CIRCULAR

RVPN is carrying out project, on turnkey/ Partial turnkey/Supply & ETC basis under domestic competitive bidding. The commercial bidding document consisting of ITB, GCC & ECC issued by PP&D wing is presently being used for the bidding purposes.

At present there is no version control for this document and at times various wings of RVPN make changes in these documents with approval of the WTD or in corporate changes as per their project requirement, it creates various versions of these documents, which lacks uniformity.

In view of above, it is enjoyed upon all concerned wings of RVPN that, for bidding documents of above mentioned type projects the latest version of ITB, GCC & ECC as issued by PP&D wing shall be utilized. Any changes made in these documents after approval of the WTD, RVPN or to be approved in future by the WTD, RVPN shall be promptly intimated to the CE(PP&D) for incorporation in last issued version to maintain the uniformity in standard terms and conditions of the commercial bid document.

This bears the approval of the CMD, RVPN
