OFFICE ORDER

The hon'ble RERC vide Petition No. RERC 1841/20, filed by the JVVNL has issued an order on dated 24.11.2021 regarding rectification of High Risk Points which is reproduced as under.

"Commission directs that Discoms should carry out campaign to identify high risk points and rectify them again and furnish the report to the Commission within 45 days of this order. It should be noted that removal of hazardous points is an on-going process and should not be stopped. Therefore, Discoms are directed to organize such campaign regularly and submit report and submit a certificate regarding compliance of CEA Safety Regulations by Discoms to the Commission on half yearly basis".

In this connection all field officers shall ensure the strict compliance of the said order & furnish compliance report every month to the undersigned.

This bears the approval of the Managing Director, JVVNL.

By order

(Ram Avtar Sharma)
