CIRCULAR

Sub: Using of safety devices/shoes while working on live lines/GSS.

It has been reported in the 6th Sr. Officers Meeting held on 25.01.2018 that while carrying out operation & maintenance / repair works on the live line/GSS, safety precautions are not being implemented or safety devices are not being provided to the technical staff. It is therefore, reiterated once again that all the Circle Superintending Engineers/Executive Engineers/Asstt. Engineers/In-charge of the Grid Sub Station to ensure to provide safety devices such as, insulated shoes, safety mats, hand gloves, checkered plates and earthing chains etc. to all the technical employees including Probationer Trainees. No employee including Probationer Trainees should be allowed to work on the line/GSS without using safety devices or following safety precautions. Compliance of these instructions should be strictly followed.

By order,
