prescribed in the relevant latest addition of ISS (as applicable) shall be furnished alongwith the bid.
- 1.28.2 In case of any specific alternative requirement of type tests, the same shall be furnished as per Section -III.
- 1.28.3 The bid not accompanied by the type test certificate in terms of para 1.28.1 above, are liable to be ignored.
- 1.28.4 The supplier shall be required to furnish the routine/ manufacturer(s) factory test certificate(s) for the tests carried out during manufacture in accordance with the relevant standard specifications.
- 1.29 ACCEPTANCE OF PLANT FOR DESPATCH:**
When all tests to be performed in the contractor's or sub-contractor's premises, under the terms of this contract, have been successfully carried out, and test report approved, the dispatch instructions will be given by the Engineer to the contractor for immediate despatch and will not unreasonably be withheld.

1.30 PACKING AND MARKING:

Nigam will not be responsible for the payment of GST to the related authority.
- (ii) Certified further that we _____are registered under GST as dealers in the state of _____under registration No._____ for the purpose of GST (IGST/CGST & SGST).
- 1.34 TESTS AT SITE:**
- 1.34.1 In all cases where the contract provides for tests at the site, the contractor except where otherwise specified, shall provide free of charge such labour materials, electricity, fuel, water stores, apparatus and instruments as may be required from time to time as may reasonably be demanded to carryout efficiently such tests of the material or workmanship in accordance with the contract.
- 1.34.2 In case of contractor requiring electricity for test at site, such electricity shall be supplied to the contractor in the convenient form available, on payment, except specifically exempted
- 1.34.3 Purchaser reserves the right to carry out any site tests he may decide upon at his own expenses. In case equipment / material is not found as per purchase order all expenses incurred during the testing will be to

supplier's account and material shall be replaced by supplier at site free of cost.

1.35 TEST ON COMPLETION:

Where possible all tests shall be carried out before shipment should however, if become necessary for the final tests as to performance and guarantees to be held over until the plant is erected at site, they shall be carried out in the presence of the contractor's representative within such time as may be considered reasonable by the purchaser. If equipment fails to meet guarantees, the contractor shall make necessary changes and corrections and assure full responsibility and take necessary steps to ensure compliance by the equipment of the prescribed guarantees within two (2) months from the date of notification or within such reasonable time as may be decided by the purchaser. If however the defect is of the contractor, he shall repay to the purchaser all reasonable expenses which he may put by such retests over and above the rejection of defective plant as stated hereunder.

1.36 REJECTION OF DEFECTIVE PLANT:

1.36.1 If the complete plant or any portion thereof, before it is taken over is found defective or fails to fulfill the requirements of the contract, the Engineer shall give the contractor, the particulars of such defects or failure and the contractor shall forthwith make the defective plant good or after the same, make it comply with the requirements of the contract. Should he fail to do so within a reasonable time, purchaser may reject and replace at the cost of the contractor, the whole or any portion of the plant, as the case may be, which is defective or fail to fulfill the requirement of the contract. Such replacement shall be carried out by the purchaser within a reasonable time and at a reasonable price and where reasonably possible to the same specification and under competitive conditions. In case of such replacement by the purchaser, the contractor shall be liable to pay to the purchaser, the extra cost if any of such replacement delivered and / or erected as provided for the original contract, such extra cost being the ascertained difference between the price paid by purchaser under the provisions above mentioned, for such replacement and the contract price for the plant so replaced and also to repay the sum paid by the purchaser to the contractor in respect of such defective plant. The purchaser shall have the right to operate any and all equipment as soon as and as long as it is in operating conditions, whether or not such equipment has been accepted and complete and satisfactory, except that this shall not be construed to permit operation of any equipment which may become damaged by such operation before any required alterations or repairs have been made. All repair and alterations required of the contract shall be made by the contractor at such times as directed and in such manner as will cause the minimum interruption in the use of the equipment by the purchaser. If the contractor does not so, replace the rejected plant within a reasonable time the contractor's full and extreme liability under this clause will be satisfied by the repayment of all money paid by the purchaser to him in respect of such plant.

1.36.2 In the event of such rejection the purchaser shall be entitled to the use of the plant in a reasonable and proper manner for a time reasonably sufficient to enable him to obtain other replacement plant. During the period the rejected plant is used commercially, the contractor shall not be entitled to a sum as payment of such use.

1.36.3 Nothing in this clause shall be deemed to deprive the purchaser for or affect any rights under the contract which he may otherwise have in respect of such defects or deficiencies or in any way relieve the contractor from his obligation under the contract.

