The Zonal Chief Engineer (T&C)

Raj.Rajya Vidyut Prasaran Nigam Ltd.,

Jaipur/Jodhpur/Ajmer

All Superintending Engineer (T&C),RVPN _____

Sub :- Streamlining of the works pertaining to connectivity and network maintenance at various offices in RVPN.

Ref:- (i) This office letter no 346 dated 24.08.2017 regarding TA to SE (T&C) shall be the nodal officer for coordinating with the MIS unit for resolution of local LAN issues.

Reference may kindly be made to earlier communication dated 24.08.2017, vide which It has intimated that communication to all the concerned T&C Circle office in-charge that the TA to SE (T&C) shall be the nodal officer for coordinating with the MIS unit for resolution of local LAN issues but till date implementation of above are still pending from your jurisdiction circles/offices.

In this connection, it is also decided that the nodal officer shall take the assistance (if required) of the AEN/JEN (Communication) deputed in the T&C Circle office for resolution of the issue.

For the issue of new connectivity requirement of the GSS locations and other field offices, the OSD (Telecom) unit shall coordinate with the field units and take the feedback of their connectivity issues/any other connectivity specific requirement and forward the same to the MIS unit for action.

It is therefore requested to kindly intervene in the matter personally and instruct to subordinate officers for compliance of above. It is once again requested may also be ensured that the Nodal officers so appointed shall attend the problem of network connectivity and coordinate with the circle officer of the MIS unit for disposal of same.
