ORDER**SUB:- Utilization of the services of ATVs Officers in Discom.**

There are about 37 Anti Theft Vigilance Squad (ATVS) Teams in Jaipur Discom which are working in different areas. They are receiving working instructions from Director (Tech.), Addl. S.P. (Vigilance), Zonal Chief Engineers (O&M) and Superintending Engineers (O&M) etc.

It may be some times very difficult for ATVS Teams as to which instructions are to be followed.

It is, therefore, decided that normally the Addl. S.P. (Vigilance) shall issue working instructions to the ATVS Teams. However, in case the field officers i.e. Zonal Chief Engineers(O&M)/ Superintending Engineers(O&M) want to issue specific directions to ATVS team, the same can be done in consultation with Addl. S.P. (Vigilance) and the ATVS team will have to follow such directions.