1.37 LATENT DEFECTS:

1.37.1 Any equipment or part thereof that develop defects not disclosed prior to the final acceptance by the purchaser or they are in service upto stipulated guarantee period, shall be promptly replaced by the supplier

free of charge and all expenses, transportation and other incidental charges for such replacement shall be borne by the supplier.

1.38 TAKING OVER:

- 1.38.1 Where the specification calls for performance tests before shipment and which have been successfully carried out, the plant shall be accepted and taken over when it has been satisfactorily put into operation on site or within one (1) month of its being ready to be put into operation whichever shall be earlier and the Engineer shall forthwith issue a taking over certificate.
- 1.38.2 In the event of final, any outstanding tests being held over until the plant is erected, such taking over certificate shall be issued subject to the results of such final or outstanding tests to be carried out in accordance with clause 1.35.
- 1.38.3 When the specification calls for tests on site, the plant shall be taken over and the taking over certificate is issued immediately after such tests have been satisfactorily carried out.
- 1.38.4 If for any reason other than the default of the contractor such last mentioned tests on site are not carried out within one (1) month of notice by the contractor to the purchaser, of the plant being ready for test, the plant shall be deemed to have been taken over as on the last day of such period and payments due to the contractor on taking over shall be made, but nevertheless, the contractor shall if called upon to do so by the purchaser, at the purchaser's expense make the said tests during the maintenance period and accept as aforesaid under the same obligation as specified in clause 1.35.
- 1.38.5 The Engineer shall not delay the issue of any taking over certificate contemplated by this clause on account of minor deficiencies of material or defects in the plant which do not materially effect the commercially safe and efficient use thereof, provided that the contractor shall undertake to make good the same in due course.
- 1.38.6 Such certificate, however, shall be deemed to be on account and shall in no way release the contractor from his liabilities and responsibilities in respect of such plant including the satisfactory performance of the test on completion.

1.39 LIABILITY FOR ACCIDENTS AND DAMAGES:

- 1.39.1 The contractor shall be responsible for loss, damage or depreciation of the plant until the same is taken over under clause 1.38 or is deemed under that clause to have been taken over provided always that the contractor shall not be responsible for any such loss, damage and depreciation occurring during such period that the plant is operated by the purchaser's staff prior to being taken over in accordance with clause 1.38.
- 1.39.2 Until the plant is taken over or is deemed to have been taken over as aforesaid, the contractor shall also be liable for and shall indemnify the purchaser in respect of all injury to person or damage to property resulting from the negligence of the contractor or his workman or subcontractor or from defective design or work but not from any other cause.

- 1.55.3 In the event of such notice being given, provided the contractor has reasonably performed all the provisions of the contract binding upon him down to the date of the notice.
- (a) The purchaser may take over from the contractor at a fair and reasonable prices (assessed on the basis of the contract price) of the completed articles all unused, undamaged and acceptable materials, bought-out components and articles in course of manufacture in the possession of the contractor at the expiration of the notice and properly provided by or supplied to the contractor for the performance of the contract except such material, bought out components and articles which the purchaser may refuse to take over shall be taken over by the contractor. Provided that in case the materials/components are supplied to the contractor through the intervention of the purchaser or on his behalf:-
- (i) The said fair and reasonable price shall be assessed on the basis of cost price of such materials and or components.
- (ii) If the contractor elects to retain any materials, bought out components and articles as in this clause provided, he shall settle all claims of supplier in respect of the material and/or components supplied to him as aforesaid including any claims to any extra charge and shall keep the purchaser indemnified against the same.
- (b) The contractor shall deliver in accordance with the direction of the purchaser all such unused, undamaged and acceptable materials, bought out components and articles in course of manufacture (except as aforesaid) taken over by or previously belonging to the purchaser and the purchaser shall pay to the contractor fair and reasonable handling and delivery charges thereof.
- (c) The purchaser shall indemnify the contractor against any commitments, liabilities or expenditure which in the opinion of the purchaser are reasonable and properly chargeable by the contractor in connection with the contract to the extent to which the purchaser is satisfied that such commitments, liabilities or expenditure would otherwise represent an unavoidable loss by the contractor by reason of the termination of the contract.
- (d) Provided that in the event the contractor not having observed any direction given to him under sub-clause (ii) hereof, the purchaser shall not be liable under this sub-clause pay any sum in excess of those for which the purchaser would have been liable and the contractor observed that direction.
- 1.55.4 If in any particular case, exceptional hardship arises to the contractor from the operation of this clause, it shall be open to the contractor to refer the circumstances to the Engineer who on being satisfied that such hardship exists shall make such allowance if any as in his opinion is reasonable.
- 1.55.5 The purchaser shall not in any case be liable to pay under the provisions of this clause or any sub clause which when taken together with any sums paid or due or becoming due to the contractor under this contract shall exceed the total prices of the articles specified in the schedule payable under the contract.
- 1.55.6 The contractor shall in any substantial order or sub-contract placed or made by him in connection with or for the purposes of this contract take power wherever possible by securing the acceptance of the sub-contractor to terminate such substantial or sub-contract in the event of the termination of this contract by the purchaser of this clause upon the terms of the forgoing sub clause of this clause and save only that:-

- (a) The name of the contractor shall be substituted for the purchase, throughout except in sub-clause 3 (c) where it occurs for the second and third times.
- (b) The period of the notice of termination shall be two (2) months or such shorter period as may be mutually agreed upon.

