2. PROJECT PROFILE & BACKGROUND INFORMATION

1) Project Profile

Government of Rajasthan, as part of its on-going Information Technology (IT) reforms, envisions moving towards an e-enablement. It aims to utilize the benefits of Information Technology to bring about radical changes in the way various processes are carried out presently to improve the Accountability, Transparency & Effectiveness in Government administration. The ultimate objective is to arm the Government with IT enabled systems to assist them in carrying out their day-to-day functions to help deliver G2G, G2B and G2E services.

Currently, there is no integrated IT system available to enable Electrical Inspectorate Department, Jaipur to: - receive application, issue/renew/cancel the certificate/permit/license, verify the eligibility status/ application, real-time status of application, etc. in a systematic manner which impacts: timely issuance of certificate/permit/licenses, transparency, proper planning and monitoring, seamless exchange of information within and other department/s, real-time information, Work Force productivity, etc. To overcome the above issues, Electrical Inspectorate Department is implementing a comprehensive integrated application for applying, issuance and renewal of certificate/permit/license/s.

The software for e-governance is being developed separately through the RISL. The Electrical Inspectorate desire to procure compatible IT hardware as per the specifications provided in this bidding document. The items to be procured through this tender would be used for day to day office work. These offices are located at Zonal and divisional level of the Electrical inspectorate department.

The Bidder shall Supply & Install the respective items (details as per annexure-1 i.e. bill of material) and thereafter provide warranty support as per terms and conditions of this bidding document.

2) About the Department

The Electrical Inspectorate Department is responsible for safety of electrical installation in the State. The prime responsibility of the department is to inspect the installation as per safety rules prescribed in prevalent rules and regulations, before authorizing the energization of the new electrical installation; for the existing installation, the department undertakes periodical inspection to ensure the electrical safety.

The permit/certificate/licence issued by the department is authorizing a person/firm to work and to earn for livelihood. Since, the work of the department is impacting directly on
the employment index of the state and therefore necessitates ease, promptness, objectivity and transparency in the process. This was also recognized by the Government while issuing Rajasthan Electrical Inspectorate (Formation of Technical Committee and Grant of Licence, Competency Certificate to work and permit to work) Rules, 2016. As per rule 21(1) of which, it is mandated for the Electrical Inspectorate Department to enable electronics delivery of service within one year from the date of publishing of the said rules. In compliance of the said rule, a web and mobile based application need to be develop and implement for Electrical Inspectorate Department in implementing the E-Governance.

4. **SCOPE OF WORK, DELIVERABLES & TIMELINES**

1) **Details of work (SoW)**

The successful commissioning of the project requires the System Integrator (SI) to provide quality & timely services to Department of Electrical Inspectorate, GoR. The bidders are advised to carefully read the Scope of Work.

The broad scope of work for the SI during the period of contract/engagement would include the following phases:

- **Phase-I: Supply & Installation** - Supply, installation and configuration of requisite IT infrastructure at all the project locations.
- **Phase-II: Support Services** – Provide Support Services for supplied IT infrastructure during the warranty period)

For successful commissioning of the project, SI shall deploy a Project Manager who will be the single point of contact (SPOC) for Department of Electrical Inspectorate, throughout this project. SI shall provide the contact numbers, e-mail id and other relevant details of the SPOC to Department of Electrical Inspectorate, and he would be responsible for end to end Project Management. The detailed scope of work for the SI during the period of contract/engagement would include (but not limited to) the following:

**A. Phase-I: Supply & Installation**

This phase would commence from the Date of issuance of Work Order. During this period:

a) The successful bidder, hereinafter referred to as System Integrator (SI), shall supply all the ordered items as per details mentioned in “Annexure-1: Bill of Material” and “Annexure-2: Technical Specifications” at the locations specified in the Work Order and shall submit its delivery challan at Department of Electrical Inspectorate.

b) The hardware should be supplied with all the required installation material/accessories (like screws, clamps, fasteners, ties anchors, supports, grounding strips, wires etc.) for proper & complete installation at respective sites.

c) The software supplied (OS, Anti-viruses etc.) should include appropriate number of genuine OEM licenses (wherever applicable) under the name of “Senior Electrical Inspector, Department of Electrical Inspectorate, Govt. of Rajasthan”.

d) The supplied anti-virus clients should be installed on all the supplied desktop/laptop/workstation computers.

e) Department of Electrical Inspectorate/Nodal officer, upon receipt of delivery of all the ordered items as per prescribed time-schedule, shall verify the same in accordance with the delivery challan and inspect to validate them in compliance with the work order.
f) The SI shall install and configure all the supplied software on respective hardware. Also, the SI shall integrate all the peripheral devices like printer, scanner, bar-code reader, etc. with supplied Desktop/ Laptop computer etc.

g) The SI, wherever required & applicable, shall connect the supplied items to the existing SecLAN-MAN/ NIC network such that the end-user is able to access the SDC/ NIC infrastructure/services of SecLAN-MAN/ NIC Network. This would require the SI to configure a given IP address on the installed equipment (Desktop, Laptop, Printer, Switch, etc.) as per SecLAN-MAN/ NIC IP addressing policy.

h) All the equipment installed should bear a printed sticker tag consisting of SI Name, Helpdesk number, email address and URL which shall be referred to by the end-users for reporting any problem/fault in the installed hardware/software.

i) Upon successful installation of all the supplied Hardware/ Software, the SI shall submit the installation reports (in original) duly verified by the respective nodal officer/end-user.

j) The SI, during installation, shall not cause any damage to government premise/property otherwise; it shall restore the same to original state at its own cost. All the installation work shall be done by the SI in a conscientious manner and as per the OEM guidelines, best industry practices, and all regulatory norms, as applicable. It shall be the responsibility of the selected bidder to bring all the equipment and tools required for installation of the supplied items.

k) At any point of time, Department of Electrical Inspectorate may ask SI to deliver some/a lot of the items at Department of Electrical Inspectorate for random inspection/Testing/quality check and after successful inspection SI shall deliver back the items to designated place at his own cost.

