ORDER

**Sub: Testing of the ABT meters of the consumers availing Open Access from Energy exchange/ bilateral mode.**

Earlier instructions were issued vide JPR5-715 regarding the procedure for testing of the ABT meters of Open Access Consumers availing Open Access from energy exchanges/ Bilateral mode. This is also necessary as per RERC metering regulation 2007 duly amended, clause No. 10(2)(B)(vi) & Clause No. 8 (3)(b) of CERC(Open Access in interstate transmission) Regulations 2008 and envisaged that SLDC shall verify the existence of infrastructure necessary for time block wise energy metering.

In partial modification to the earlier procedure envisaged in JPR5-715, the following revised procedure for testing of the ABT meters of Open Access Consumers availing Open Access from energy exchanges/ Bilateral mode is hereby prescribed.

1. The Superintending Engineer (M&P), JPD, Jaipur will ensure the routine testing of the ABT meters of the consumers availing open access every three months and will send testing reports to Superintending Engineer (SO&LD), RVPN, Jaipur, SE(Comml.), JVVNL, Jaipur and others along with his remarks, if any.
2. No testing fee is chargeable from the consumer for routine testing of the ABT meters as mentioned at Sr. No. (1) above.
3. The Superintending Engineer(SO&LD), RVPN, Jaipur will issue further NOC on receipt of Testing report from Superintending Engineer (M&P), JPD, Jaipur if report is found in order.
4. Apart from the above, meter can be tested on consumers request by depositing requisite testing fee.

By Order

(A.K. Singh)

Superintending Engineer(Comml.)