1.55.7 Substantial orders or sublet contracts shall in this context mean orders or sublet contracts of or over Rs. 25,000 (Rupees Twenty Five Thousand only) in value.

1.56 JURISDICTION OF COURT TO DEAL WITH DISPUTES:

1.56.1 The contract shall be governed by the laws of India for the time being in force and be subject to the court of competent jurisdiction at Jaipur (Rajasthan) India. All disputes, differences, questions whatsoever arising between the purchaser and contractor upon or in relation to or in connection with the contracts shall be deemed to have arisen at Jaipur only and no court other than courts at Jaipur (Rajasthan) shall have jurisdiction to entertain or try the same.

1.56.2 A settlement committee has been constituted by the Nigam to settle the old disputed purchase cases where the firm(s) do not agree with the Nigam's viewpoint and have given their representations. The settlement committee will be empowered to decide all old disputed cases. The committee is also authorised to settle such cases which are either subjudice or under reference to arbitrator(s), in case firm make formal request in this regard. In case of disagreement amongst committee members, the case with full details shall be put-up before Chairman & Managing Director for decision.

1.56.3 The RVPN has constituted the centralized standing committee for settlement of disputed claims under conditions of contract relating to RVPN.

The committee shall consider all cases for settlement of disputed claims relating to purchases, works, turnkey contracts and labour contracts, civil works etc. The committee shall also take decision whether a particular matter is required to be referred to the Board for approval before settlement. The matter for settlement shall only be referred to the centralized standing committee of RVPN by following the guide lines detailed below:

- (i) Disputes will be referred contract wise.
- (ii) Disputes involving amount above Rs.1.00 lacs only will be referred/ entertained.
- (iii) Non-refundable fee shall be deposited by the contractor/ firm @ 2% of disputed amount as claimed by the contractor/firm subject to maximum fee of Rs.1.00 lac with applicable GST.
- (iv) In case of disputes, Application for settlement (only in prescribed format) may be collected from the purchaser office.

The centralized standing committee fees shall be deposited in cash/ demand draft/ pay order with the Account Officer (P&C-I), RVPN, Jaipur and the firm(s)/Contractor(s) shall furnish receipt thereof with a request for referring their disputes to the centralized standing committee for decision.

For settlement, the firm shall furnish their application (only in prescribed format) indicating the details of dispute/ grievances along with requisite settlement fee, within a period of six months, after receiving communication from Procurement Wing giving rise to cause of dispute/grievances.

In case, RVPN revises the settlement application fees, then revised fees shall be applicable.

1.57 CONSTRUCTION OF CONTRACT:

The contract shall in all respects be deemed to be and shall be constructed and shall operate as on Indian contract as defined in the Indian Contract Act, 1872 and all payments there under shall be made in Rupees unless otherwise specified.

1.58 ACCEPTANCE OF THE ORDER :

The acceptance of the order shall be conveyed to the Superintending Engineer (Proc-I/II) Rajasthan Rajya Vidhyut Prasaran Nigam Ltd., Jaipur within ten (10) days of the receipt of the order in the prescribed proforma failing which it will be presumed that the terms and conditions incorporated in the order have been accepted by the supplier/contractor.

1.59 PRICE FALL CLAUSE

The price fall clause shall be made provisionally applicable w.e.f. the date of opening of 'Techno-Commercial Bid' of the subsequent bid when the supplies under the running contracts, are delayed beyond the overall stipulated delivery schedule provided that the supplier itself has quoted or accepted lower rates in the subsequent bid of the same item. Finally and in other cases, the price fall clause shall be made applicable w.e.f. the date of opening of 'price bid' of the subsequent bid of the same item. If the bidder does not agree for lower rates finalized in subsequent bid, the remaining supplies of running contracts at higher rates as on the date of price bid opening of the subsequent bid will be cancelled as per provisions of price fall clause.

