OFFICE ORDER

The GPF and CPF Trusts of the Power Sector Companies of Rajasthan have decided to implement the DOIT software for maintenance of its data and future transactions regarding loan payment, final payment etc.

As part of implementation of the above decision, SSO ID's of each of RVPN employee has been generated and the same is uploaded on RVPN's website. The password may be obtained from the controlling officer. All employees of RVPN are advised to login to their SSO ID and change the password after first login. All employees should also get their mobile numbers linked with Aadhar number, if not already done, to obtain OTP for first time login.

All employees may note that GPF & CPF loan/ final payment shall be done only through this software w.e.f. 15th Oct, 2018 in place of SAP-ERP. The employees will have to send their request for loan payment/ final payment only through their SSO ID's. Please note that now onwards only online loan/ final payment applications form through DOIT software will be entertained by Trust. Training manual for SSO ID login and procedure of loan and final payment application is available on RVPN's website. Till further orders, hard copy of the applications may also be sent through head of office, as is presently being done.

In case of any technical problem the following officers/ officials of the Trusts may be contacted:
