The Chief Engineer (_____),

The Superintending Engineer (_____),

Rajasthan Rajya Vidyut Prasaran Nigam Ltd.,
_____.**Sub: - Clarification regarding procurement without Quotation**

It has come to our notice that difficulties are being faced in PCB recoupment/adjustment due to interpretation of Rule 26 of RTPP wherein the subject matter of procurement valuing up to rupees ten thousand may be procured on one occasion subject to a limit of below rupees one lakh during a financial year without inviting quotations from the Govt. Departments/ Corporations, Authorized dealers, Cooperative Store/ Bhandars or Retailers who are bona-fide dealers in subject matter of procurement.

It is hereby clarified that for this purpose, the limit of Rs.10,000/- on one occasion subject to a limit of below Rs.1,00,000/- during a financial year is to be considered not for the total amount spent through PCB, SDA etc. but for a subject matter of procurement. In other words, the limit of Rs.10000/- shall apply for each subject matter like minor repair of departmental vehicle, loading/unloading of materials, stacking of material, transportation of material , etc. separately.

In case it is expected that the extent of procurement of a particular subject matter / item on a occasion exceeds Rs.10,000/-, advance action should be taken for procurement through other method of procurement as per RTPP Act and Rules.

Similarly, in case a total expenditure of one subject matter in a financial year expected to exceed to Rs.one lac, action should be initiated for procurement of that subject matter through other methods of procurement as per RTPP Act and Rules.

It is also clarified that procurement under rule 32 of the Rules from notified agencies like IOC/HPCL/IBP/BPL (Petrol, Diesel, Lubricants), SAIL / Hindustan Steel (Iron and Steel), retail shops of CONFED, etc. (Stationery articles, Phenyl, soaps, detergents, brooms, bags, washing powders, etc.) etc. does not fall under the purview of rule 26.