If the stipulated delivery schedule of the running contract expires on the date of opening of techno commercial bid of subsequent bid or thereafter before opening of price bid and bidder himself have quoted lower rates in subsequent bid, in that case the delayed-supplies made during the period of techno-commercial bid opening date and price bid opening date of subsequent bid will be paid at such lower rates if any, as are quoted /accepted by him (whichever is lower) in subsequent bid as against current contract price minus recovery towards delay in delivery, if it is so economical to RVPN Payment equivalent to 10% of the FORD price of the delayed supplies will be withheld till finalization of price of subsequent bid.

1.59.1 In case delivery schedule is already over: - The pending supplies against previous order w.e.f. the date of opening of techno commercial bid or price bid of subsequent bid as per preceding para shall be accepted at such lower rate, if any, as are quoted/finalized in subsequent bid as against subtracting recovery towards delay in delivery on old rate, if it is so economical and the bidder agrees to it. If they are not agreeable, supply shall not be taken and order for balance supply shall be cancelled as per provision of the purchase order.

1.59.2 When delivery schedule is not over:-

(a) If any previous successful bidder has also participated in a new bid enquiry and accepted the lower rate as received in the subsequent bid then pending supply against previous order shall be taken at the lower rate as is finalized in the subsequent bid.

(b) If the supplier has not participated or participated but he is not agreeable to supply the balance quantity at lower rate received in the subsequent bid, the balance supply against previous order shall be acceptable to the extent of ordered quantity as per delivery schedule up to three months (but not beyond the overall delivery schedule) from the date of opening of price bid of new bid on the following conditions:-

1. The rate will be as per the purchase order against which supplies are to be made within the delivery schedule.
2. The back log, if any, of supplies according to delivery schedule on the date of opening a new bid shall be acceptable on effecting the recovery towards delay in supply at prescribed rates, if leviable under the circumstances.
3. No supply in excess of quantity as per the delivery schedule during the 3months period after opening of "Price bid" of new bid shall be acceptable in any circumstances. No preponement of original delivery schedule will be made.
4. The old purchase order(s) in respect of balance un- supplied quantity shall stand cancelled after 3 months from the opening of "Price bid" of new bid.

1.59.3 (a) If subsequent bid is decided on differential rates and a firm has also participated in subsequent bid, the price fall clause would be applicable

with respect to the price quoted/ accepted by the firm in the new bid provided this quoted / accepted price is lower than firm's previous updated price minus recovery towards delay in delivery.

(b) In case, firm has not participated or not agreed to lower rates in subsequent bid, then price fall clause would be applicable with respect to highest differential price, decided under new bid, provided this highest price is lower than firm's previous updated price minus recovery towards delay in delivery.

1.59.4 Price fall clause shall not be applicable based on the rates received in other company. In other words, price fall clause shall be applicable based on subsequent rates received within a company only.

1.59.5 The following items are excluded from the price fall clause: -

- a) 132 kV and above voltage class auto/power transformers.
- b) Control and relay panel.
- c) Circuit breaker.
- d) EHV current transformer.

Therefore, price fall clause is not applicable on the items(s) (a) to (d) mentioned above up to the overall stipulated delivery schedule of total ordered quantity. Thereafter, the price fall clause will be made applicable.

1.59.6 If the material has been got inspected and cleared for dispatch within overall delivery schedule of total ordered quantity but material is not received at site within overall delivery schedule and techno-commercial bid/price bid of subsequent bid has been opened during this intervening period, then price fall clause shall not be made applicable on such supplies.

1.59.7 If the material has been got inspected and cleared for dispatch within overall delivery schedule of total ordered quantity but material is not received at site within overall delivery schedule and techno-commercial bid/price bid of subsequent bid has been opened before or during this intervening period, then price fall clause shall not be made applicable on such supplies.

NOTE: For the operation of price fall provision, the rates decided for procurement of material with World Bank assistance will not be considered.

1.60 DEFERMENT OF DELIVERY:

Supplies due for delivery by a supplier against any purchase order can be deferred with the approval of whole time directors in unforeseen or unavoidable circumstances or force majeure conditions. During deferment, if there happens any price escalation, the same shall be considered a price variation clause if so provided in the purchase order. For deferment of supply, a seven days' notice shall be served upon the supplier by the purchase officer. One month notice shall also be served for lifting the deferment intimating the date of deferment being lifted. Extension in delivery period equal to the period of deferment shall be allowed.

1.61 DEBARMENT FROM BIDDING:

1.61.1 A bidder shall be debarred in a procurement process for a period not exceeding three years commencing from the date on which he was debarred:

- a) if he has been convicted of an offence under the prevention of corruption Act, 1988 (Central Act No, 49 of 1988); or
- b) if he has been convicted of an offence under the Indian Penal Code, 1860 (Central Act No,45 of 1860) or any other law for the time being in force, for causing any loss of life or property or causing a threat to public health as part of execution of a public procurement contract; or
- c) a bidder has breached the code of integrity prescribed in terms of Code of integrity for bidder' specified in ITB; or

1.61.2 A bidder may be debarred in a procurement process for a period not exceeding three years commencing from the date on which he was debarred, where the entire bid security or the entire performance

security or any substitute thereof, as the case may be, of a bidder has been forfeited by the procuring entity in respect of any procurement process or procurement contract.