B. Phase-II: Support Services Phase

After successful Installation, the Contract period of 3 Years shall commence. During this period, the SI shall:

a) Provide comprehensive onsite support services for the installed hardware/software at designated project locations. This involves comprehensive maintenance of all installed hardware/software covered under the warranty (as per Warranty clause of Chapter-6 (General terms & Conditions) including repairing, replacement of faulty parts, modules, sub-modules, assemblies, sub-assemblies, spares, etc. with genuine OEM components to make the system functional/operational as per SLA.

b) Provide a dedicated centralised helpdesk number, email address and web-based interface such that the end-user may report problems, if any, using any of the available methods. The web-based interface should also facilitate the tracking of the complaints reported based on the complaint/ticket number along with resolution details.
c) In case of problems/ issues/ maintenance with the installed hardware/ software, SI shall depute qualified service engineers (other than SPOC) for timely resolution of issues.

c) The bidder should ensure that all the required documents, as mentioned in this bidding document, are submitted along with the Bid and in the prescribed format only. Non-submission of the required documents or submission of the documents in a different format/ contents may lead to the rejections of the Bid submitted by the bidder.

6) **Cost & Language of Bidding**

a) The Bidder shall bear all costs associated with the preparation and submission of its Bid, and the procuring entity shall not be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.

b) The Bid, as well as all correspondence and documents relating to the Bid exchanged by the Bidder and the procuring entity, shall be written only in English Language. Supporting documents and printed literature that are part of the Bid may be in another language.
provided they are accompanied by an accurate translation of the relevant passages in English/ Hindi language, in which case, for purposes of interpretation of the Bid, such translation shall govern.

7) **Alternative/ Multiple Bids**

Alternative/ Multiple Bids shall not be considered at all. Also, the bidder shall not quote for multiple brands/ make/ models but only one in the technical Bid and should also mention the details of the quoted make/ model in the “Annexure-9: Components Offered”.

8) **Bid Security**

Every bidder, if not exempted, participating in the procurement process will be required to furnish the bid security as specified in the NIB.

e) In lieu of bid security, a bid securing declaration shall be taken from Departments of the State Government, Undertakings, Corporations, Autonomous bodies, Registered Societies and Cooperative Societies which are owned or controlled or managed by the State Government and Government Undertakings of the Central Government.

f) Bid security instrument or cash receipt of bid security or a bid securing declaration shall necessarily accompany the technical bid.

g) Bid security of a bidder lying with the procuring entity in respect of other bids awaiting decision shall not be adjusted towards bid security for the fresh bids. The bid security originally deposited may, however, be taken into consideration in case bids are re-invited.

h) The bid security may be given in the form of a banker's cheque or demand draft or bank guarantee (bank guarantee is allowed only where bid security amount is INR 10 Lakhs or above), in specified format, of a scheduled bank. The bid security must remain valid 30 days beyond the original or extended validity period of the bid.

i) The issuer of the bid security and the confirmer, if any, of the bid security, as well as the form and terms of the bid security, must be acceptable to the procuring entity.

j) Prior to presenting a submission, a bidder may request the procuring entity to confirm the acceptability of proposed issuer of a bid security or of a proposed confirmer, if required. The procuring entity shall respond promptly to such a request.

k) The bank guarantee, if any, presented as bid security shall be got confirmed from the concerned issuing bank. However, the confirmation of the acceptability of a proposed issuer or of any proposed confirmer does not preclude the procuring entity from rejecting the bid security on the ground that the issuer or the confirmer, as the case may be, has become insolvent or has otherwise ceased to be creditworthy.

l) The bid security of unsuccessful bidders shall be refunded soon after final acceptance of successful bid and signing of Agreement and submitting performance security.
m) The Bid security taken from a bidder shall be forfeited, including the interest, if any, in the following cases, namely:
   a. when the bidder withdraws or modifies its bid after opening of bids;
   b. when the bidder does not execute the agreement, if any, after placement of supply/work order within the specified period;
   c. when the bidder fails to commence the supply of the goods or service or execute work as per supply/work order within the time specified;
   d. when the bidder does not deposit the performance security within specified period after the supply/work order is placed; and
   e. if the bidder breaches any provision of code of integrity, prescribed for bidders, specified in the bidding document.

n) Notice will be given to the bidder with reasonable time before bid security deposited is forfeited.

o) No interest shall be payable on the bid security.

p) In case of the successful bidder, the amount of bid security may be adjusted in arriving at the amount of the Performance Security, or refunded if the successful bidder furnishes the full amount of performance security.

q) The procuring entity shall promptly return the bid security after the earliest of the following events, namely:-
   a. the expiry of validity of bid security;
   b. the execution of agreement for procurement and performance security is furnished by the successful bidder;
   c. the cancellation of the procurement process; or
   d. the withdrawal of bid prior to the deadline for presenting bids, unless the bidding documents stipulate that no such withdrawal is permitted.

9) Deadline for the submission of Bids
   a) Bids shall be received online at e-Procurement portal and up to the time and date specified in the NIB.
   b) Normally, the date of submission and opening of Bids would not be extended. In exceptional circumstances or when the bidding document are required to be substantially modified as a result of discussions in pre-bid meeting/conference or otherwise and the time with the prospective bidders for preparation of Bids appears insufficient, the date may be extended by the procuring entity. In such case the publicity of extended time and date shall be given in the manner, as was given at the time of issuing the original NIB and shall also be placed on the State Public Procurement Portal, if applicable. It would be ensured that after issue of corrigendum, reasonable time is available to the bidders for preparation and submission of their Bids. The procuring entity shall also publish such modifications in
the bidding document in the same manner as the publication of initial bidding document. If, in the office of the Bids receiving and opening authority, the last date of submission or opening of Bids is a non-working day, the Bids shall be received or opened on the next working day.

10) Withdrawal, Substitution, and Modification of Bids
   a) If permitted on e-Procurement portal, a Bidder may withdraw its Bid or re-submit its Bid (technical and/ or financial cover) as per the instructions/ procedure mentioned at e-Procurement website under the section "Bidder's Manual Kit".
   b) Bids withdrawn shall not be opened and processes further.
   c) No bid shall be withdrawn, substituted, or modified after the last time and date fixed for receipt of bids.

