Jaipur, dated: 18.04.19

ORDER

The power supply to agriculture consumers during Rabi Season has been maintained till 15th of April, 2019 in accordance with the declared block hours of 6 hours a day/7 hours during night in very efficient manner throughout in the area of Jaipur Discom.

The agriculture Rabi Season is almost over but now the wind with high velocity/rains has since begun as a result of which power supply interruptions are now taking place which are attributed to damage of 33 KV/11 KV and LT lines.

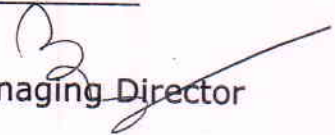

In order to monitor the power supply position at the level of Circle/Zone and Corporate it is directed to form Power supply Monitoring Cell/Control Room at each O&M Circle, Zone. The Circle SE will report position in the proforma attached to the respective ZCE(O&M) Control Room who will consolidate information collected from different circles and submit to Director (Tech.), JPD, Jaipur in the proforma attached by 11.30 A.M. for the previous day without fail.
