Sub:- Implementation of SAP-ERP- **Go-Live preparation**

On the subject cited above it has already been brought to your notice that SAP ERP is scheduled to be Go live w.e.f. 1st July 2016 i.e. all the activities like issue of PO/WO, material receipt/issue, payment against receipt of material and all financial transaction of Project/Scheme of RVPN shall be performed through SAP to finalize the Annual account/Asset Register /cost of project.

It may please be noted that all the transaction of material consumed/WIP & balance material/MAS of running project/scheme shall be entered in the SAP.

As the WIP of the ongoing projects has been prepared and finalised by the concerned AEN(T&C) the same is now required to be split in two parts i.e.

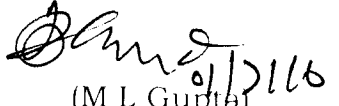

Part-I :-providing the total value (in Rs.)of the material already erected on the site and

Part-II:-preparation of the details of the material including the rate and quantity lying at the site and allocated to the subject project alongwith material code.

In order to carry out this work quickly in a time bound manner it has been decided that the these entries shall be carried out centrally by the selected officers/officials (**as per Annexure-A**) selected from the respective circles at JMC Jaipur under the supervision/guidance of IT/Doman core team/ Yash Technology team. The deployed teams shall be responsible for the following:-

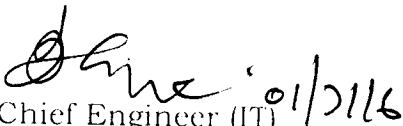

- Segregating MAS and WIP details of the material for all the running/ongoing project/Scheme as on 1st April 2016 in the excel sheets already prepared/finalised and submitted to accounts by the concerned AENs(T&C) as detailed out above.
- Entry of material code in the above referred sheets
- Entry of material consumed/WIP w.e.f. 01.04.2016 to 30.06.2016 of all running project/Scheme open as on 1st April 2016 in SAP of the respective (T&C) circle
- Entry of progress of the running projects/Scheme

In order to perform this task circle wise teams have been constituted as per the enclosed list in **Annexure-A** and these team have to report at JMC as per the time schedule mentioned against their names alongwith the relevant records and data. Circles SEs/Zonal Chief Engineer are advised to monitor this work closely and ensure that all the entries required for transaction are made otherwise their work will be held up .