- 1.61.3 The procuring entity shall not debar a bidder under this clause unless such bidder has been given a reasonable opportunity of being heard.

SECTION-III
TECHNICAL SPECIFICATION AND OTHER REQUIREMENTS FOR
PG CLAMP FOR ACSR ZEBRA TO ZEBRA

3.1 SCOPE :

This specification covers the design, manufacture, testing at manufacturer's works before dispatch, supply and delivery of PG Clamp for ACSR Zebra to Zebra suitable for use on various 220 KV and 132 KV Grid Sub Stations in RRVPNL.

3.2 CLIMATIC CONDITIONS:

3.2.1 The PG Clamp for ACSR Zebra to Zebra shall be suitable for being installed directly in air for 132 & 220 KV grid substations.

3.2.2 They shall be therefore suitable for satisfactory operation under the tropical conditions listed below:-

- i) Location RAJASTHAN STATE
- ii) Max. Ambient Air Temp.(deg.C)..... 50 deg C
- iii) Min.Ambient Air Temp.(deg.C)..... (-) 5.0 deg C
- iv) Average daily Ambient Air Temp..... 45 deg C
- v) Max. Relative Humidity (%) 90%
- vi) Min. relative humidity (%)50
- vii) Average rainfall per annum 15 cm to 100cm
- viii) Maximum altitude above mean sea level (Meters) LESS THAN 1000m
- ix) Maximum wind pressure (Kg/Sq.m)..... 195
- x) Seismic level (Horizontal) Acceleration)..... 0.08 g
- xi) Number of rainy days per year70
- xii) Isoceraunic level (Days/annum)..... 40(thunder storm)

3.3 STANDARDS:

The PG Clamps for ACSR Zebra to Zebra should conform in all respect to the latest editions to IS:5561/1970. All nuts shall be made of material conforming to IS: 5561/1970. All nuts shall be made of material conforming to property clause 4.8 of IS:1367/1980 (Pt.VI) (2nd revision) with regard to its mechanical properties. All ferrous parts shall be hot dip galvanized. Electro galvanized ferrous fittings shall be checked in accordance with IS:1573/1986 with latest amendment.

3.4 REQUIREMENT :

The requirement of hardwares clamp & connectors for EHV substations are as indicated below :

Item. No.	Items	Qty. (sets)
1	PG Clamp for Zebra to Zebra	13649

The purchaser reserves the right to split the quantity & to entrust the order for the supplier on one or more supplier. The Bidder shall agree to supply part quantity if ordered on him at the rates/ prices mentioned in the tender and accepted by the purchaser.

3.5 POWER CONNECTORS :

3.5.1 MATERIALS:

All materials used shall conform to the relevant ISS. All aluminium and aluminium alloy used in the manufacture of the connector shall conform to designation A6 of IS:617(1975) Latest amended and IS:1367 (latest amended). Non-ferrous alloy bolts, nuts and spring washers shall conform to the relevant Standards.

3.5.2 DIMENSIONS AND TECHNICAL REQUIREMENTS :

Various minimum dimensional and technical parameters should be met as indicated in Annexure-I.

3.5.3 GENERAL REQUIREMENTS :

The power connectors shall be pressure die casting, smooth and free from cavities, blow-holes, surface blisters, cracks and other defects like sharp radii of curvature, ridges & excrescence which might lead to localized pressure or damage to conductor in service. All sharp edges and corners shall be blurred and rounded off. Power connectors shall be so designed and proportioned that they are capable of safely withstanding stresses to which they may be subjected (including these due to short circuit and climatic conditions) and that the effect of vibrations, both on the conductor and the connector itself are minimized. Sufficient contact pressure should be maintained at the joint by the provision of the required number of bolts or other fixing arrangements. But the contact pressure should not be so great as to cause relaxation of the joint by coil blow. The joint should be such that the pressure is maintained within the range under all conditions of service. To avoid excessive local pressure, the contact pressure should be evenly distributed by the use of pressure plates, washers or suitable saddles of adequate area and thickness.

