Sub: Disposal of mix iron scrap and empty Oil drums.

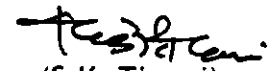

It has been reported during weekly Video Conference meetings that 220 kV and 132 kV Sub Station (GSS) In-charge are facing difficulties in depositing small quantity of mix iron scrap and empty Oil drums in the Central Stores due to non-availability of adequate transportation facilities. It has also been reported that substantial amount is being spent for transportation of these items into the central stores of RVPN for further disposal through e-auction.

To overcome such difficulties, it has been decided that, henceforth, small quantities of mix-iron scrap and empty oil drums shall be gathered at respective C&M Circle level stores and as and when the quantity reaches more than 5 MT in case of mix iron scrap and adequate quantity gathered in case of empty oil drums, the same shall be disposed-off through e-auction at the respective C&M store of the circles on as is where is basis by XEN (M&F), RVPN, Jaipur as per prescribed procedure of disposal of scrap material.

Zonal Chief Engineer (T&C), RVPN, Jaipur, Ajmer & Jodhpur and Chief Engineer (MPT&S) are advised to issue necessary directions to the field officers to deposit mix iron scrap and empty oil drums immediately to the respective C&M stores and ensure strict compliance of this order.

This bears approval of the CMD, RRVNPL.

By Order,