11) Opening of Bids
   a) The Bids shall be opened by the bid opening & evaluation committee on the date and time mentioned in the NIB in the presence of the bidders or their authorised representatives who choose to be present.
   b) The committee may co-opt experienced persons in the committee to conduct the process of Bid opening.
   c) The committee shall prepare a list of the bidders or their representatives attending the opening of Bids and obtain their signatures on the same. The list shall also contain the representative’s name and telephone number and corresponding bidders’ names and addresses. The authority letters, if any, brought by the representatives shall be attached to the list. The list shall be signed by all the members of Bid opening committee with date and time of opening of the Bids.
   d) All the documents comprising of technical Bid/ cover shall be opened & downloaded from the e-Procurement website (only for the bidders who have submitted the prescribed fee(s) to Department of Electrical Inspectorate & RISL).
   e) The committee shall conduct a preliminary scrutiny of the opened technical Bids to assess the prima-facie responsiveness and ensure that the:
      a. bid is accompanied by bidding document fee, bid security or bid securing declaration, and processing fee (if applicable);
      b. bid is valid for the period, specified in the bidding document;
      c. bid is unconditional and the bidder has agreed to give the required performance security; and
      d. other conditions, as specified in the bidding document are fulfilled.
      e. any other information which the committee may consider appropriate.
f) No Bid shall be rejected at the time of Bid opening except the Bids not accompanied with the proof of payment or instrument of the required price of bidding document, processing fee and bid security.

g) The Financial Bid cover shall be kept unopened and shall be opened later on the date and time intimated to the bidders who qualify in the evaluation of technical Bids.

12) **Selection Method:**

Lowest financially evaluated & technically responsive bidder shall be selected for award of contract.

13) **Clarification of Bids**

- **a)** To assist in the examination, evaluation, comparison and qualification of the Bids, the bid evaluation committee may, at its discretion, ask any bidder for a clarification regarding its Bid. The committee’s request for clarification and the response of the bidder shall be through the e-Procurement portal.

- **b)** Any clarification submitted by a bidder with regard to its Bid that is not in response to a request by the committee shall not be considered.

- **c)** No change in the prices or substance of the Bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the committee in the evaluation of the financial Bids.

- **d)** No substantive change to qualification information or to a submission, including changes aimed at making an unqualified bidder, qualified or an unresponsive submission, responsive shall be sought, offered or permitted.

14) **Evaluation & Tabulation of Technical Bids**

- **a)** **Determination of Responsiveness**

  - a. The bid evaluation committee shall determine the responsiveness of a Bid on the basis of bidding document and the provisions of pre-qualification/ eligibility criteria of the bidding document.

  - b. A responsive Bid is one that meets the requirements of the bidding document without any material deviation, reservation, or omission where:

    - i. "deviation" is a departure from the requirements specified in the bidding document;

    - ii. "reservation" is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the bidding document; and

    - iii. "Omission" is the failure to submit part or all of the information or documentation required in the bidding document.

- **c)** A material deviation, reservation, or omission is one that,
i. if accepted, shall:-
   1. affect in any substantial way the scope, quality, or performance of the subject matter of procurement specified in the bidding documents; or
   2. limits in any substantial way, inconsistent with the bidding documents, the procuring entity’s rights or the bidder’s obligations under the proposed contract; or

ii. if rectified, shall unfairly affect the competitive position of other bidders presenting responsive Bids.

d. The bid evaluation committee shall examine the technical aspects of the Bid in particular, to confirm that all requirements of bidding document have been met without any material deviation, reservation or omission.

e. The procuring entity shall regard a Bid as responsive if it conforms to all requirements set out in the bidding document, or it contains minor deviations that do not materially alter or depart from the characteristics, terms, conditions and other requirements set out in the bidding document, or if it contains errors or oversights that can be corrected without touching on the substance of the Bid.

b) Non-material Non-conformities in Bids

a. The bid evaluation committee may waive any non-conformities in the Bid that do not constitute a material deviation, reservation or omission, the Bid shall be deemed to be substantially responsive.

b. The bid evaluation committee may request the bidder to submit the necessary information or document like audited statement of accounts/ CA Certificate, Registration Certificate, VAT/ CST clearance certificate, ISO/ CMMi Certificates, etc. within a reasonable period of time. Failure of the bidder to comply with the request may result in the rejection of its Bid.

c. The bid evaluation committee may rectify non-material nonconformities or omissions on the basis of the information or documentation received from the bidder under (b) above.

c) Technical Evaluation Criteria

Bids shall be evaluation based on the documents submitted as a part of technical bid. Technical bid shall contain all the documents as asked in the clause “Format and Signing of Bids”

d) Tabulation of Technical Bids

a. If Technical Bids have been invited, they shall be tabulated by the bid evaluation committee in the form of a comparative statement to evaluate the qualification of the bidders against the criteria for qualification set out in the bidding document.
b. The members of bid evaluation committee shall give their recommendations below the table as to which of the bidders have been found to be qualified in evaluation of Technical Bids and sign it.

e) The number of firms qualified in technical evaluation, if less than three and it is considered necessary by the procuring entity to continue with the procurement process, reasons shall be recorded in writing and included in the record of the procurement proceedings.

f) The bidders who qualified in the technical evaluation shall be informed in writing about the date, time and place of opening of their financial Bids.

15) Evaluation & Tabulation of Financial Bids

Subject to the provisions of “Acceptance of Successful Bid and Award of Contract” below, the procuring entity shall take following actions for evaluation of financial Bids:

a) The financial Bids of the bidders who qualified in technical evaluation shall be opened online at the notified time, date and place by the bid evaluation committee in the presence of the bidders or their representatives who choose to be present;

b) the process of opening of the financial Bids shall be similar to that of technical Bids.

c) conditional Bids are liable to be rejected;

d) the evaluation shall include all costs and all taxes and duties applicable to the bidder as per law of the Central/ State Government/ Local Authorities, and the evaluation criteria specified in the bidding documents shall only be applied;

e) the offers shall be evaluated and marked L1, L2, L3 etc. L1 being the lowest offer and then others in ascending order in case price is the only criteria, or evaluated and marked H1, H2, H3 etc. in descending order.

f) the bid evaluation committee shall prepare a comparative statement in tabular form in accordance with rules along with its report on evaluation of financial Bids and recommend the lowest offer for acceptance to the procuring entity, if price is the only criterion, or most advantageous Bid in other case;

g) The members of bids evaluation committee shall give their recommendations below the table regarding lowest Bid or most advantageous Bid and sign it.

h) it shall be ensured that the offer recommended for sanction is justifiable looking to the prevailing market rates of the goods, works or service required to be procured.

