S N	Clause no	Existing Provisions	To be read as under:-
1	PQR Cl No XIV & Spec Cl No. 21	<b>DELIVERY SCHEDULE: -</b> Commencement period 30 days from the date of receipt of purchase order and completion within <b>7 months</b> at equal monthly rate from the date of approval of pre commencement sample. Firm is required to furnish pre commencement sample within 15 days of receipt of purchase order. The delay in furnishing of pre commencement sample beyond 15 days shall be on the part of the supplier and such delayed period shall be reduced from the stipulated delivery schedule. It will be ensured by Nigam to convey approval of pre-commencement sample within 15 days of receipt of sample.	<b>DELIVERY SCHEDULE: -</b> Commencement period 30 days from the date of receipt of purchase order and completion within <b>3 months</b> at equal monthly rate from the date of approval of pre commencement sample. Firm is required to furnish pre commencement sample within 15 days of receipt of purchase order. The delay in furnishing of pre commencement sample beyond 15 days shall be on the part of the supplier and such delayed period shall be reduced from the stipulated delivery schedule. It will be ensured by Nigam to convey approval of pre-commencement sample within 15 days of receipt of sample.
2	PQR Cl XV	In case of old firms who have been awarded orders for supply of Static Energy Meters of similar type in past and having repair/replacement rate less than 90% in case of Single Phase Static Energy Meters / 80% in case of Three Phase Static Energy Meters in the last financial year, the Nigam reserves the right to consider these firms as non responsive because as per guidelines /SOP issued by Hon'ble RERC, 90%	In case of old firms who have been awarded orders for supply of Single Phase Meters of similar rating in past and having repair/replacement rate less than 90% (of similar rating) in the last 4 completed months prior to the 1 <sup>st</sup> date of the opening month of Technical Bid & upto 10 days prior to opening of price bid, the Nigam reserves the right to consider these firms as

Amey @ 3

	<p>quantity of the Meters installed in the field shall be in working condition. The repair/replacement rate shall be calculated as under:</p> <p>Repair/replacement Rate = <math>\frac{A}{B+C} * 100</math></p> <p>Where,</p> <p>A = Total no. of GP repaired/replaced Static Energy Meters of similar Type of all previous tenders deposited in stores after successful repair during the last financial year. For example: For the tenders opened during the financial year 2020-21 (from 01.04.2020 to 31.03.2021), the last financial year will be from 01.04.2019 to 31.03.2020.</p> <p>B = Total no. of GP failed Static Energy Meters of similar Type of all previous tenders lying unrepaired in all circle stores as well as at firm's works for more than 45 days as on 1st day of last financial year. For example: For the tenders opened during the financial year 2020-21 (from 01.04.2020 to 31.03.2021), the first day of last financial year will be from 01.04.2019.</p> <p>C = Total no. of GP failed Static Energy Meters of similar Type of all previous tenders deposited in all the circle stores during the last financial year. For example: For the tenders opened during the financial year 2020-21 (from 01.04.2020 to 31.03.2021), the last financial year will be from 01.04.2019 to 31.03.2020.</p> <p>In case, the repair/replacement rate of the participating bidder is between 90% to 100% in case of Single Phase Energy Meters/ 80% to 100% in case of Three Phase Static Energy Meters, then the Nigam reserves the right to deduct the quantity equal to the difference quantity from the final allocated quantity of similar type and same may be allocated to other responsive bidders.</p>	<p>non-responsive. The repair/replacement rate shall be calculated as under:</p> <p><b>Repair/replacement Rate = <math>\frac{A}{B} * 100</math></b></p> <p>Where,</p> <p>A = Total no. of GP repaired/replaced Single Phase Meters of similar rating of all previous tenders deposited in stores after successful repair (during last 4 completed months prior to the 1<sup>st</sup> date of opening month of Technical Bid) upto 10 days prior to opening of price bid. For example: For the tenders opened during the month of Dec-2020, the last 4 completed months will be from 01.08.2020 to 30.11.2020.</p> <p>B = Total no. of GP failed Single Phase Meters of similar rating of all previous tenders lying unrepaired in all circle stores as well as at firm's works for more than 120 days as on 1st day of the month 4 months prior to the date of opening of Technical Bid. For example: For the tenders opened during the month of Dec-2020, the subject date shall be 01.08.2020.</p> <p>In case, the repair/replacement rate of the participating bidder is between 90% to 100%, then the Nigam reserves the right to deduct the quantity equal to the difference quantity from the final allocated quantity of similar rating in addition to the provisions of GCC Clause no. 1.24(a)(III)(iv) and same may be allocated to other responsive bidders.</p>
3	ITB GCC with Amend	All rates quoted must be FOR destination and should include all incidental charges except GST which should be shown
		The amendment issued on dated 15.10.2020 is hereby withdrawn.
