Ref: This office letter D.178 dated 15-06-2017

On the subject cited above please refer to this office letter no.178 dt. 15th June 2017 vide which it was intimated that various NIBs had been uploaded in SPPP portal without various Bid related documents. According to Rajasthan Transparency in Public Procurement Act, 2012 Rajasthan Transparency in Public Procurement Rules, 2013 every Procurement Entity(PE) will have to upload the followings on SPPP portal so the prospective bidders may download the bidding document from the website:-

- i. Upload NIB,
- ii. Complete bid documents,
- iii. Comparison chart,
- iv. Work order

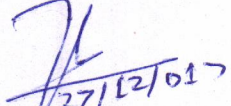

It has come to the notice that many PEs are not carrying out above mentioned activities as a result it is being reflected as pending activities on SPPP portal. The pending activities may be checked by logging-in to SPPP portal and the very first thing displayed is the list of pending activities like BID DOCUMENT NOT UPLOADED, COMPARISON CHART NOT UPLOADED etc. , further details can be seen in the reports by clicking on SPPP-MIS tab on the website and then clicking on generate report.

In this regard it is once again requested to attend all the pending activities and upload their complete bid documents and further Bid processing document i.e. comparison chart and WO etc..
