

No.JPD/TA/F.00 /D. 511

Jaipur, dated : 14.12.16.

OFFICE ORDER

Sub : Step for Town Go-live Declaration.

In the meeting dated 5th Oct. 2016, PFC insisted Discom to prioritize the following activities for declaring the RAPDRP towns Go-Live.

- Feeder wise energy audit.
- Entire feeder data to be made available to NPP for each Go-Live town.
- DT level energy audit of at least two feeders per town initially.
- Utilize operating IT system for their business operations.

Following steps are to be followed for declaring the RAPDRP towns Go-Live:-

1. Soon after installation of Distribution Transformer Meter and AMR commissioning by M&P team on all DTs of 2 no. selected feeders of each Town, respective XEN (O&M) would give call to SE(IT) for declaring Town Go-live.
2. SE(IT) will depute his one of the XEn or AEn & fix up date of Joint certification with XEn concerned. The team will jointly inspect the activities as detailed above & issue the joint inspection report.
3. Based upon the report of joint inspection team, the SE(IT) will declare the Town Go-live.
