Jaipur, dated : 19/05/2015

**ORDER**

The matter of providing electric connection to inhabitants of un-approved Kachi Basties has been examined. Clause No.4 of Terms and Conditions for Supply of Electricity-2004 (amended time to time) stipulates as follows :-

4(1) "An owner or an occupier of any premises requiring supply of electricity may apply for supplying electricity to such premises to concerned sub-divisional office.....".

As per the above clause, it is clear that any occupier can also make an application for electric connection. The application shall be in a form prescribed as Annexure-4 appended with TCOS-2004 (amended time to time). Even in application form, there is mentioned a category other than Owner/Tenant i.e. occupier implying that an occupier can also make an application. An occupier who is not an owner has to give an Indemnity Bond on Non-Judicial Stamp Paper worth Rs. 100/- as prescribed in TCOS-2004."

In light of the above provisions, electric connection to inhabitants of un-approved Kachi Basties may be released on the charges, as already prescribed under Part-2 (scale of misc. charges of TCOS-2004-amended time to time)."

As regards definition of Kachi Basti, it has already been defined vide order JPR5-94 dated 24.10.2002, the relevant abstracts of which are reproduced as under :-

*As per Government of India 1998, Report of working Group on Slums, Planning Commission.*

*The Slums are usually characterized by "dilapidated and infirm housing structures, acute overcrowding, faulty alignment of streets, poor ventilation, inadequate lighting, paucity of drinking water, water logging during rains, absence of toilet facilities and non-availability of basic physical and social services".*

It is, therefore, clarified that above procedure be adhered while releasing connection in Kachi Basties.

By order

  
(A.K. Singh)

Superintending Engineer(Comml.)
