ORDER

SUB:- Electricity connection at 33/11 KV Sub-stations.

It has been observed that while commissioning 33/11 KV sub-station, electricity connection for the use at 33 KV sub-station for yard lighting, control room and boring etc. are not being taken and due to non accounting of this energy supplied to the sub-station, T&D losses of the concerned feeder and sub-division are effected.

In order to proper accounting of energy, all the concerned are directed that electricity connection at 33/11 KV sub-station invaraiably be taken by the concerned sub-divisional officer so that the energy consumed at 33/11 KV sub-station may be accounted for while calculating the losses.

In case any 33/11 KV S/S is found without regular electricity connection, the concerned Sub-divisional officer shall be held responsible.

By order,

(A.K. Khandelwal)
Chief Engineer (HQ)
