The Addendum/Corrigendum in the General Conditions of Contract (GCC) as under is issued where following clauses are hereby amended to read as under:-

S N	Clause no	Existing Provisions	To be read as under:-
1	Payment Clause in GCC	Payment shall be due and payable by the purchaser in accordance with the provision of the contract within a reasonable period from the date of receipt of each invoice by the contractor / supplier duly supported by a certificate of the Engineer. The purchaser will take all possible effort to make payment to the contractor/ supplier generally on 45th day after receipt of duly verified challans/ receipts/ bill in the office of paying authority (Sr. Accounts Officer (CPC)/ Concerned Circle Accounts Officer) and completion of contractual formalities. But in case of delay in payment the purchaser shall not be liable to pay any interest on the outstanding amount to the contractor/supplier. If payment is delayed more than 45 days, then interest may be given to the firm as per prevailing Bank rate / 9%. This may discourage the MSMEs to approach MSME Facility Council which is clamping unbearable penalties.