3.5.4 RATINGS :

- i) Rated current: The rated current of power connectors and clamps shall be 1250 amp for ACSR Zebra.
- ii) Rated frequency of the power connectors shall be 50 Hz.
- iii) Rated short time current: Rated short time current of the connectors shall be as under:

<u>Short time r.m.s. current</u>	<u>for 1 sec.</u>
Connectors suitable for Zebra	40.0 kA

3.5.5 LIMITS OF TEMPERATURE RISE :

The limits of temperature rise specified are based on the following reference ambient temperatures:

- a) Maximum ambient air temp 50.0 Deg.C
- b) Maximum daily average ambient temp 45.0 Deg.C
- c) Maximum yearly average ambient temp 45.0 Deg.C

The temperature rise of power connectors above a reference ambient temperature of 40 Deg.C. when carrying rated current as above shall not exceed 45 Dec.C to fulfill the requirement of Cl.6 of IS:5561(1970).

3.5.6 PROTECTION AGAINST CORROSION:

All parts of power connectors shall either be inherently resistant to atmospheric corrosion or be suitably protected against corrosion, both during storage and in service.

All ferrous metal parts intended for outdoor use, except those made of stainless steel shall be protected by hot-dip galvanizing in accordance with IS:2633 (1986). The threads of nuts

and tapped bolts shall be cut after galvanizing and shall be well oiled or greased. All other threads shall be cut before galvanizing.

3.6 TYPE TEST CERTIFICATES :

The bidder shall submit duly signed and sealed copies of the following latest type test certificates as given below, not older than seven years as on the date of bid opening, from a NABL/ ILAC-MRA Accredited Laboratory, as per this Technical Specification or equivalent International standards like IEC, IEEE etc. Bids without type test reports will not be considered for evaluation. The drawing No. of the samples on which type tests were conducted should be clearly stated in the test report. A copy of the relevant detailed drawing indicating material, dimensions, weight etc. and duly signed and stamped by the testing authority should also be enclosed with the test report. The test should have been conducted on as many samples as specified in the ISS. The Bidder shall furnish a certificate to the effect that the material offered is identical in quality and performance with those given in test reports.

3.6.1 PG Clamp

- a. Visual examination test
- b. Verifications of dimensions
- c. Tensile test
- d. Resistance test
- e. Temperature rise test
- f. Short time current test
- g. Galvanizing/Electroplating test

IS: 5561 (1970) with latest amendment

3.7 ACCEPTANCE TEST

3.7.1 PG Clamp

- a. Visual examination test
- b. Verifications of dimensions
- c. Tensile test
- d. Resistance test
- e. Galvanizing test/Electroplating test

IS: 5561 (1970)with latest amendment

3.8 Routine tests

Test shall be carried out on each item by the supplier & to check requirements which are likely to vary during production as per relevant ISS (with latest amendment)

3.9 MARKING :

3.9.1 ON HARDWARE CLAMPS:

Following shall be marked on caps, clamps & lugs:

- i) Name of trade mark of the Manufacturer.
- ii) Country of Manufacturer(s)
- iii) Mark shall be forged or stamped with a steel die before galvanizing. The mark shall be distinct, durable and conspicuous.

The material bearing ISI Certification mark shall be given preference.

3.10 PACKING :

For packing PG clamps wooden case/double gunny bag shall be employed. The packing should be able to withstand rough handling during transit and storage at destination. The heads and threaded portions of fittings shall be properly protected against damage. The gross weight of each packing shall not normally exceed 50 Kgs. All nuts shall be hand tightened over the bolts and screwed upto the farthest point. The list showing quantity of components, product drawing and assembly/ maintenance instructions for the users should be sent with each consignments. One set of the approved drawings in respect of each item

should be sent to the respective consignee(s) while dispatching the material. 2.5% extra bolts, nuts, washers etc shall be supplied without any extra cost.

3.11. **INSPECTION** :

- i) The Purchaser shall have access at all times to the works and all other places of manufacture, where power conductor and ground wire accessories and hardware fittings are being manufactured and the manufacturer shall provide all facilities for unrestricted inspection of the Supplier's works, raw materials, manufacture of all the accessories and hardware and for conducting necessary tests as detailed herein.
- ii) No material shall be dispatched from its point of manufacture unless the material has been satisfactorily inspected and tested.
- iii) No acceptance of any quality of accessories and hardwares shall in no way relieve the Supplier of his responsibility for meeting all the requirements of this specification and shall not prevent subsequent rejection if such materials are later found to be defective.
- iv) The inspection and testing shall be carried out as per clause No.1.27 of GCC.

3.12. **DRAWINGS**:

The Bidder should submit detailed drawing showing design and dimensions of the complete hardware set along with design, weight and dimension of various parts. Full particulars of the conductor clamps shall be given and the type of material used of various parts should be clearly specified either on the drawing or in a separate statement.

The bid drawings should consist of:

- i) Dimensioned assembly drawings of the complete fittings.
- ii) Weight of Aluminium and steel portion separately.

