Jaipur, Dated: 13.09.2021

ORDER

It has been observed that officers of Training, Safety & Quality Control Wing are inspecting & checking various 33/KV GSS, Lines and Distribution Transformer without the presence of concerned Assistant Engineer/Junior Engineer and ARC/TW Contractors. This results in non-rectification of short comings timely by them.

In order to stream line the procedure of inspection & checking by the officers of Training, Safety & Quality Control Wing, it is directed that henceforth the officers of Training, Safety & Quality Control Wing & Safety Officers/Additional Safety Officers will inform in writing via official email to the concerned Assistant Engineer before three working days in advance of scheduled inspection & checking, for their and contractor's presence invariably, with a copy to the Zonal Chief Engineer as well as Superintending Engineer (O&M).

The concerned Assistant Engineer will inform to the ARC/TW contractor accordingly, if the work has been carried out by them.
