----Respondents

For Petitioner(s) : Mr. Chandrakant

For Respondent(s) :

HON'BLE MR. JUSTICE V. K. BISHNOI

सत्यमेव जयते

08/09/2020

This writ petition is preferred on behalf of the petitioner under Article 226 of the Constitution of India with a prayer that the respondents be restrained from erecting tower measuring 124x124 ft. instead of 66x66 ft. in his field situated in Khasra No.142 of Village Bithari. It is also prayed that the respondent-company may kindly be directed not to lay HT Lines having 36 wires over the tower through the petitioner's field situated in

Khasra No.142. Learned counsel for the petitioner has also prayed that suitable compensation be given to him.

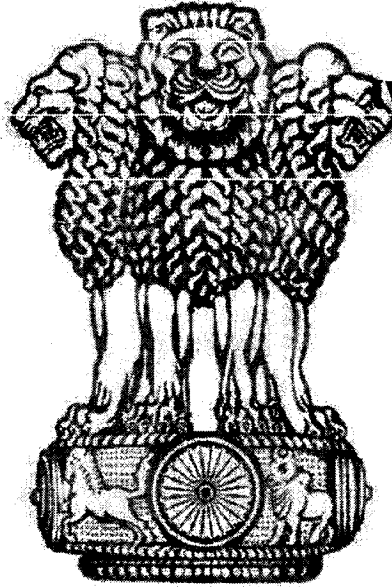

Having heard learned counsel for the petitioner and after going through the material available on record, this Court is of the opinion that erection of electricity lines and towers is done by authorities under the powers conferred by the Indian Telegraph

Act, 1885. If the petitioner has any grievance regarding erection of electricity Lines or with the construction of towers in his culture field, he is free to avail remedy as provided under the Indian Telegraph Act, 1885.

With these observations, this writ petition is dismissed.