3.13 **GUARANTEED TECHNICAL PARTICULARS FOR HARDWARE CLAMP & CONNECTORS**

Technical particulars of conductor in Annexure-II. The technical particulars of PG Clamp Zebra to Zebra shall be given by the Bidder in Schedule-V. Tenders not accompanied by schedule V are likely to be ignored.

3.15 DELIVERY:

Delivery shall be as follows:

S. No.	Particular of item	Qty. (sets)	Quantity to be supplied from the date of issue of PO (sets)	
			within 1 month	after 1 month and before 3 months
1	PG Clamp for Zebra to Zebra	13649	6825	6824

The bidder is to confirm this delivery requirement in Schedule VIII.

3.16. QUANTITIES :

The purchaser reserves the right to place repeat order for extra items or additional quantities up to 50% of the quantity of the individual items on the rates and conditions in the contract. The delivery period for such extra/ additional items shall be increased proportionately as per delivery period indicated in Schedule- VIII of this specification.

3.17 TESTING FACILITIES:

The Bidder must indicate clearly about the various testing facilities for type tests as well as routine, acceptance tests as per relevant ISS in respect of PG Clamp as are available at the Bidders works. In case no testing facilities are available at the Bidder’s works, particulars of the place where such testing is proposed to be conducted during the course of inspection must be indicated.

3.18 DEVIATIONS FROM SPECIFICATIONS :

The technical specification contained in this section are for the guidance of the bidder. Any deviation from the purchaser’s specification will be considered on their relative merits in respect of performance, efficiency, durability and overall economy consistent with the purchaser’s requirements. Such deviations shall be clearly entered by the Bidder in the form as per Schedule-VI A & VI B of the specification.

Appendix -XIPRICE VARIATION FOR SUBSTATION HARDWARES AND CLAMPS & CONNECTORS

(Must be signed by the bidder and attached with Techno-commercial Bid)

The price quoted/confirmed is based on the cost of raw material/components as on the date of quotation and is deemed to be related to the rates for raw materials, Index Aluminium, Zinc, Steel Billets-Retail and all India average Consumer Price Index Number for Industrial workers as specified below. In case of any variation in these rates and index Numbers, the prices shall be subject to adjustment up or down in accordance with the appropriate applicable formula as under :

(A) Substation Hardware and Clamps & Connectors containing both Aluminium and Steel :

$$P = \frac{P_0}{100} \left(20 + 40 \frac{Al}{Al_0} + 5 \frac{Zn}{Zn_0} + 20 \frac{SBIR}{SBIR_0} + 15 \frac{W}{W_0} \right)$$

(B) Substation Hardware and Clamps & Connectors containing All Aluminium:

$$P = \frac{P_0}{100} \left(20 + 65 \frac{Al}{Al_0} + 15 \frac{W}{W_0} \right)$$

(C) Substation Hardware and Clamps & Connectors containing All Steel:

$$P = \frac{P_0}{100} \left(20 + 58 \frac{SBIR}{SBIR_0} + 7 \frac{Zn}{Zn_0} + 15 \frac{W}{W_0} \right)$$

Wherein -

 P = Price payable as adjusted in accordance with the above price variation formula. P_0 = Price quoted/confirmed, Ex-works price. Al_0 = Price of LME Average settlement price including premium for ingot in Rs./MT.

This price is applicable on the first working day of the month, one month prior to the date of tendering.

$SBIR_0$ = Price of Steel Billets- Retail are the average price of Billets of size 100mm of all Cities in Rs/MT; as published by Joint Plant Committee (JPC), Kolkata,.

This price is as applicable on the first working day of the month, one month prior to the date of tendering.

Zn_0 = Price of electrolytic high grade zinc in Rupees per MT as quoted by the primary producer of Zinc.

This price is applicable on the first working day of the month, one month prior to the date of tendering.

W_0 = All India Average Consumer Price Index Number for Industrial Workers general index(base:2001-100), as published by the Labour Bureau, Govt. of India. This index number is as applicable for the month, 3 months prior to the date of tendering.

The above rates of raw materials are those published by IEEMA as prevailing on the 1st. working day of calendar month one month prior to the date of tender opening i.e. 01.02.2018. On above basis price variation factor (i.e. P/P_0) will be calculated and Price Variation will be allowed on the ex-works price of the material based on

this factor. The price of Steel Billets-Retail are the average price of Billets of size 100mm of all cities in Rs/MT; as published by Joint Plant Committee (JPC), Kolkata. The All India Average consumer Price Index Number would be for the month, two months prior to the Date covering other applicable rates of raw materials/ components e.g. when a tender quotation is submitted in May, 01, the Price applicable for LME Aluminium, Zinc and Steel Billets Retail would be as prevailing on 1st working day of April, 01 and the All India Average Consumer Price Index Number will be that for month of Feb, 01.

