No.JPD/CE(CA-HQ)/SE (Comml.)/D. 176

Jaipur, dt: 26.06.2020

DIRECTIONS

The Jaipur Discom has been promptly dealing with the applications for new service connection especially in the category of NDS and Industries. AENs(O&M) have been authorized to issue provisional Demand Notice(s), within 2 days from the date of application to release the connections within 7 working days. If the sanctioning of connection is beyond his competency then also provisional DN is to be issued with the condition that actual DN amount shall be debited / credited in accordance with the sanction of the competent authority, for which applicant has to give an undertaking (JPR5-861).

It is painful to note that inspite of repeated reminders, the procedure is not being adopted and even the service line connections are being delayed for months together which is causing hardship to the consumer on the one hand and loss of revenue to Nigam on the other.

It is, therefore, directed to comply with the order No. D.509 dated 01.06.2017 (JPR5-861) and arrange to issue provisional demand notice within 2 days from the date of application without fail and release the connection within 7 working days, failing which the defaulting AENs(O&M) shall be held responsible and disciplinary action could be taken against them.

The Senior Officers i.e. XENs(O&M) and SEs(O&M) while reviewing the progress of each Sub-division shall ensure the compliance as above.

(A.K.Gupta)

Managing Director
