

No.JPD/MD/TA/F. /D. 155

Jaipur, dated: 31/03/21

OFFICE ORDER

All zonal Chief Engineers and Superintending Engineers are advised to remain updated regarding supply position in their jurisdiction. In case of failure of supply on 11 kv Feeder, 33 kv feeder or 220 kv or 132 kv for period likely to take more than 15 minutes, concern FI should bring it in knowledge of JEn concern who will update the same with likely period of restoration to AEn and XEn and call center and XEn will take immediate steps to get it attended under intimation to SE/ CEs. During bad weather conditions XEn SEs and ZCES will take supply feed back from concerned field offices on Regular interval and no current status from call center.

Matter urgent.