16) Correction of Arithmetic Errors in Financial Bids

The bid evaluation committee shall correct arithmetical errors in substantially responsive Bids, on the following basis, namely: -
a) if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the bid evaluation committee there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;

b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and

c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to clause (a) and (b) above.

17) **Comparison of rates of firms outside and those in Rajasthan**

While tabulating the financial Bids of those firms which are not entitled to price preference, the element of Rajasthan Value Added Tax (RVAT) shall be excluded from the rates quoted by the firms of Rajasthan and the element of Central Sales Tax (CST) shall be included in the rates of firms from outside Rajasthan for financial bid evaluation purpose.

*In the event of introduction of GST in the course of evaluation of bid, the bid evaluation committee shall examine its impact and shall evaluate the bid as per notified guidelines/circular/orders of the State/Central Government. The bidders shall furnish the relevant details/documents for this purpose, as may be required by bid evaluation committee, at later stage.*

18) **Price/ purchase preference in evaluation**

Price and/ or purchase preference notified by the State Government (GoR), Price preference policy for MSME enterprise (as per new circular on Nov. 19, 2015) & any other notification issued by GoR for price preference and as mentioned in the bidding document shall be considered in the evaluation of Bids and award of Rate contract.

19) **Negotiations**

a) Except in case of procurement by method of single source procurement or procurement by competitive negotiations, to the extent possible, no negotiations shall be conducted after the pre-bid stage. All clarifications needed to be sought shall be sought in the pre-bid stage itself.

b) Negotiations may, however, be undertaken only with the lowest or most advantageous bidder when the rates are considered to be much higher than the prevailing market rates.

c) The bid evaluation committee shall have full powers to undertake negotiations. Detailed reasons and results of negotiations shall be recorded in the proceedings.
d) The lowest or most advantageous bidder shall be informed in writing either through messenger or by registered letter and e-mail (if available). A minimum time of seven days shall be given for calling negotiations. In case of urgency the bid evaluation committee, after recording reasons, may reduce the time, provided the lowest or most advantageous bidder has received the intimation and consented to regarding holding of negotiations.

e) Negotiations shall not make the original offer made by the bidder inoperative. The bid evaluation committee shall have option to consider the original offer in case the bidder decides to increase rates originally quoted or imposes any new terms or conditions.

f) In case of non-satisfactory achievement of rates from lowest or most advantageous bidder, the bid evaluation committee may choose to make a written counter offer to the lowest or most advantageous bidder and if this is not accepted by him, the committee may decide to reject and re-invite Bids or to make the same counter-offer first to the second lowest or most advantageous bidder, then to the third lowest or most advantageous bidder and so on in the order of their initial standing and work/ supply order be awarded to the bidder who accepts the counter-offer. This procedure would be used in exceptional cases only.

g) In case the rates even after the negotiations are considered very high, fresh Bids shall be invited.

20) **Exclusion of Bids/ Disqualification**

a) A procuring entity shall exclude/ disqualify a Bid, if: -

a. the information submitted, concerning the qualifications of the bidder, was false or constituted a misrepresentation; or

b. the information submitted, concerning the qualifications of the bidder, was materially inaccurate or incomplete; and

c. the bidder is not qualified as per pre-qualification/ eligibility criteria mentioned in the bidding document;

d. the Bid materially departs from the requirements specified in the bidding document or it contains false information;

e. the bidder, submitting the Bid, his agent or any one acting on his behalf, gave or agreed to give, to any officer or employee of the procuring entity or other governmental authority a gratification in any form, or any other thing of value, so as to unduly influence the procurement process;

f. a bidder, in the opinion of the procuring entity, has a conflict of interest materially affecting fair competition.

b) A Bid shall be excluded/ disqualified as soon as the cause for its exclusion/ disqualification is discovered.
c) Every decision of a procuring entity to exclude a Bid shall be for reasons to be recorded in writing and shall be: -
   a. communicated to the concerned bidder in writing;
   b. published on the State Public Procurement Portal, if applicable.

21) **Lack of competition**
   a) A situation may arise where, if after evaluation of Bids, the bid evaluation committee may end-up with one responsive Bid only. In such situation, the bid evaluation committee would check as to whether while floating the NIB all necessary requirements to encourage competition like standard bid conditions, industry friendly specifications, wide publicity, sufficient time for formulation of Bids, etc. were fulfilled. If not, the NIB would be re-floated after rectifying deficiencies. The bid process shall be considered valid even if there is one responsive Bid, provided that:
      a. the Bid is technically qualified;
      b. the price quoted by the bidder is assessed to be reasonable;
      c. the Bid is unconditional and complete in all respects;
      d. there are no obvious indicators of cartelization amongst bidders; and
      e. the bidder is qualified as per the provisions of pre-qualification/ eligibility criteria in the bidding document.
   b) The bid evaluation committee shall prepare a justification note for approval by the next higher authority of the procuring entity, with the concurrence of the accounts member.
   c) In case of dissent by any member of bid evaluation committee, the next higher authority in delegation of financial powers shall decide as to whether to sanction the single Bid or re-invite Bids after recording reasons.
   d) If a decision to re-invite the Bids is taken, market assessment shall be carried out for estimation of market depth, eligibility criteria and cost estimate.

