CIRCULAR

Sub: Electricity connection to consumers through meters.

As per provision of sub-section (1) of the Section 55 of Electricity Act-2003 regarding consumer meters:

“No licensee shall supply electricity after the expiry of two years from the appointed date, except through installation of correct meter in accordance with regulations to be made in this behalf by the Authority”.

CEA(Installation and Operation of Meters) Regulation, 2006 and subsequent amendment in June, 2010 prescribes the norms for installation and operation of consumer meters, directions regarding which have been issued from time to time.

All the field officers are advised to ensure the compliance of the provisions of Electricity Act and CEA regulations for installing the meters to all consumers while providing the electricity connections as well as to the existing consumers not provided with Electricity meters till now.

By order,

(S.K. Mathur)
Chief Engineer (HQ)
