

No.JPD/MD/ACE(MM)/SE(I&S)/F. /D. 218

Dated: 19-06-2020

ORDER

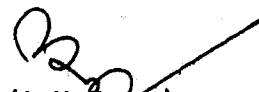

It has been observed that large number of 5/10/16 & 25 KVA single phase distribution transformers are failed specially 5 KVA, in addition to this failed 5/10/16 & 25 KVA single phase distribution transformers are not being timely deposited in the ACOS resulting in heavy financial loss to the Nigam.

It is, therefore, enjoined upon all officers of O&M wing that while receiving Single Phase Distribution Transformers from ACOS, they will ensure following actions:-

- (i) All Power Transformers, Three Phase Distribution Transformers (after removing meter, if any), Single Phase Distribution Transformers, all type of meters, 33 KV CT, 33 KV CTPT, 11 KV CTPT, 33 & 11 KV LAs, 33 & 11 KV Kiosk.VCB etc., failed upto 15.6.2020, under Guarantee Period be got deposited by the AEN (O&M) / HTM) in the ACOS / Sub-Store by 31st July, 2020 in any case. A certificate on 1st August., 2020 will be sent by all SE (O&M) to the SE (I&S) to the effect that all such material lying in the circle as on 15/6/2020 has been deposited in the ACOS. The SE (I&S) will ensure the same and send compliance report to the undersigned through the CE (MM).
- (ii) The CE (MM) will send email address of various firms to all ZCEs, ACE (M&P-IT)/ SEs(O&M)/(M&P)/ACOS. A list containing email addresses of all such suppliers shall also be forwarded to the SE (IT) for publishing on the website of the Nigam.
- (iii) The ACOS or Store Superintendent will issue notice to the supplier within next working day through official email only. No notice be sent through any other mode i.e. courier/ordinary / registered dak etc.
- (iv) All Power Transformers, Three Phase Distribution Transformers (after removing meter, if any), Single Phase Distribution Transformers, all type of meters, 33 KV CT, 33 KV CTPT, 11 KV CTPT, 33 & 11 KV LAs, 33 & 11 KV Kiosk .VCB etc., failed after 16/6/2020 under Guarantee Period will be deposited in the ACOS / Sub-Store within seven working days on regular basis & so on.

- (v) 100 % vigilance checking of all consumers connected on 5/10/16 & 25 KVA single phase distribution transformers be carried out just after its replacement but not later than one month. If any load/appliances are found using unauthorized use of Electricity then VCR be drawn under section 126 of the Electricity Act, 2003. Thereafter, notice be served to stop unauthorized use of Electricity, failing which the connection be disconnected after 48 hours.
- On recurring failure of the 5/10/16 & 25 KVA single phase distribution transformers, similar type of procedure will be followed but if unauthorized use of Electricity is detected of the same consumer again, then action against the defaulter AEN/JEN will be initiated by the circle SE.
- (vi) ACOS/ Store Superintendent before issue of 5/10/16 & 25 KVA single phase distribution transformers will obtain a certificate duly countersigned by the circle SE, of same rating after 1/8/2020 as per Annex-1 from the AEN (O&M), failing which no single phase distribution transformers be issued.
- (vii) After 1/8/2020, if any single phase distribution transformer is not issued by the ACOS/ Store Superintendent on the ground of non-furnishing the above certificate, it shall be personnel responsibility of the AEN (O&M).

Encl:- Annex. 1.

(A. K. Gupta)
Managing Director
