The Superintending Engineer (            ),  
Jaipur Discom,

---

**Sub:- Revision of agriculture category bills**

It is well aware that Hon'ble Chief Minister, GoR has announced that Government shall pay the subsidy to agriculture consumers so that they will not pay the increased electricity tariff as decided by RERC vide tariff order dated 20.02.15. The hike decided by Hon'ble RERC in respect of agriculture consumers shall be borne by Government in such a way that agriculture category consumers will continue to pay as prior to order dated 20.2.15.

Computer agencies have already been advised to modify software so that demand to the agriculture consumer be raised on the rates as was applicable before issue of tariff order dated 20.02.15. This modification may take two-three days and on the other hand bills to the consumer in the month of April,2015 have already been issued on increased rates.

I am directed by the Chairman Discoms to advise you to please convey the message to all Sub-division officers under your control that payment from the agriculture consumers for the bills issued in the month of April,2015 may be accepted on the rates being applicable prior to tariff order dated 20.02.15. In other words bills should be revised by the Sub-division officers at their end and accept on the rates applicable before issue of tariff order dated 20.02.15. It may also be informed that no credit advise on account of revision of bills is to be sent/punched by the Sub-division officers but the computer agencies will carry out necessary revision in the consumer ledger at their end.