22) **Acceptance of the successful Bid and award of contract**
   a) The procuring entity after considering the recommendations of the bid evaluation committee and the conditions of Bid, if any, financial implications, trials, sample testing and test reports, etc., shall accept or reject the successful Bid. If any member of the bid evaluation committee has disagreed or given its note of dissent, the matter shall be referred to the next higher authority, as per delegation of financial powers, for decision.
   b) Decision on Bids shall be taken within original validity period of Bids and time period allowed to procuring entity for taking decision. If the decision is not taken within the original validity period or time limit allowed for taking decision, the matter shall be referred to the next higher authority in delegation of financial powers for decision.
c) Before award of the contract, the procuring entity shall ensure that the price of successful Bid is reasonable and consistent with the required quality.

d) A Bid shall be treated as successful only after the competent authority has approved the procurement in terms of that Bid.

e) The procuring entity shall award the contract to the bidder whose offer has been determined to be the lowest or most advantageous in accordance with the evaluation criteria set out in the bidding document and if the bidder has been determined to be qualified to perform the contract satisfactorily on the basis of qualification criteria fixed for the bidders in the bidding document for the subject matter of procurement.

f) Prior to the expiration of the period of bid validity, the procuring entity shall inform the successful bidder, in writing, that its Bid has been accepted.

g) As soon as a Bid is accepted by the competent authority, its written intimation shall be sent to the concerned bidder by registered post or email and asked to execute an agreement in the format given in the bidding documents on a non-judicial stamp of requisite value and deposit the amount of performance security or a performance security declaration, if applicable, within a period specified in the bidding documents or where the period is not specified in the bidding documents then within fifteen days from the date on which the letter of acceptance or letter of intent is dispatched to the bidder.

h) If the issuance of formal letter of acceptance is likely to take time, in the meanwhile a Letter of Intent (LOI) may be sent to the bidder. The acceptance of an offer is complete as soon as the letter of acceptance or letter of intent is posted and/or sent by email (if available) to the address of the bidder given in the bidding document. Until a formal contract is executed, the letter of acceptance or LOI shall constitute a binding contract.

i) The bid security of the bidders whose Bids could not be accepted shall be refunded soon after the contract with the successful bidder is signed and its performance security is obtained.

23) **Information and publication of award**

   Information of award of contract shall be communicated to all participating bidders and published on the respective website(s) as specified in NIB.

24) **Procuring entity’s right to accept or reject any or all Bids**

   The Procuring entity reserves the right to accept or reject any Bid, and to annul (cancel) the bidding process and reject all Bids at any time prior to award of contract, without thereby incurring any liability to the bidders.
25) **Right to vary quantity**

   a) If the procuring entity does not procure any subject matter of procurement or procures less than the quantity specified in the bidding documents due to change in circumstances, the bidder shall not be entitled for any claim or compensation.

   b) Repeat orders for extra items or additional quantities may be placed on the rates and conditions given in the contract (if the original order was given after inviting open competitive Bids). Delivery or completion period may also be proportionately increased. The limits of repeat order shall be as under: -

   a. 50% of the quantity of the individual items and 50% of the value of original contract in case of works; and

   b. 50% of the value of goods or services of the original contract.

26) **Performance Security**

   a) Prior to execution of agreement, Performance security shall be solicited from all successful bidders except the departments of the State Government and undertakings, corporations, autonomous bodies, registered societies, co-operative societies which are owned or controlled or managed by the State Government and undertakings of the Central Government. However, a performance security declaration shall be taken from them. The State Government may relax the provision of performance security in particular procurement or any class of procurement.

   b) The amount of performance security shall be 5% of the amount of supply order.

   c) Performance security shall be furnished in any one of the following forms: -

   a. Bank Draft or Banker’s Cheque of a scheduled bank;

   b. National Savings Certificates and any other script/instrument under National Savings Schemes for promotion of small savings issued by a Post Office in Rajasthan, if the same can be pledged under the relevant rules. They shall be accepted at their surrender value at the time of bid and formally transferred in the name of procuring entity with the approval of Head Post Master;

   c. Bank guarantee/s of a scheduled bank. It shall be got verified from the issuing bank. Other conditions regarding bank guarantee shall be same as mentioned in the bidding document for bid security;

   d. Fixed Deposit Receipt (FDR) of a scheduled bank. It shall be in the name of procuring entity on account of bidder and discharged by the bidder in advance. The procuring entity shall ensure before accepting the FDR that the bidder furnishes an undertaking from the bank to make payment/premature payment of the FDR on demand to the procuring entity without requirement of consent of the bidder.
concerned. In the event of forfeiture of the performance security, the Fixed Deposit shall be forfeited along with interest earned on such Fixed Deposit.

d) Performance security furnished in the form specified in clause [b.] to [d.] of (c) above shall remain valid for a period of 60 days beyond the date of completion of all contractual obligations of the bidder, including warranty obligations and maintenance and defect liability period.

e) Forfeiture of Security Deposit: Security amount in full or part may be forfeited, including interest, if any, in the following cases:-
   a. When any terms and condition of the contract is breached.
   b. When the bidder fails to make complete supply satisfactorily.
   c. if the bidder breaches any provision of code of integrity, prescribed for bidders, specified in the bidding document.

f) Notice will be given to the bidder with reasonable time before PSD deposited is forfeited.

g) No interest shall be payable on the PSD.

27) **Execution of agreement**

   a) A procurement contract shall come into force from the date on which the letter of acceptance or letter of intent is despatched to the bidder.

   b) The successful bidder shall sign the procurement contract within 10 days from the date on which the letter of acceptance or letter of intent is despatched to the successful bidder.

   c) If the bidder, who’s Bid has been accepted, fails to sign a written procurement contract or fails to furnish the required performance security within specified period, the procuring entity shall take action against the successful bidder as per the provisions of the bidding document and Act. The procuring entity may, in such case, cancel the procurement process or if it deems fit, offer for acceptance the rates of lowest or most advantageous bidder to the next lowest or most advantageous bidder, in accordance with the criteria and procedures set out in the bidding document.

   d) The bidder will be required to execute the agreement on a non-judicial stamp of specified value at its cost and to be purchase from anywhere in Rajasthan only.

