**(TENDER ENQUIRY FOR PURCHASE OF SINGLE PHASE METER WITH BOX
AND THREE PHASE METER WITH / WITHOUT BOX)**

In the PQR CI No. II (c) where it has been mentioned that The bidder should have NABL accreditation for testing of meters for acceptance test as prescribed in IS:13779-1999 & IS:15884 (with latest amendments). Documentary evidence of NABL accreditation and scope of accreditation for acceptance test is required to be submitted along with the bid. Offers of the bidders not having the same shall be treated as Non-responsive. It is clarified that the requirement of NABL accreditation for IS:15884 is not required as this IS-15884 is for Pre-payment meters and the purchase is for meters not having Pre-Payment feature. This has been added due to typographical error.
