Date: 23/7/2018

**ORDER**

It is observed that after issue of order No. RVPN/DS(GAD)/F M&F/D.42 dated 11-04-2018 regarding change in the voice and Broadband Tariff Plans many of the offices are still continuing the old plan of Higher denomination and few offices have also requested for retention of their earlier plans citing impact their working if the plans are lowered

In view of the plan revision by BSNL on regular basis the features such as higher calling limit, high data usage etc. which were earlier available in the higher tariff plans (Plan 945 and above) are now available even in the lower tariff plans. Hence, the apprehension regarding impact on working is not much relevant.

The BSNL has recently introduced unlimited calling on plan BBG combo ULD 675 which was hitherto available only in higher plans. Since, the plan BBG Combo ULD 675 is an economical plan, all the offices which are still continuing with subscription of plans of higher denomination are hereby instructed to immediately migrate to the Plan BBG combo ULD 675.