28) **Confidentiality**

   a) Notwithstanding anything contained in this bidding document but subject to the provisions of any other law for the time being in force providing for disclosure of information, a procuring entity shall not disclose any information if such disclosure, in its opinion, is likely to:
      a. impede enforcement of any law;
      b. affect the security or strategic interests of India;
c. affect the intellectual property rights or legitimate commercial interests of bidders;
d. affect the legitimate commercial interests of the procuring entity in situations that may include when the procurement relates to a project in which the procuring entity is to make a competitive bid, or the intellectual property rights of the procuring entity.

b) The procuring entity shall treat all communications with bidders related to the procurement process in such manner as to avoid their disclosure to competing bidders or to any other person not authorised to have access to such information.

c) The procuring entity may impose on bidders and sub-contractors, if there are any for fulfilling the terms of the procurement contract, conditions aimed at protecting information, the disclosure of which violates (a) above.

d) In addition to the restrictions specified above, the procuring entity, while procuring a subject matter of such nature which requires the procuring entity to maintain confidentiality, may impose condition for protecting confidentiality of such information.

29) Cancellation of procurement process

a) If any procurement process has been cancelled, it shall not be reopened but it shall not prevent the procuring entity from initiating a new procurement process for the same subject matter of procurement, if required.

b) A procuring entity may, for reasons to be recorded in writing, cancel the process of procurement initiated by it -
a. at any time prior to the acceptance of the successful Bid; or
b. after the successful Bid is accepted in accordance with (d) and (e) below.

c) The procuring entity shall not open any bids or proposals after taking a decision to cancel the procurement and shall return such unopened bids or proposals.

d) The decision of the procuring entity to cancel the procurement and reasons for such decision shall be immediately communicated to all bidders that participated in the procurement process.

e) If the bidder who's Bid has been accepted as successful fails to sign any written procurement contract as required, or fails to provide any required security for the performance of the contract, the procuring entity may cancel the procurement process.

f) If a bidder is convicted of any offence under the Act, the procuring entity may:
a. cancel the relevant procurement process if the Bid of the convicted bidder has been declared as successful but no procurement contract has been entered into;
b. rescind (cancel) the relevant contract or forfeit the payment of all or a part of the contract value if the procurement contract has been entered into between the procuring entity and the convicted bidder.
30) **Code of Integrity for Bidders**

a) No person participating in a procurement process shall act in contravention of the code of integrity prescribed by the State Government.

b) The code of integrity include provisions for:

   a. Prohibiting

      i. any offer, solicitation or acceptance of any bribe, reward or gift or any material benefit, either directly or indirectly, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process;

      ii. any omission, including a misrepresentation that misleads or attempts to mislead so as to obtain a financial or other benefit or avoid an obligation;

      iii. any collusion, bid rigging or anti-competitive behaviour to impair the transparency, fairness and progress of the procurement process;

      iv. improper use of information shared between the procuring entity and the bidders with an intent to gain unfair advantage in the procurement process or for personal gain;

      v. any financial or business transactions between the bidder and any officer or employee of the procuring entity;

      vi. any coercion including impairing or harming or threatening to do the same, directly or indirectly, to any party or to its property to influence the procurement process;

      vii. any obstruction of any investigation or audit of a procurement process;

b. disclosure of conflict of interest;

c. disclosure by the bidder of any previous transgressions with any entity in India or any other country during the last three years or of any debarment by any other procuring entity.

c) Without prejudice to the provisions below, in case of any breach of the code of integrity by a bidder or prospective bidder, as the case may be, the procuring entity may take appropriate measures including:

   a. exclusion of the bidder from the procurement process;

   b. calling-off of pre-contract negotiations and forfeiture or encashment of bid security;

   c. forfeiture or encashment of any other security or bond relating to the procurement;

   d. recovery of payments made by the procuring entity along with interest thereon at bank rate;

   e. cancellation of the relevant contract and recovery of compensation for loss incurred by the procuring entity;

   f. debarment of the bidder from participation in future procurements of the procuring entity for a period not exceeding three years.
31) **Conflict of Interest**

A Bidder may be considered to be in conflict of interest with one or more parties in a bidding process if, including but not limited to:-

a) they have controlling partners in common;

b) they receive or have received any direct or indirect subsidy from any of them;

c) they have the same legal representative for purposes of the bid;

d) they have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the bid of another;

e) A bidder participates in more than one bid in the same bidding process. However, this does not limit the inclusion of the same sub-contractor, not otherwise participating as a bidder, in more than one bid; or

f) A bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the subject matter of procurement of the bidding process. All bidders shall provide in Eligibility Criteria documents, a statement that the bidder is neither associated nor has been associated directly or indirectly, with the consultant or any other entity that has prepared the design, specifications and other documents for the subject matter of procurement or being proposed as Project Manager for the contract.

32) **Interference with Procurement Process**

A bidder, who:

a) withdraws from the procurement process after opening of financial bids;

b) withdraws from the procurement process after being declared the successful bidder;

e) Delivery period may be extended with or without liquidated damages if the delay in the supply of goods is on account of hindrances beyond the control of the bidder.

28) Bidders must make their own arrangements to obtain import licence, if necessary. If a bidder imposes conditions which are in addition to or in conflict with the conditions mentioned herein, his bid is liable to summary rejection. In any case none of such conditions will be deemed to have been accepted unless specifically mentioned in the letter of acceptance of bid issued by the Purchase Officer.

29) **Settlement of Disputes:**
   All disputes pertaining to the Contract shall be decided as per the provision of Arbitration & Conciliation act, 1996.

30) All legal proceedings, if necessary arise to institute may by any of the parties (Government of Contractor) shall have to be lodged in courts situated in Rajasthan and not elsewhere.