Al =	Price of LME average settlement price including premium for ingot in Rs./MT	Rate of this raw material is as published & circulated by IEEMA as prevailing on the 1st working day of calendar month covering the date two months prior to the date of delivery.
SBIR =	The price of Steel Billets - Retail are the average price of Billets of size 100 mm of all cities in Rs/MT; as published by Joint Plant Committee (JPC) Kolkata.	The applicable price is applicable on the first working day of the month , two months prior to the date of delivery.
W =	All India Average Consumer price Index Number for Industrial Workers, general index as published by the Labour Bureau, Govt. of India. This index is also circulated by IEEMA.	Consumer price Index Number for Industrial Workers general index as published by the Labour Bureau, Govt. of India, would be for the month, four months prior to the date of delivery.
Zn =	Price of Electrolytic high grade Zinc.	The prices is as applicable the first working day of the calendar month, two months prior to the date of delivery.

If the date of delivery in terms of clause given below falls in July 2015, the applicable price for LME Aluminium, Zinc and Steel Billets-Retail (SBIR) should be for the month May 2015 and All India Average Consumer Price Index Number (W) should be for the month of March 2015.

The basic cost applicable for claiming price variation shall be prevailing on the first day of Calender month which shall be determined in the manner prescribed hereunder.

(i) When the material is offered within stipulated delivery schedule:

For allowing P.V. the date of delivery shall be considered the date on which material is notified as being ready for inspection (date of receipt of inspection call in the office, if the offered material is lying ready) or the date of actual delivery, whichever is beneficial to the Nigam.

(ii) When the material is offered after expiry of stipulated delivery schedule:

For allowing P.V. in the cases the supplies are made after the expiry of scheduled delivery, the price prevailing in the last month of the stipulated scheduled delivery or the date on which material is notified as being ready for inspection (date of receipt of inspection call in the office if the offered material is lying ready) or actual date of delivery whichever is beneficial to Nigam.

(iii) When the material is offered ahead of delivery schedule on the request of RVPN:

Normally supplies ahead of delivery schedule shall not be accepted. However in case of urgency of material, if supplies are accepted ahead of delivery schedule, PV shall be allowed on the basis the material is notified as being ready for inspection (date of receipt of inspection call in the office if the offered material is lying ready) or the actual date of delivery whichever is beneficial to Nigam.

(iv) When the material is offered ahead of delivery schedule by firm at their own and accepted by RVPN on the request of firm:

Normally the request of the firm to accept the material ahead of delivery schedule will not be accepted. In case firm offers supplies ahead of delivery schedule at their own and such request is accepted by RVPN, the price prevailing in the first months of stipulated delivery schedule or the date on which material is notified as being ready for inspection (date of receipt of inspection call in the office if the offered material is lying ready) or actual date of delivery whichever is beneficial to Nigam shall be allowed.

In case IEEMA changes the applicable formula/indices for price variation during the pendency of the contract for any item, and issue guidelines for adopting the same during pendency of the contract, the new formula and guidelines shall become applicable for which no confirmation shall be taken from the supplier. the same shall be applicable, provided if during pendency of the contract when both old and new price indices are being circulated, in such circumstances the lower of the price variation evaluated as per both old and new formula/indices, whichever shall be admissible to the supplier(s), and for the period from which the old indices are discontinued, the price variation shall be admissible as per the new PV formula with new indices.

PERFORMANCE CERTIFICATE

It is to certify that M/s _____ has supplied the following materials for the quantities indicated against each.

S. No	Order no. & date	Designation & address of order placing authority/ User	Description of material	Quantity	Name of line along with voltage rating where material installed	Date of commissioning	Performance of material.

The above mentioned material installed in our system and its performance is found satisfactory.

Date of issuing _____

Signature of issuing authority with seal
 Name and Designation of issuing authority
 Address along with Phone No. and
 Fax of issuing authority

NOTE : In case of those bidders who have supplied the similar or higher rating material to RVPN shall furnish the details of such supplies in the above proforma which shall be signed by their authorized signatory along with seal and certificates is not required from the Purchaser/ User in respect of such supplies.

Appendix -XIII**Additional Conditions of Contract**

(Must be signed by the bidder and attached with Techno-commercial Bid)

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- (i) If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- (ii) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- (iii) If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- i) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- ii) Repeat order for extra items or additional quantities may be placed on the rates and conditions given in the contract if the original order was given after inviting open competitive bids. Delivery or completion period may also be proportionately increased. The limits of repeat order shall be as under.
 - a) 50 % of the quantity of the individual items and 50% of the value of original contract in case of works and
 - b) 50% of the value of goods or services of the original contract.
