**Sub-Effective monitoring of LBSM programme to
be implemented w.e.f. 01.12.2016.**

With reference to subject cited above, please refer this office letter No. 471 dated 15.11.2016 vide which directions for implementation of LBSM programme on one feeder / sub-division having the highest AT&C loss w.e.f. 01.12.1016 were issued.

You are, therefore, advised to select one feeder per sub division having highest AT&C loss and provide the same to SE(Plan), JPD, Jaipur for effective monitoring at Nigam's level.