31) **Authenticity of Equipment**
   a) The selected bidder shall certify (as per Annexure-9) that the supplied goods are brand new, genuine/ authentic, not refurbished, conform to the description and quality as specified in this bidding document and are free from defects in material, workmanship and service.

   b) If during the contract period, the said goods be discovered counterfeit/ unauthentic or not to conform to the description and quality aforesaid or have determined (and the decision of the Purchase Officer in that behalf will be final and conclusive), notwithstanding the fact that the purchaser may have inspected and/ or approved the said goods, the purchaser will be entitled to reject the said goods or such portion thereof as may be discovered not to conform to the said description and quality, on such rejection the goods will be at the selected bidder’s risk and all the provisions relating to rejection of goods etc., shall apply. The selected bidder shall, if so called upon to do, replace the goods etc., or such portion thereof as is rejected by Purchase Officer, otherwise the selected bidder shall pay such damage as may arise by the reason of the breach of the condition herein contained. Nothing herein contained shall prejudice any other right of the Purchase Officer in that behalf under this contract or otherwise.

   c) Goods accepted by the purchaser in terms of the contract shall in no way dilute purchaser’s right to reject the same later, if found deficient in terms of the this clause of the contract.
32) **Warranty**

a) The bidder must supply all items with comprehensive on-site OEM warranty valid for period as mentioned in the Technical specification of the goods (i.e. Annexure-II), or any portion thereof as the case may be, have been delivered to, installed and accepted at the final destination(s) indicated in the bidding document. However, if delay of installation is more than a month’s time due to the reasons ascribed to the bidder, the warranty shall start from the date of last successful installation of the items covered under the PO.

b) At the time of goods delivery, the selected bidder shall submit a certificate/ undertaking from all the respective OEMs mentioning the fact that the goods supplied are covered under comprehensive warranty & support for the prescribed period.

c) The purchaser shall give a written notice to the selected bidder stating the nature of any defect together with all available evidence thereof, promptly following the discovery thereof. The purchaser shall afford all reasonable opportunity for the selected bidder to inspect such defects. Upon receipt of such notice, the selected bidder shall expeditiously cause to repair the defective goods or parts thereof or replace the defective goods or parts thereof with brand new genuine/ authentic ones having similar or higher specifications from the respective OEM, at no cost to the Purchaser. Any goods repaired or replaced by the selected bidder shall be delivered at the respective location without any additional costs to the purchaser.

d) If having been notified, the selected bidder fails to remedy the defect within the period specified, the purchaser may proceed to take within a reasonable period such remedial action as may be necessary, in addition to other recourses available in terms and conditions of the contract and bidding document.

e) During the warranty period, the bidder shall also be responsible to ensure adequate and timely availability of spare parts needed for repairing the supplied goods.

33) **Patent Indemnity**

a) The supplier/ selected bidder shall, subject to the Purchaser’s compliance with sub-clause (b) below, indemnify and hold harmless the Purchaser and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney’s fees and expenses, which the Purchaser may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract by reason of:

   i. the installation of the Goods by the supplier/ selected bidder or the use of the Goods in the country where the Site is located; and
ii. the sale in any country of the products produced by the Goods. Such indemnity shall not cover any use of the Goods or any part thereof other than for the purpose indicated by or to be reasonably inferred from the Contract, neither any infringement resulting from the use of the Goods or any part thereof, or any products produced thereby in association or combination with any other equipment, plant, or materials not supplied by the supplier/selected bidder, pursuant to the Contract.

b) If any proceedings are brought or any claim is made against the Purchaser arising out of the matters referred to above, the Purchaser shall promptly give the supplier/selected bidder a notice thereof, and the supplier/selected bidder may at its own expense and in the Purchaser’s name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claim.

c) If the supplier/selected bidder fails to notify the Purchaser within thirty (30) days after receipt of such notice that it intends to conduct any such proceedings or claim, then the Purchaser shall be free to conduct the same on its own behalf.

d) The Purchaser shall, at the supplier’s/selected bidder’s request, afford all available assistance to the supplier/selected bidder in conducting such proceedings or claim, and shall be reimbursed by the supplier/selected bidder for all reasonable expenses incurred in so doing.

e) The Purchaser shall indemnify and hold harmless the supplier/selected bidder and its employees, officers, and Subcontractors (if any) from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the supplier/selected bidder may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract arising out of or in connection with any design, data, drawing, specification, or other documents or materials provided or designed by or on behalf of the Purchaser.

34) **Limitation of Liability**

Except in cases of gross negligence or wilful misconduct:

a) neither party shall be liable to the other party for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier/selected bidder to pay liquidated damages to the Purchaser; and

b) the aggregate liability of the supplier/selected bidder to the Purchaser, whether under the Contract, in tort, or otherwise, shall not exceed the amount specified in the Contract, provided that this limitation shall not apply to the cost of repairing or replacing defective
equipment, or to any obligation of the supplier/ selected bidder to indemnify the Purchaser with respect to patent infringement.

35) **Force Majeure**
   a) The supplier/ selected bidder shall not be liable for forfeiture of its PSD, LD, or termination for default if and to the extent that it’s delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
   b) For purposes of this Clause, “ Force Majeure” means an event or situation beyond the control of the supplier/ selected bidder that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the supplier/ selected bidder. Such events may include, but not be limited to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.
   c) If a Force Majeure situation arises, the supplier/ selected bidder shall promptly notify the Department of Electrical Inspectorate in writing of such conditions and cause thereof within 15 days of occurrence of such event. Unless otherwise directed by Department of Electrical Inspectorate, the supplier/ selected bidder shall continue to perform its obligations under the contract as far as reasonably practical.
   d) If the performance in whole or part or any obligation under the contract is prevented or delayed by any reason of Force Majeure for a period exceeding 60 days, either party at its option may terminate the contract without any financial repercussion on either side.
   e) In case a Force Majeure situation occurs with the Department of Electrical Inspectorate, the Department of Electrical Inspectorate may take the case with the supplier/ selected bidder on similar lines.

36) **Change Orders and Contract Amendments**
   a) The Purchaser may at any time order the supplier/ selected bidder through Notice in accordance with clause “Notices” above, to make changes within the general scope of the Contract in any one or more of the following:
      i. drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;
      ii. the method of shipment or packing;
      iii. the place of delivery; and
      iv. the related services to be provided by the supplier/ selected bidder.
   b) If any such change causes an increase or decrease in the cost of, or the time required for, the supplier’s/ selected bidder’s performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery and Completion
Schedule, or both, and the Contract shall accordingly should be amended. Any claims by the supplier/ selected bidder for adjustment under this clause must be asserted within thirty (30) days from the date of the supplier’s/ selected bidder’s receipt of the Purchaser’s change order.

c) Prices to be charged by the supplier/ selected bidder for any related services that might be needed but which were not included in the Contract shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier/ selected bidder for similar services.

37) Termination

a) Termination for Default

i. The procuring entity may, without prejudice to any other remedy for breach of contract, by written a written notice of default of at least 30 days sent to the supplier/ selected bidder, terminate the contract in whole or in part:

a. If the supplier/ selected bidder fails to deliver any or all quantities of the service within the time period specified in the contract, or any extension thereof granted by Department of Electrical Inspectorate; or

b. If the supplier/ selected bidder fails to perform any other obligation under the contract within the specified period of delivery of service or any extension granted thereof; or

c. If the supplier/ selected bidder, in the judgement of the Purchaser, is found to be engaged in corrupt, fraudulent, collusive, or coercive practices in competing for or in executing the contract.

d. If the supplier/ selected bidder commits breach of any condition of the contract.

ii. If Department of Electrical Inspectorate terminates the contract in whole or in part, amount of PSD may be forfeited.

b) Termination for Insolvency

Department of Electrical Inspectorate may at any time terminate the Contract by giving a written notice of at least 30 days to the supplier/ selected bidder, if the supplier/ selected bidder becomes bankrupt or otherwise insolvent. In such event, termination will be without compensation to the supplier/ selected bidder, provided that such termination will not prejudice or affect any right of action or remedy that has accrued or will accrue thereafter to Department of Electrical Inspectorate.
c) Termination for Convenience

i. Department of Electrical Inspectorate, by a written notice of at least 30 days sent to the supplier/ selected bidder may terminate the Contract, in whole or in part, at any time for its convenience. The Notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the supplier/ selected bidder under the Contract is terminated, and the date upon which such termination becomes effective.

ii. Depending on merits of the case the supplier/ selected bidder may be appropriately compensated on mutually agreed terms for the loss incurred by the contract if any due to such termination.

iii. The Goods that are complete and ready for shipment within twenty-eight (28) days after the supplier’s/ selected bidder’s receipt of the Notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect:

   a. To have any portion completed and delivered at the Contract terms and prices; and/or

   b. To cancel the remainder and pay to the supplier/ selected bidder an agreed amount for partially completed Goods and Related Services and for materials and parts previously procured by the supplier/ selected bidder.

Sir,

1. In accordance with your Notice Inviting Bid for <please specify the project title> vide NIB reference no. <please specify> M/s. …………………………. (Name & full address of the firm) (Hereinafter called the “Bidder”) hereby submits the Bank Guarantee to participate in the said procurement/ bidding process as mentioned in the bidding document.

It is a condition in the bidding documents that the Bidder has to deposit Bid Security amounting to <Rs. ______________ (Rupees <in words>)> in respect to the NIB Ref. No. ______________________ dated _________ issued by Department of Electrical inspectorate, F-101, Panchseel Marg Behind Bagariya Bhawan, C-Scheme, Jaipur-302001 (Raj). hereinafter referred to as “DEI”) by a Bank Guarantee from a Nationalised Bank/ Scheduled Commercial Bank having its branch at Jaipur irrevocable and operative till the bid validity date (i.e. <please specify> days from the date of submission of bid). It may be extended if required in concurrence with the bid validity.

And whereas the Bidder desires to furnish a Bank Guarantee for a sum of <Rs. ______________ (Rupees <in words>)> to the DEI as earnest money deposit.

2. Now, therefore, we the ……………………………………….. (Bank), a body corporate constituted under the Banking Companies (Acquisition and Transfer of Undertaking) Act. 1969 (delete, if not applicable) and branch Office at………..………..……… (Hereinafter referred to as the Guarantor) do hereby undertake and agree to pay forthwith on demand in writing by the Procurer of the said guaranteed amount without any demur, reservation or recourse.

3. We, the aforesaid bank, further agree that the DEI shall be the sole judge of and as to whether the Bidder has committed any breach or breaches of any of the terms costs, charges and expenses caused to or suffered by or that may be caused to or suffered by the DEI on account thereof to the extent of the Earnest Money required to be deposited by the Bidder in respect of the said bidding document and the decision of the DEI that the Bidder has committed such breach or breaches and as to the amount or amounts of loss, damage, costs, charges and expenses caused to or suffered by or that may be caused to or suffered by the DEI shall be final and binding on us.
4. We, the said Bank further agree that the Guarantee herein contained shall remain in full force and effect until it is released by the DEI and it is further declared that it shall not be necessary for the DEI to proceed against the Bidder before proceeding against the Bank and the Guarantee herein contained shall be invoked against the Bank, notwithstanding any security which the DEI may have obtained or shall be obtained from the Bidder at any time when proceedings are taken against the Bank for whatever amount that may be outstanding or unrealized under the Guarantee.

5. Any notice by way of demand or otherwise hereunder may be sent by special courier, telex, fax, registered post or other electronic media to our address, as aforesaid and if sent by post, it shall be deemed to have been given to us after the expiry of 48 hours when the same has been posted.

6. If it is necessary to extend this guarantee on account of any reason whatsoever, we undertake to extend the period of this guarantee on the request of our constituent under intimation to you.

7. The right of the DEI to recover the said amount of <Rs. ______________ (Rupees <in words>)} from us in manner aforesaid will not be precluded/affected, even if, disputes have been raised by the said M/s. …………………………….(Bidder) and/or dispute or disputes are pending before any court, authority, officer, tribunal, arbitrator(s) etc..

8. Notwithstanding anything stated above, our liability under this guarantee shall be restricted to <Rs. ______________ (Rupees <in words>)} and our guarantee shall remain in force till bid validity period i.e. <please specify> days from the last date of bid submission and unless a demand or claim under the guarantee is made on us in writing within three months after the Bid validity date, all your rights under the guarantee shall be forfeited and we shall be relieved and discharged from all liability thereunder.

9. This guarantee shall be governed by and construed in accordance with the Indian Laws and we hereby submit to the exclusive jurisdiction of courts of Justice in India for the purpose of any suit or action or other proceedings arising out of this guarantee or the subject matter hereof brought by you may not be enforced in or by such count.

10. We hereby confirm that we have the power/s to issue this Guarantee in your favor under the Memorandum and Articles of Association/Constitution of our bank and the undersigned is/are the recipient of authority by express delegation of power/s and has/have full power/s to execute this guarantee under the Power of Attorney issued by the bank in your favour.
